Bernard Perona adopted the name **Drunvalo Melchizedek** after studying at the "Alpha and Omega Order of Melchizedek" in Vancouver, Canada. Drunvalo Melchizedek is a new age spiritual authority.

The belief system of Drunvalo Melchizedek is based on the premise that through **meditation** the human being is able to access sources of information (the **Akashik Records**) and receive guidance about his/her **spiritual advancement**, to clear his mind and body and to achieve higher levels of awareness.

Drunvalo's active spiritual life has began when he learned to access a different kind of consciousness through meditation, as a result of which two light beings (angels) appeared to him, and have been his companions ever since. By their guidance, Drunvalo has been led to meet and receive knowledge from more than 80 different benefactors around the world, who shared with him their knowledge about the **many facets of spirituality**, and mainly – different kinds of **meditation-techniques**.
