Summary of The E-Myth Revisited Alexander Cooper,2021-11-03 Summary of The E Myth Revisited Why Most Small Businesses Don t Work and What to Do About It A Comprehensive Summary PART 1 HOW PEOPLE APPROACH BUSINESS Gerber explains his key principles in the first chapter He says there are many new businesses started by technicians people skilled at what they know and love doing Many new business owners think that because they know how the technical parts of the business work they will also understand how a technical business works In reality these two are completely different issues After this the author explains what it takes to build a business Gerber says that to build a business we need an entrepreneur manager and technician Each of these

roles is important to the development and success of a business After this the author explains three phases of business growth The first phase is infancy the second is expansion and the third is maturity To be continued Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **SUMMARY - The E-Myth Revisited: Why Most Small Businesses Don't Work And What To Do About It By Michael E. Gerber** Shortcut Edition,2021-06-01

Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will discover the secrets of a small business that works and understand why so many startups fail You will also discover that working hard and being an efficient technician is not enough to build a viable business a business needs a vision clear goals and a rigorously defined method to achieve them the franchise model where every business is anchored in a clearly codified concept and operation is a reference example the core of a company s offering is not the product it seeks to sell but the experience or benefit it offers to the customer a business should not represent the center of its creator s universe but a means to achieve the life he desires and a reflection of the values that animate it Of the number of businesses that are being set up every day many do not manage to survive Yet many are based on interesting ideas and carried by competent and determined people Unfortunately their idea of entrepreneurship is sometimes inadequate A good product and a lot of work is not enough to succeed A company must be built as a true concept which requires vision and method Buy now the summary of this book for the modest price of a cup of coffee **Summary: The E-Myth Revisited** BusinessNews Publishing,2013-02-15
