Souljah *The Coldest Winter Ever* Midnight A Gangster Love Story and Midnight and the Meaning of Love *A Good Investment?* Amy Brown, 2015-11-15 Select students and teachers worked the room at a fundraising event for a New York City public high school Amy Brown calls College Preparatory Academy It was their job to convince wealthy attendants that College Prep with its largely minority and disadvantaged student body and its unusually high rate of graduation and college acceptance was a worthy investment To this end students and teachers tried to seem needy and deserving hoping to make supporters feel generous important and not threatened How much Brown asks does competition for financing in urban public schools depend on marketing and perpetuating poverty in order to thrive And are the actors in this drama deliberately playing up stereotypes of race and class A Good Investment offers a firsthand look behind the scenes of the philanthropic approach to funding public education a process in which social change in education policy and practice is aligned with social entrepreneurship The appearance of success equity or justice in education Brown argues might actually serve to maintain stark inequalities and inhibit democracy Her book shows that models of corporate or philanthropic charity in education can in fact reinforce the race and class hierarchies that they purport to alleviate As their voices reveal the teachers and students on the receiving end of such a system can be critically conscious and ambivalent participants in a school's racialized marketing and image management Timely and provocative this nuanced work exposes the unintended consequences of an education marketplace where charity masquerades as justice *Urban Teens in the Library* Denise E. Agosto, Ph.D., Sandra Hughes-Hassell, 2010-01-26 From a team of experts who have researched the information habits and preferences of urban teens to build better and more effective school and public library programs Hiphop Literacies Elaine Richardson, 2006-11-22 This cutting edge account explores rap and Hiphop discourse within a trajectory of Black discourses Looking at music videos websites and billboards it highlights how Black youth read the world they inhabit **The Cambridge Companion to Contemporary African American Literature** Yogita Goyal, 2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers **We Speak for Ourselves** D. Watkins, 2019-04-23 From the row houses of Baltimore to the stoops of Brooklyn the New York Times bestselling author of *The Cook Up* lays bare the voices of the most vulnerable and allows their stories to uncover the systematic injustice threaded within our society Honest and eye opening the pages of *We Speak for Ourselves* are abundant with wisdom and wit integrity and love not to mention enough laughs for a stand up comedy routine Mitchell S Jackson author of *Survival Math* Watkins introduces you to Down Bottom the storied community of East Baltimore that holds a mirror to America's poor black neighborhoods hoods that could just as easily be in Chicago Detroit Oakland or Atlanta As Watkins sees it the perspective of people who live in economically disadvantaged black communities is largely absent from the commentary of many top intellectuals who speak and write about race Unapologetic and sharp witted D Watkins is here to tell the truth as he has seen it *We Speak for Ourselves* offers an in depth analysis of inner city hurdles and honors the stories therein We sit in

underfunded schools walk the blocks burdened with police corruption stand within an audience of Make America Great Again hats journey from trap house to university lecture and rally in neglected streets And we listen Watkins has come to remind us everyone deserves the opportunity to speak for themselves Jason Reynolds New York Times bestselling author and serves hope to fellow Americans who are too often ignored and calling on others to examine what it means to be a model activist in today s world We Speak for Ourselves is a must read for all who are committed to social change
