■ **Management** was the controlling factor in the case's gross negligence claim, according to the federal district court in Chicago, but it left out the health-care workers' negligence, according to the state's federal appeals court.

Along with your research on what the future looks like, it's important that those technologies address the right situation. For example, for a company as big as Google, getting information from people and using it to make decisions, for example, is a lot more important than the other way around.

■ **Abstracts** from all 17 journals are available in the *Journal of Management Education* abstracts section. The abstracts are available in both print and online formats. The online format is available at <http://jme.sagepub.com>. The print format is available in the *Journal of Management Education* abstracts section.
