

## **VOCABULARY: (almost) all the words you need!**

- 10- In order to pass your exam, you need a good grasp of English vocabulary, both basic and advanced. To this end, your English teacher has compiled lists of the most important words.
- 11- All words are presented in context, i.e. in example sentences, with the relevant word replaced by the symbol **...**.
- 12- When studying, fold away the left-hand column, then read the sentences until you are able to come up with the missing word. The right-hand columns are there to give you hints or related words and expressions.
- 13- It is essential that you write down all the missing words - just being able to say them is not enough!
