Nwachukwu, 2021-06-09 If you long to experience a fulfilled life free from tussles and regrets *The Hunt of Purpose* reveals the How Fulfillment in life is dependent on becoming what you were born to be and doing the very assignment you were born to do Without the accomplishment of our purpose life can hunt Life's purpose is the responsibility and the reason we were born for It comes with an inherent burning passion for its accomplishment Living without a purpose is living a life without hope because nothing else can give you satisfaction fulfillment and peace of mind except it This responsibility continues to hunt those who try to live their lives outside it This book explains in details such subjects like Who am I What is my place on earth What was I born to do What happens if I don't become who I was born to be Why are there so much confusion and problems in our world Why are there so much cruelty hatred and fear in our neighborhood Why is humanity threatened with economic hardships pandemic and suffering Our world

has never been threatened like we are right now Our dear world is in turmoil and deep crisis Why are we going through all these The reason for our numerous challenges is that our world is suffering a HUNT from our Corporate Purpose The world has lost the purpose of its existence All these problems that befall us are the consequences of a lost purpose This insightful book will give you a deeper understanding on how to live a purposeful life free from hunt **THE MATCHMAKER : AT YOUR SERVICE** Dr Ezekiel Olusegun Alawale,2014 Young people wow what a gift you are holding in your hands Reading through this book I can t stop thinking of how lucky you are You live in a world of lies and deceptions How precious it is therefore to meet somebody that tells you the truth Truth in a world of false is in fact becoming a scarcity And this is why this book is so precious I therefore wish to express my deepest appreciation to Pastor Ezekiel for taking the time from his very busy schedule to write this book Thank you and God bless you Pastor Sunday Adelaja Founder and Senior Pastor of The Embassy of the Blessed Kingdom of God for All Nations **Shining Statues** Nkoyo Rapu,2013 In a society where it has become socially acceptable to follow the crowd and blend in Nkoyo in her usual practical thought provoking way has written an incisive book that highlights the overwhelming odds we face daily and challenges us to defy these issues with unwavering conviction The book charges us as individuals to be like A city set upon a hill whose light cannot be hidden How do we remain steadfast in the face of temptations How can we maintain our integrity when our resolve is tested How do we preserve our moral standards and values in today s world Shining Statues answers these critical questions and empowers us to choose wisely under conditions of uncertainty and fear The book captures the indomitable spirit of sterling survivors men and women who stood their ground and pursued sometimes the impossible dream Using biblical and real life examples the book helps us develop the discipline that distinguishes us as people Set Apart Its interesting mix of prose and poetry makes it an easy and appealing read Shining Statues the second of the lifestyle series is a call to stand tall glowing with light rather than a mere glint **The Patriology** Pat Obilor,2021-01-15 The Patriology is a THREE in ONE classic A timeless collection of thoughtful insight written with inspiration love and foresight with you in mind Perhaps you are overwhelmed by life and you just want to lean in fall back and revive the sparks for your personal life make outstanding moves for your business and career goals etc This book is for you The inspirational manual Nuggets 700 is for individuals who need to find purpose in their potentials Celebrity Decoded revives your sparks and helps you learn the classic secrets to excel in the show business world as a creative Artiste or entertainment investor and the third book Start your Start up provides you with the on demand executive entrepreneurial nuggets needed to thrive in today s competitive and innovative digital economy *Nigerian Pentecostalism and Development* Richard Burgess,2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of

these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

Prayer: Christ's Perspective , *The Nigerian Electric Power Sector* Ayodele Oni,2013-08-29 Hitherto industry participants and professionals have had to navigate the emerging and complex Nigerian electricity supply industry the power sector without materials or texts that adequately and comprehensively address the history and policy issues as well as the legal and regulatory frameworks of the industry In particular before this book there was no book written from a practical and hands on perspective on the key issues connected with the Nigerian power sector or Nigerian power projects generally neither was there a book that provided good and practical insights on matters related to the negotiation of power sector transaction documents in Nigeria The few available texts covered only limited aspects of the power sector as none covered multiple key issues This 400 page book consisting of 10 chapters attempts to fill the lacuna It reviews the general legal and regulatory regime of the power sector It also takes a comprehensive look at the power sector from a historical dimension and looks at where Nigeria is in terms of the legal and regulatory regime and the direction in which the country may be headed Of particular interest to power sector professionals and other persons who negotiate contracts in the power sector or contracts related to the development of power projects is the chapter which serves as a guide on negotiating key power sector contracts such as Power Purchase Agreements Gas Supply Agreements and Engineering Procurement and Construction Contracts Noteworthy is the fact that the book contains contributions from internationally recognized energy law and policy experts like Stella Duru of Banwo and pricing issues

Answering the Call Nadu Denloye,2016-06-30 Answering the Call is a faith based book about one woman s lucid account of her journey to self discovery It details her gradual understanding of life and purpose after a life transforming experience despite having spent decades living a seemingly successful life More than just another leadership book Answering the Call is personal and challenges one to ask certain salient questions that cannot be answered without first knowing your role in the grand agenda that has been set by the Master Planner *Start with what You Have* Sam Adeyemi,2002 **Spirit and**
