Figure Drawing Jake Spicer, 2021-07-29 Figure Drawing is structured like an art school course and is every bit as rewarding. Artists and Illustrators Informative and instructive, this comprehensive guide will give you all the tools you need to draw the human figure from life and from a screen. While many books focus on just one aspect of figure drawing, this manual unites the skills of observation, expression and understanding in one coherent approach. Beginning with the key principles of observation, Figure Drawing will help you to build a strong foundation of skills to make well observed, proportionally accurate drawings. As the book progresses, you will explore processes and exercises that move beyond the purely observed to express the gesture, form and substance of your model. Photographic and illustrative examples throughout the book support your learning at every step. Clear step by step tutorials provide a practical understanding of the key materials, skills and ideas in figure drawing. A comprehensive anatomical reference section, broken down into manageable zones, deepens your knowledge of the human form. The book is a Swiss bound paperback designed to lie flat when open and in use. **You Will be able to draw faces by the end of this book** Jake Spicer, 2018-08-07 The face is one of the most rewarding and enjoyable subjects to draw. In this cleverly conceived series, experienced artist and teacher Jake Spicer brings the drawing lessons to you using his innovative and easy to follow methods. Follow the simple lessons on the page and practice them straight away in the book. From basic facial structures to techniques to help you master detail, Jake will accompany you on your journey with straightforward advice and lots of tricks to help you develop your skill. Draw Cats in 15 Minutes Jake Spicer, 2014-03-03 With their luxurious fur and distinctive markings, you might think that drawing cats is an impossible challenge. Not so.
