**Diplomacy By Deception** John Coleman,2023-11-23 The history of how the United Nations was created is a classic case of Diplomacy by deception The United Nations is the successor to the defunct League of Nations the first attempt to set up a One World Government in the wake of the Paris Peace Conference which gave birth to the Treaty of Versailles The peace conference opened at Versailles France on January 18 1919 attended by 70 delegates representing the international bankers from the 27 victorious allied powers It is a fact that delegates were under the direction of the international bankers from the time they were selected as delegates until they returned to their own countries and even long after that Let us be perfectly clear the peace conference was about bleeding Germany to death it was about securing huge sums of money for the international brigand bankers who had already reaped obscene rewards alongside the terrible casualties of the five year war 1914 1919 Britain alone suffered 1 000 000 deaths and more than 2 000 000 wounded It is estimated by war historian Alan Brugar that the international bankers made a profit of 10 000 from every soldier who fell in battle Life is cheap when it comes to the Committee of 300 Illuminati Rothschilds Warburg Federal Reserve bankers who financed both sides of the war
