*Not Afraid of the Antichrist* Michael L. Brown,Craig S. Keener,2019-03-19 Despite the popular theology of our day Christians should not expect to get out of experiencing the tribulation or the end times Nowhere in the Bible does the Lord promise us this say Michael Brown and Craig Keener two leading acclaimed Bible scholars In fact they say Jesus promises us tribulation in this world Yet this is no reason to fear In this fascinating accessible and personal book Brown and Keener walk you through what the Bible really says about the rapture the tribulation and the end times What they find will leave you full of hope God s wrath is not poured out on His people and He will shield us from it as he shielded Israel in Egypt during the ten plagues So instead of taking comfort in what God hasn t promised take comfort in the words of Jesus He has overcome the world and we live in his victory

**Marks of the Beast** Glenn W. Shuck,2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan s proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey s 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds

It's All About the Weddings Dr. Joseph A. Herr, 2023-10-05 I wake up every morning wanting more and more of God I have fallen in love with Him and can't get enough of Him I know without question that if I rightly divide the Word 2 Timothy 2:15 then I will eliminate all confusion and questions in the Word But I was challenged by a theologian whom I respect highly He said These scriptures are problematic for the rapture I was confident that I could find the answer but was hitting a block wall I asked God for the answer Little did I know He would wake me at 2:00 a.m. to give it to me The answer He gave me has changed my spiritual life dramatically and has allowed me to see several of the divine secrets He has left to illuminate His Word and to reveal truths that allow us to see Him and His plan in a brand new light The intent of this book is to reveal those secrets which have totally changed my perspective in so many important areas throughout the entire Bible I now have an understanding that goes far past the literal meaning into the spiritual intimacy of what God intended in areas like the family of God Jesus the way salvation grace communion the rapture the tribulation the millennium the entire book of Revelation and maybe most importantly I now see our relationship with God the Father in a totally different light I feel what Paul prayed for us all in Ephesians 1:17-18 that I have been given the spirit of wisdom and revelation in Him and that my eyes have been enlightened My eyes have been opened to a part of the Word that has changed the way I view all scriptures now My hope is that by reading and learning about these divine secrets your spiritual life will be impacted like mine has been God bless

*Asteroid Answers to Ancient Calendar Mysteries* Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today

Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity
