

Personnel Management	Human Resource Management
It means management of people employed	It means management of employee's skills, abilities, knowledge, talents. Aptitude etc.
Employees are treated as economic man his services are exchanged for wages and salary.	Employees are treated as economic, social and psychological man.
Employees are treated as commodity, which can be used and purchased.	Employees are treated as resources
It is Cost centered therefore management tries to control the cost.	It is profit centered therefore investments in human resources for future utility purpose.
Employees are used for organizational benefit.	In HRM, employees are used for mutual benefit.
Personnel function is treated as auxiliary function i.e. no separate function or department it is treated as routine work.	It is treated as upper level management forms strategic function i.e. proper strategies.
