Definitive Pontiac GTO Guide David Bonaskiewich,2018-09-14 p p1 margin 0 0px 0 0px 0 0px font 12 0px Arial
After a brainstorming session Pontiac executives and engineers decided to slot a 389 ci V 8 into the intermediate sized Tempest against GM rules and the GTO was created Little did they know what a profound impact that decision would make The GTO would become a sensation and later was recognized as the first muscle car of the 1960s Visionaries Pete Estes John DeLorean and other key Pontiac executives knew the youth market was waiting for a bold lightweight sporty car When their staff toyed with the concept of putting the large V 8 in the car Pontiac executives jumped on the idea to meet that perceived market demand Pontiac had a high performance street car that could light up its tires and outperform the vast majority of the cars on the road It also reshaped Pontiac s image of a company producing stodgy lumbering full size cars into a high performance youth brand Pontiac expert and long time writer David Bonaskiewich delves deep into the GTO model and its history bringing the equipment and options of this iconic muscle car into full focus He reveals the hardware under the sheet metal the V 8 engines manual and automatic transmissions rear differentials interior options color codes and so much more When the GTO was released in 1964 it was offered as a unique performance package to the Tempest and high performance enthusiasts stood up and took notice Examined are the GTO s 4 barrel 389 with dual exhaust 3 speed floor shifter stiffer suspension limited slip differential and heavy duty cooling system The 1965 GTO was restyled with more interior room being added and the renowned 389 Tri Power engine joined the lineup cranking out 360 hp By 1966 the GTO was a runaway success Pontiac made the GTO its own model and it featured a sleeker Coke bottle styling A convertible joined the hardtop and a pillared coupe also joined the lineup The 1967 Pontiac GTO was arguably one of most the superbly styled models ever with a wide range of engines and high performance hardware All of these important upgrades advancements and model evolutions are covered in exceptional detail The GTO stands alone in the annals for muscle car history Not only did Pontiac create a classic muscle car it created the muscle car blueprint that other Detroit manufacturers followed in the years to come A glossy surface overview of this iconic model does not do it justice If you have been searching for the in depth nuts and bolts guide to GTO equipment and options you need look no further p p1 margin 0 0px 0 0px 0 0px font 12 0px Arial

Catalogue of the J. Morgan Slade Library and Other Architectural Works in the Apprentices' Library General Society of Mechanics and Tradesmen of the City of New York. Apprentices' Library,1892 [Thomas Register of American Manufacturers and Thomas Register Catalog File](#) ,2002 Vols for 1970 71 includes manufacturers catalogs [National Union Catalog](#) ,1972 Includes entries for maps and atlases **Hiking with Nietzsche** John Kaag,2018-09-27 Hiking with Nietzsche is a tale of two philosophical journeys in the Swiss Alps one made by John Kaag as an introspective teenager the

other seventeen years later in radically different circumstances as a husband and father with his wife and small child in tow Kaag travels to the peaks above Sils Maria where Nietzsche routinely summered and where he wrote his mysterious landmark work Thus Spoke Zarathustra Both trips are made in search of the wisdom at the core of Nietzsche's philosophy yet they bring Kaag to radically different revelations about the human condition Entertaining intimate and thought provoking Hiking with Nietzsche explores not only Nietzsche's ideals but how his philosophy relates to us in the 21st century It is about defeating complacency balancing sanity and madness and coming to grips with the unobtainable As Kaag hikes into the high places alone or with his family but always with Nietzsche he finds that the process of climbing and the inevitable missteps give one the chance in Nietzsche's words to become who you are Even when we think it too late to change this most controversial of thinkers can inspire the rediscovery of meaning
