Double Dexter Dexter Book 6:

Double Dexter Jeff Lindsay, 2011-10-18 NATIONAL BESTSELLER The Dexter series continues with a deadly duel with a copycat The Killer Character That Inspired the Hit Showtime Series Dexter Dexter is displeased Like any self respecting totally decent soundly homicidal guy Dexter Morgan takes great pride in his work and is careful to remain anonymous So he is naturally upset to discover that someone has identified him and worst of all is now turning his own methods against him The situation soon becomes more complicated when a brutal cop killer begins targeting Miami s police detectives leaving behind bodies that are battered beyond recognition and stoking the department s worst fears As his colleagues grow more paranoid of the psychotic killer in their midst Dexter s position is increasingly perilous He is running out of time to track down this copycat and deliver his usual special justice before his dark hobby is revealed to the world **Law and Justice on the Small Screen** Peter Robson, Jessica Silbey, 2012-08-01 Law and Justice on the Small Screen is a wide ranging collection of essays about law in and on television In light of the book s innovative taxonomy of the field and its international reach it will make a novel contribution to the scholarly literature about law and popular culture Television shows from France Canada the United Kingdom Germany Spain and the United States are discussed The essays are organised into three sections 1 methodological questions regarding the analysis of law and popular culture on television 2 a focus on genre studies within television programming including a subsection on reality television and 3 content analysis of individual television shows with attention to big picture jurisprudential questions of law s efficacy and the promise of justice The book s content is organised to make it appropriate for undergraduate and graduate classes in the following areas media studies law and culture socio legal studies comparative law jurisprudence the law of lawyering alternative dispute resolution and criminal law Individual chapters have been contributed by among others Taunya Banks Paul Bergman Lief Carter Christine Corcos Rebecca Johnson Stefan Machura Nancy Marder Michael McCann Kimberlianne Podlas and Susan Ross with an Introduction by Peter Robson and Jessica Silbey Quicklet on Dexter Season 1 (TV Show) David Michael Beaudrie, 2012-03-14 ABOUT THE BOOK Dexter broke new grounds for Showtime in multiple ways It debuted strong with more than 600 000 viewers during the premiere and its finale set a Showtime record with an audience of over a million people However Dexter s success was not strictly a matter of numbers Serial killers are traditionally villains in TV and film but author Jeff Lindsay created a serial killer who lived in more shades of grey His original novel *Darkly Dreaming Dexter* allowed the reader to sympathize with main character Dexter Morgan and the show maintained the book s darker tones Dexter embraced the concept of the anti hero and took it to further extremes than most shows are willing to That is one advantage to the show airing on Showtime instead of a broadcast network because the show creators have more creative freedom without worrying about censors Editors recut the show for airing on CBS after the ratings success on Showtime and due to programming holes left in the CBS schedule from the writer s strike in 2008 Dexter is currently entering its seventh season on Showtime MEET THE AUTHOR Dave Beaudrie

is a graduate and valedictorian of Michigan State University with a B A in Advertising He also studied Theatre and has performed in multiple productions around the country He is a professional screenwriter as well with several projects either produced or in pre production He is licensed as a security specialist in the state of California and worked in the field for several years Beaudrie is an avid mixed martial arts fan and has written extensively on the subject He writes comedy as well under a pen name and resides in Los Angeles

EXCERPT FROM THE BOOK The casting of Dexter was vital to the show s success and producers found a star in Michael C Hall Fresh off his work in the HBO series Six Feet Under and an accomplished stage actor Hall had proven himself worthy of emotionally demanding roles but the question remained as to whether he could anchor a series himself The answer was a resounding yes as Hall s intense performance created a cultural icon the likes of which hadn t been seen on television before Hall was charismatic and funny even while playing a relatively emotionless character without a real sense of humor The supporting cast was up to the task as well with Jennifer Carpenter and Julie Benz standing out as the two women in Dexter s life Carpenter brought a humor and neurosis to Dexter s foster sister Debra that was an effective counter balance to Dexter s stoicism Benz s Rita was a good hearted woman who desperately wanted to love Dexter but didn t know if she knew how Dexter first used Rita as a smokescreen to appear normal to the outside world but eventually developed a genuine affection and sense of responsibility for both her and her kids which he himself thought he was incapable of doing The cast was rounded out by David Zayas as Angel the closest thing Dexter has to a friend in his life and Erik King as Sgt Doakes who suspects Dexter of illegal activity but can t prove anything Lauren Velez played Dexter s flirtatious superior Lt Maria LaGuerta who had a bone to pick with Debra and who was often a better politician than a cop Dexter s conscience is kept in check by the memory of his adopted father Harry played warmly by James Remar Dexter embraced the concept of the anti hero and took it to further extremes than most shows are willing to That is one advantage to the show airing on Showtime instead of a broadcast network because the show creators have more creative freedom without worrying about censors Editors recut the show for airing on CBS after the ratings success on Showtime and due to programming holes left in the CBS schedule
