Double Indemnity James M Cain:

Dead Man James M. Cain, 2021-10-26 In this powerful tale of guilt a short story from James M Cain's *The Postman Always Rings Twice* *Double Indemnity* *Mildred Pierce* and *Selected Stories* a desperate man is driven to the edge of madness after he accidentally kills a railroad detective As the murderer works to get his alibi straight he soon discovers that the prick of his own conscience is just as oppressive as the long arm of the law A Vintage Short Double Indemnity James M. Cain, 2010-09-09 A true crime masterpiece and highly acclaimed 1940s movie *DOUBLE INDEMNITY* is among the finest of all American novels regardless of genre or style LA TIMES Cain is the master Tom Wolfe *DOUBLE INDEMNITY* is the classic tale of an evil woman motivated by greed who corrupts a weak man motivated by lust Walter Huff is an insurance investigator like any other until the day he meets the beautiful and dangerous Phyllis Nirdlinger and falls under her spell Together they plot to kill her husband and split the insurance It'll be the perfect murder Creatures of Darkness Gene D. Phillips, 2021-03-17 An exhaustively researched survey of Raymond Chandler's thorny relationship with Hollywood during the classic period of film noir Alain Silver film producer and author Raymond Chandler's seven novels including *The Big Sleep* 1939 and *The Long Goodbye* 1953 with their pessimism and grim realism had a direct influence on the emergence of film noir Chandler worked to give his crime novels the flavor of his adopted city Los Angeles which was still something of a frontier town rife with corruption and lawlessness In addition to novels Chandler wrote short stories and penned the screenplays for several films including *Double Indemnity* 1944 and *Strangers on a Train* 1951 His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years Gene Phillips explores Chandler's unpublished script for *Lady in the Lake* examines the process of adaptation of the novel *Strangers on a Train* discusses the merits of the unproduced screenplay for *Playback* and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters Through interviews he conducted with Wilder Hitchcock Hawks and Edward Dmytryk over the past several decades Phillips provides deeper insight into Chandler's sometimes difficult personality Chandler's wisecracking private eye Philip Marlowe has spawned a thousand imitations *Creatures of Darkness* lucidly explains the author's dramatic impact on both the literary and cinematic worlds demonstrating the immeasurable debt that both detective fiction and the neo noir films of today owe to Chandler's stark vision **Blackout** Sheri Chinen Biesen, 2005-11-11 Sheri Chinen Biesen challenges conventional thinking on the origins of film noir and finds the genre's roots in the political social and historical conditions of Hollywood during the Second World War *Guilty* *Creatures* Mikita Brottman, 2025-07 From the critically acclaimed author and psychoanalyst Mikita Brottman comes the murky retelling of the murder of Mike Williams committed under the haze of faith and devotion Perfect for true crime and literary fiction fans alike **Double Indemnity** James Mallahan Cain, 2002 *DOUBLE INDEMNITY* is the classic tale of an

Film Noir Pettey Homer B. Pettey, 2014-11-11 Explores the development of film noir as a cultural and artistic phenomenon This book traces the development of what we know as film noir from the proto noir elements of Feuillade s silent French crime series and German Expressionism to the genre s mid twentieth century popularization and influence on contemporary global media By employing experimental lighting effects oblique camera angles distorted compositions and shifting points of view film noir s style both creates and comments upon a morally adumbrated world where the alienating effects of the uncanny the fetishistic and the surreal dominate What drew original audiences to film noir is an immediate recognition of this modern social and psychological reality Much of the appeal of film noir concerns its commentary on social anxieties its cynical view of political and capitalist corruption and its all too brutal depictions of American modernity This book examines the changing often volatile shifts in representations of masculinity and femininity as well as the genre s complex relationship with Afro American culture observable through noir s musical and sonic experiments

Key features
Traces the history of film noir from its aesthetic antecedents through its mid century popularization to its influence on contemporary global media
Discusses the influence of literary and artistic sources on the development of film noir
Includes extensive bibliographies filmographies and recommended noir film viewing
Concludes with a reflective chapter by Alain Silver and James Ursini on their own influential studies and collections on film noir criticism **Crime Films**

