**Movement and Gifts of the Spirit Under a Microscope** Don Polson,2017-03-02 There have been many books written on this topic but this book is sure to be different than any you have read before All who have read the manuscript said they gained new insights into these spiritualities The author takes a look at the modern charismatic movement from its start at Azusa Street and follows it to what it has grown into today His point is that to be a truth seeker you cant be afraid to take these issues head on He discusses the baptism in the Holy Spirit a totally different view on gifts true biblical empowerment strength through weakness the Paul model and thirty three things we receive the instant we become Christians The last and hardest chapter to write was the topic of the modern day tongues movement Is it biblical Is there a real and a counterfeit and how can it be tested based on the Bible Fighting for My Destiny How I Learned to Pray to Get What I Need Maurine

McFarlane,2020-08-27 This book is about my personal journey of rediscovering my faith and belief in God my willingness to let go of all my preconcieved ideas about God that was preventing me from fulfilling my destiny and my willingness to transform my mind to the mind of Christ **Evangelical Bible Doctrine** Dr. Keith Sherlin,2015-12-10 Over twenty one

faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr

Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come The Anti-Supernatural Bias of Ex-Christians Fred Deruvo,2009-05 A phenomenon is happening today at an alarming rate More and more people are boldly proclaiming that they are no longer Christians but ex Christians Many are now in fact atheists Can this be true If they are non Christians now were they truly Christians to begin with They will state without equivocation that they were in fact committed Christians but no longer What is the deal The author investigates this and other areas related to the biblical salvation even dedicating a number of chapters in which he reviews and critiques the book Why I Became an Atheist by John W Loftus The Christian turned atheist s line of thinking and resultant statements merely creates more questions questions that deserve to be answered Join Fred as he works his way through the conundrum of statements and questions posed by the ex Christian Satan's Strategy to Curse Christ's Congregation Andy Woods,Keith A. Sherlin,2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem **Interpreting The Bible Literally** Fred DeRuvo,2009-04-02 Those who understand the Bible in literal terms are constantly accused of not understanding the Bible in

literal terms Someone will point to the word all or this or that and charge that the Literalist does not take those words literally therefore they are not truly understanding the Bible in literal terms Is there any truth to this Does the Literalist strive to understand the literal meaning of the Bible and by doing so is he required to understand every word in its most literal sense The author sets out to show that within language while not all words phrases and verbiage are to be taken literally all meaning derived from those same words phrases and verbiage is to be taken literally It is the actual meaning that matters What s the difference Is the Literalist simply pulling the wool over everyone else s eyes in order to make the Bible say what they want it to say      **Andrea Carter and the Family Secret** Susan K. Marlow, Even after dealing with escaped convicts and wild horses Andi isn t prepared for her latest surprise a sister she never knew she had      *The Truth About Judaism & Judeo-Christianity* CROSSFIRE,2017-01-05 In this book learn the difference between Judaism Judeo Christianity and Christianity Find out just what each is and how they compare to each other A lot of information packed into this one short book It is a treasure of information for those who seek and love truth      *His Name Is Yeshua* Leo Vanderploeg,2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God s Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I ve met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I ve even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today s church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo      **A Book of Evidence** Nancy L. Kuehl,2013-03-08 Jesus was a Jew living in a Jewish culture and under Jewish laws laws that governed the people of Israel at a time of conflict with their Roman overlords A Book of Evidence takes into consideration the history of first century Jerusalem and is a unique presentation of the passion event written from a Jewish legal standpoint Find out why and how Jesus came to trial how the politics of the age and a corrupt government played a role in bringing him to death An examination of the numerous crimes of which Jesus was accused results in a reasonable explanation of the real blasphemy

that caused him to be executed and an investigation into crucifixion as it was known during first century Jewish law Was the Jewish trial legal Was it a trial at all Was there a Roman trial or a simple hearing Where was the real execution site and burial tomb All these questions are answered in this gripping book Follow step by step along the path of Jesus during the Passover from the Garden of Gethsemane through the trials to the brutality of the execution and on to the garden tomb at Bethphage from which he was resurrected

Dr. Billy Lindsey,2016-03-14 This book is definitely a book on prophecy It starts with the church age and ends with an understanding of the millennium It is not intended to be an in depth study of any of the topics covered However the writer believes the reader will come away with his appetite for more in depth study of many of the topics topics that are not often dealt with to the satisfaction of the reader Topics such as the resurrected body dress transformation of the saints seven years in heaven I cant wait the throne worship and fellowship The chapter on the seventy five days is so exciting Have you ever thought about ruling and reigning with King Jesus There are some things that have to happen between now and the Rapture Perhaps both the Psalm 83 and Ezekiel 38 and 39 wars will take place It is so interesting to try to place these wars with all thats taking place in the world today Then there is the millennium when the saints will rule and reign with King Jesus for one thousand years Hallelujah I cant wait
