## **Classic Christianity A Systematic Theology By Thomas C Oden:**

**Classic Christianity** Thomas C. Oden, 2009-08-04 For the first time Thomas Oden's Systematic Theology classic series individually titled *The Living God*, *The Word of Life* and *Life in the Spirit* is available in one complete volume. A renowned theologian Oden provides a consensus view of the Christian faith delving deeply into ancient Christian tradition and bringing to the contemporary church the best wisdom from its past. In this magisterial work Oden tackles the central questions of Christian belief and the nature of the trinity. Written for clergy, Christian educators, religious scholars, and lay readers alike, *Classic Christianity* provides the best synthesis of the whole history of Christian thought. Part one explores the most intriguing questions of the study of God: Does God exist? Does Jesus reveal God? Is God personal, compassionate, free, and presents answers that reflect the broad consensus culled from the breadth of the church's teachers. It is rooted deeply and deliberately in scripture but confronts the contemporary mind with the vitality of the Christian tradition. Part two addresses the perplexing Christological issues of whether God became flesh, whether God became Christ, and whether Christ is the source of salvation. Oden details the core beliefs concerning Jesus Christ that have been handed down for the last two hundred decades, namely who he was, what he did, and what that means for us today. Part three examines how the work of God in creation and redemption is being brought to consummation by the Holy Spirit in persons, through communities, and in the fullness of human destiny. Oden's magisterial study not only treats the traditional elements of systematical theology but also highlights the foundational exegeses throughout history. Covering the ecumenical councils and early synods, the great teachers of the Eastern church tradition including Athanasius and John Chrysostom, and the prominent Western figures such as Augustine, Ambrose, Thomas Aquinas, Martin Luther, and John Calvin, this book offers the reader the fullest understanding of the Christian faith available.

**After Modernity-- What?** Thomas C. Oden, 1992 This vigorous and incisive critique of modernity lights the path to recovering the revitalizing heritage of classical Christianity.

**Christian Theology** Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction. Adam Harwood's *Christian Theology* is both biblically faithful and historically informed, providing a fresh synthesis of the essential doctrines of the faith. Writing from a Baptist perspective, Harwood brings fresh insights that many systematic theologies lack. With readable prose, suggestions for further study, and discussion questions, *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why.

**The Dialectics of Mission** Elmer A. Guzman, 2023-09-15 Drawing on the resources of contemporary systematic theologians Kevin Vanhoozer and Veli-Matti Kärkkäinen, Elmer A. Guzman explores the generative dimension of mission for the formation of doctrine for a church that needs to witness in a pluralistic world. Guzman argues that understanding doctrinal formation and development depends on the missional dimension of doctrinal hermeneutics. In other words, these theological concepts and practices are justified based on the negotiation between theological sources, identity markers, and the context's diversity.

markers This book shows how perspectives arising from the structural elements in theological methodology shed fresh light on missional theology and the interconnections between the doctrinal loci in theology

**Exploring Christian Theology : Volume 1** ,2014-11-11 The Foundations of Theology in Everyday Language Dallas Seminary professors Nathan Holsteen and Michael Svigel are passionate about the key doctrines of Christianity They want readers to know why they re important and why they matter This volume includes two parts How Firm a Foundation Revelation Scripture and Truth God in Three Persons Father Son and Holy Spirit The authors explore these important topics in a concise and highly readable style that makes sense whether you re a student of the Bible a pastor or someone who simply wants to know God better For each topic you ll find An introduction overview and review of the key points Several applicable Bible texts including verses to memorize A quick paced history of the doctrine Distortions to be aware of and avoid Reading lists for further study A glossary of theological terms Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect A great way to get acquainted with key biblical theological themes Darrell Bock Senior Research Professor Dallas Theological Seminary

Abraham's Dice Karl W. Giberson,2016-04-18 Most of us believe everything happens for a reason Whether it is God s will karma or fate we want to believe that nothing in the world especially disasters and tragedies is a random meaningless event But now as never before confident scientific assertions that the world embodies a profound contingency are challenging theological claims that God acts providentially in the world The random and meandering path of evolution is widely used as an argument that God did not create life Abraham s Dice explores the interplay between chance and providence in the monotheistic religious traditions looking at how their interaction has been conceptualized as our understanding of the workings of nature has changed This lively historical conversation has generated intense ongoing theological debates and provocative responses from science what are we to make of the history of our universe where chance and law have played out in complex ways Or the evolution of life where random mutations have challenged attempts to find purpose within evolution and convinced many that human beings are but a glorious accident The enduring belief that everything happens for a reason is examined through a conversation with major scholars among them holders of prestigious chairs at Oxford and Cambridge Universities and the University of Basel as well as several Gifford lecturers and two Templeton prize winners Organized historically Abraham s Dice provides a wide ranging scientific theological and biblical foundation to address the question of providence and divine action in a world shot through with contingency

**The Transforming Fire of Divine Love** John H. Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is

perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe

**The Unique Beliefs of the Jehovah's Witnesses** David Bridges,2016-01-16 Dr David Bridges examines and explains the core beliefs of the Jehovah s Witnesses and their origins This book offers a detailed essay of the teachings of the Watchtower Society from their own viewpoint and a comparative mainstream Christian theology is then offered for consideration The information in this book will prepare householders lay ministers and clergy to discuss their faith with Jehovah s Witnesses in an informed manner Back cover