Thomas Leitch, 2002-08-15 This book surveys the entire range of crime films including important subgenres such as the gangster film the private eye film film noir as well as the victim film the erotic thriller and the crime comedy Focusing on ten films that span the range of the twentieth century Thomas Leitch traces the transformation of the three leading figures that are common to all crime films the criminal the victim and the avenger Analyzing how each of the subgenres establishes oppositions among its ritual antagonists he shows how the distinctions among them become blurred throughout the course of the century This blurring Leitch maintains reflects and fosters a deep social ambivalence towards crime and criminals while the criminal victim and avenger characters effectively map the shifting relations between subgenres such as the erotic thriller and the police film within the larger genre of crime film that informs them all **The Scandal of Adaptation**

Thomas Leitch, 2023-04-21 The essays in this volume seek to expose the scandals of adaptation Some of them focus on specific adaptations that have been considered scandalous because they portray characters acting in ways that give scandal because they are thought to betray the values enshrined in the texts they adapt because their composition or reception raises scandalous possibilities those adapted texts had repressed or because they challenge their audiences in ways those texts had never thought to do Others consider more general questions arising from the proposition that all adaptation is a scandalous practice that confronts audiences with provocative questions about bowdlerizing ethics censorship contagion screenwriting and history The collection offers a challenge to the continued marginalization of adaptations and adaptation studies and an invitation to change their position by embracing rather than downplaying their ability to scandalize the institutions they affront **A Companion to Film Noir** Andre Spicer, Helen Hanson, 2013-06-27 An authoritative companion that offers a wide ranging thematic survey of this enduringly popular cultural form and includes scholarship from both established and emerging scholars as well as analysis of film noir's influence on other media including television and graphic novels Covers a wealth of new approaches to film noir and neo noir that explore issues ranging from conceptualization to cross media influences Features chapters exploring the wider noir mediascape of television graphic novels and radio Reflects the historical and geographical reach of film noir from the 1920s to the present and in a variety of national cinemas Includes contributions from both established and emerging scholars **A Comprehensive Encyclopedia of Film Noir** John Grant, 2023-09-21 Featuring rumpled PIs shyster lawyers corrupt politicians double crossers femmes fatales and of course losers who find themselves down on their luck yet again film noir is a perennially popular cinematic genre This extensive encyclopedia describes movies from noir's earliest days and even before looking at some of noir's ancestors in US and

