Helden oder Henker? Udo Witzens,2022-10-26 Although many historical figures have in the past been glorified as heroes in the context of national narratives today they are being scrutinized and critically examined in the wake of worldwide anti racism protests In contrast to traditional value neutral historiography ethical and moral standards are now being applied The darker sides of previously celebrated protagonists are therefore also now coming into view and they may now appear for example as figures symbolizing imperial aggression and colonialist exploitation However before we summarily condemn these national heroes and topple them from their pedestals we need a precise picture of their deeds and misdeeds To provide this Udo Witzens portrays 16 exemplary figures in world history from Alexander the Great to Winston Churchill to Aung San Suu Kyi

World War II: Book of Lists Chris Martin,2011-11-30 Everything you ever wanted to know about the Second World War from the highest rated fighter aces to the most inventive escape equipment used to break out of Colditz from army pay by rank to the largest battleships from the most stirring speeches to the biggest tactical errors from the strangest regimental mottoes to the plays most performed by ENSA and from the dates each country joined the war to the most unlikely spies All the major events and dates in the war are

covered in detail but equal emphasis is placed on the human experience of combat Often poignant and always revealing World War II the Book of Lists offers a unique insight into the deadliest conflict in human history *In Churchill's Shadow* David Cannadine, 2003 With *In Churchill's Shadow* David Cannadine offers an intriguing look at ways in which perceptions of a glorious past have continued to haunt the British present often crushing efforts to shake them off The book centers on Churchill a titanic figure whose influence spanned the century Though he was the savior of modern Britain Churchill was a creature of the Victorian age Though he proclaimed he had not become Prime Minister to preside over the liquidation of the British Empire in effect he was doomed to do just that And though he has gone down in history for his defiant orations during the crisis of World War II Cannadine shows that for most of his career Churchill's love of rhetoric was his own worst enemy Cannadine turns an equally insightful gaze on the institutions and individuals that embodied the image of Britain in this period Gilbert Sullivan Ian Fleming Noel Coward the National Trust and the Palace of Westminster itself the home and symbol of Britain's parliamentary government This superb volume offers a wry sympathetic yet penetrating look at how national identity evolved in the era of the waning of an empire **Winston Churchill's American Cousin and Other Tales** Scot Walker, 2001-05 We walked and we walked and it seemed like hours before we finally made it to the cemetery and since it was the first cemetery Eddie and Robert had ever visited it took a lot of enticing to lure them in Stop bawling Aunt Katie screamed as she grabbed her sons by their scrawny arms and started to drag them through the half opened gates We're only going to be here a few minutes to meet your grandpa and then we'll go home Well the minute Eddie heard the words meet your grandpa he let out a scream that could have awakened grandpa from his twenty year nap And as soon as Eddie started bawling Robert grabbed hold of the iron gate with a resolution that would have done Hercules proud Meanwhile I decided that maybe it wasn't such a good idea to say hi to grandpa after all Maybe we should just toss the pretty plastic flowers over the fence and run like hell We're not going to see grandpa my mother said we're just going to pay him a little respect He's dead and he's buried and he's going to stay that way Now get a grip and follow me