**Love Your God with All Your Mind** J.P. Moreland,2014-03-14 We know that faith means being sure of what we hope for and certain of what we do not see Hebrews 11 1 NIV Love Your God with All Your Mind explains the importance of using your mind not only to win others to Christ but also to experience personal spiritual growth Author J P Moreland challenges you to use logic and reason to further God s kingdom through evangelism apologetics worship and vocation This revised edition includes expanded appendixes and three new chapters that outline how to reason for the reality of God and the historicity of Jesus life teachings death and resurrection Ecclesial Leadership as Friendship Chloe Lynch,2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry A Grammar of Holy Mystery Larry Hart,2023-03-10 A Grammar of Holy Mystery is about Christian spirituality It is about mysticism as a firsthand encounter with the presence of God unfathomable unnamable mysterious fulfilling It is about classical Christianity the way of transforming truth found in Christ taught in Scripture lived by saints sages and mystics and passed on as a sacred trust through the centuries Being neither liberal nor conservative but simply Christian it is

ecumenical in spirit For those traumatized by harsh or shallow churches A Grammar of Holy Mystery points the way out and shows the way to a faith that renews the mind restores the spirit and gladdens the heart *What Can Be Known About God Is Plain* Tyler Taber,2024-12-16 Why is God's existence not more obvious Why does he seem hidden This is commonly known as the Problem of Divine Hiddenness In What Can be Known about God is Plain Tyler Taber seeks to elucidate these questions from a Christian perspective Drawing from the work of noted Christian philosopher Alvin Plantinga Taber addresses the Problem of Divine Hiddenness with theological acumen as well as with resources from the Reformed tradition Taber argues that the problem has an answer when these questions are analyzed in conjunction with Plantinga's epistemology and alongside certain Reformed doctrines for instance the doctrines of general revelation sin's noetic effects the internal witness of the Holy Spirit and so forth **An Introduction to Theological Anthropology** Joshua R. Farris,2020-04-21 In this thorough introduction to theological anthropology Joshua Farris offers an evangelical perspective on the topic Farris walks the reader through some of the most important issues in traditional approaches to anthropology such as sexuality posthumanism and the image of God He addresses fundamental questions like Who am I and Why do I exist He also considers the creaturely and divine nature of humans the body-soul relationship and the beatific vision

*Evangelism and Social Concern in the Theology of Carl F. H. Henry* Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F. H. Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic *Eat the Bible* Micah E. Chung,2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user's manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theatrical script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one

drawn from the Bible itself namely that of Scripture as food      What Comes Next Trevor Wayne Rolls Jr.,2019-03-28 People who want to live Christian lives know they are supposed to read the Bible After all it is God s Word Despite their best intentions many quickly find themselves lost or even confused when they begin reading Nobody ever really knows what the Bible is when they first start reading it and given the cultural gap and difference of a few thousand years most people probably don t know what to do with it Author Trevor Wayne Rolls Jr is ready to help you navigate and understand the Word of God What Comes Next Voyaging the Bible is just that a voyage into the Bible to explore some of the basic topics a curious seeker may be interested in Drawing from academic texts such as Geisler s systematic theology to more popular readings such as Strobel s Case for the Real Jesus What Comes Next pulls the best from more than twenty sources to create a beginner s guide to the Bible Of course the book isn t solely for beginners but is intended to serve as a launchpad for anyone wishing to go deeper into the Word of God What Comes Next is a reverential spiritually rich book that will help you grow on your journey with Christ Based on a combination of scriptures and personal observations formed through years of Bible study and prayer the author s insights and uplifting words are sure to resonate with and inspire you      *Power, Politics and the Fragmentation of Evangelicalism* Kenneth J. Collins,2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps      **RetroChristianity** Michael J. Svigel,2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith      **Contemplating God with the Great Tradition** Craig A. Carter,2021-04-20 Southwestern Journal of Theology 2021 Book of the Year Award Theological Studies 2021 Book Award The Gospel Coalition Honorable Mention Academic Theology Following his well received *Interpreting Scripture with the Great Tradition* Craig Carter presents the biblical and theological foundations of trinitarian classical theism Carter a leading Christian theologian known for his provocative defenses of classical approaches to doctrine critiques the recent trend toward modifying or rejecting classical theism in favor of modern relational understandings of God The book includes a short history of trinitarian theology from its patristic origins to the modern period and a concluding appendix provides a brief summary of classical

trinitarian theology Foreword by Carl R Trueman      **Ancient Christian Commentary on Scripture CD-ROM Complete Set** Thomas C. Oden, 2010-09-17 Included here from series editor Tom C Oden is the full text of all twenty nine commentaries from the Ancient Christian Commentary on Scripture Arranged canonically each volume allows the living voices of the church in its formative centuries to speak as they engage the sacred page of Scripture Now even more accessible in digital format this series will prove an uncommon companion for theological interpretation spiritual reading and wholesome teaching and preaching