European cinema as well as noir's more recent offshoots from neonoirs to erotic thrillers. Entries are arranged alphabetically covering movies from all over the world from every continent save Antarctica with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013), via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008) and thousands more. A Comprehensive Encyclopedia of Film Noir is an engrossing and essential reference work that should be on the shelves of every cinephile. A History of American Movies Paul Monaco, 2023-06-14. In *A History of American Movies: A Film by Film Look at the Art, Craft, and Business of Cinema* Paul Monaco provides a survey of the narrative feature film from the 1920s to the present. The book focuses on 170 of the most highly regarded and recognized feature films selected by the Hollywood establishment: each Oscar winner for Best Picture as well as those voted the greatest by members of the American Film Institute. By focusing on a select group of films that represent the epitome of these collaborations, Monaco provides an essential history of one of the modern world's most complex and successful cultural institutions: Hollywood. Divided into three sections: Classic Hollywood (1927-1948), Hollywood In Transition (1949-1974), and The New Hollywood (1975 To The Present), Monaco examines some of the most memorable works in cinematic history including *The General*, *Wings*, *Bringing Up Baby*, *Gone with the Wind*, *Citizen Kane*, *Casablanca*, *On the Waterfront*, *The Searchers*, *Psycho*, *West Side Story*, *The Godfat*. *Uncontained* Elizabeth A. Wheeler, 2001. In the post-war era, American urban fiction was dominated by the imagery of containment. This book offers a critique of this familiar story evident in the noir narratives of James M. Cain and in work by Ellison, Roth, Salinger, Percy, Capote, and others. **Bette And Joan: THE DIVINE FEUD** Shaun Considine, 2015-01-29. An absolute must-read. VANITY FAIR. Bette Davis and Joan Crawford, two of the deadliest arch-rivals of all time. Born in the same year, though Davis swore Crawford is five years older than me. If she's a day, the two fought bitterly throughout their long and brilliant Hollywood careers. Joan became a star first, which always irked her rival, who suggested her success had come via the casting couch. It sure as hell beats the hard cold floor. Was Crawford's scathing response. According to Davis, Crawford was not only a nymphomaniac but also vain, jealous, and about as stable and trustworthy as a basket of snakes. Crawford, in turn, accused Davis of stealing her glory and planning to destroy her. The two rivals fought over as many men as they did parts when Bette fell in love with her co-star in *DANGEROUS*. Franchot Tone. Joan stepped in and married him. The women worked together only once in the classic thriller *WHATEVER HAPPENED TO BABY JANE*, in which their violent hatred of each other as rival sisters was no act. Shaun Considine's story of the two divas is vastly informative and in parts hilarious. SUNDAY TELEGRAPH. Fascinating and vastly entertaining. All you want is more. TIME OUT. Considine's well-researched book is an account of one of Hollywood's most extraordinary relationships. DAILY EXPRESS. A Scurrilously readable twin biography. MAIL ON SUNDAY. Considine's dual biography is a guilty pleasure. SUNDAY HERALD.

Brilliant outrageous and hysterical Suranne Jones Star of BBC One's Doctor Foster **Criminal Femmes Fatales in American Hardboiled Crime Fiction** Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny *The Recursive Frontier* Michael Docherty, 2024-05-01 The Recursive Frontier is an innovative spatial history of both the literature of Los Angeles and the city itself in the mid twentieth century Setting canonical texts alongside underexamined works and sources such as census bulletins and regional planning documents Michael Docherty identifies the American frontier as the defining dynamic of Los Angeles fiction from the 1930s to the 1950s Contrary to the received wisdom that Depression era narratives mourn the frontier's demise Docherty argues that the frontier lives on as a cruel set of rules for survival in urban modernity governing how texts figure race space mobility and masculinity Moving from dancehalls to offices to oil fields and beyond the book provides a richer more diverse picture of LA's literary production during this period as well as a vivid account of LA's cultural and social development as it transformed into the multiethnic megalopolis we know today **Violence in American Popular Culture** David Schmid, 2015-11-02 This timely collection provides a historical overview of violence in American popular culture from the Puritan era to the present and across a range of media Few topics are discussed more broadly today than violence in American popular culture Unfortunately such discussion is often unsupported by fact and lacking in historical context This two volume work aims to remedy that through a series of concise detailed essays that explore why violence has always been a fundamental part of American popular culture the ways in which it has appeared and how the nature and expression of interest in it have changed over time Each volume of the collection is organized chronologically The first focuses on violent events and phenomena in American history that have been treated across a range of popular cultural media Topics include Native American genocide slavery the Civil Rights Movement and gender violence The second volume explores the treatment of violence in popular culture as it relates to specific genres for example Puritan execution sermons dime novels television film and video games An afterword looks at the forces that influence how violence is presented discusses what violence in pop culture tells us about American culture as a whole and speculates about the future Billy Wilder, Movie-Maker Karen McNally, 2014-01-10 Billy Wilder's work remains a masterful combination of incisive social commentary skilled writing and directing and unashamed entertainment value One of Hollywood's foremost emigre filmmakers Wilder holds a key position in film history via films that represent a complex reflection of his European roots and American cultural influences This wide ranging collection of essays by an international group of scholars examines the significance of Wilder's filmmaking from a variety of original perspectives Engaging with issues of genre industry representation and national culture the volume provides fresh insights into Wilder's films and opens up his work to further exploration
