Guillem Achermann

Diplomacy Henry Kissinger Epub Ebook Read:

Diplomacy Henry Kissinger, 1994 A brilliant sweeping history of diplomacy that includes personal stories from the noted former Secretary of State including his stunning reopening of relations with China The seminal work on foreign policy and the art of diplomacy Moving from a sweeping overview of history to blow by blow accounts of his negotiations with world leaders Henry Kissinger describes how the art of diplomacy has created the world in which we live and how America s approach to foreign affairs has always differed vastly from that of other nations Brilliant controversial and profoundly incisive Diplomacy stands as the culmination of a lifetime of diplomatic service and scholarship It is vital reading for anyone concerned with the forces that have shaped our world today and will impact upon it tomorrow [World Order by Henry Kissinger - A 30-minute Instaread Summary](#) Instaread Summaries, 2014-10-15 PLEASE NOTE This is a summary of the book and NOT the original book World Order by Henry Kissinger A 30 minute Instaread Summary Inside this Instaread Summary Overview of the entire book Introduction to the important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader s Perspective Preview of this summary Chapter 1 In many early societies order was created and maintained by central leadership rather than through the self rule of states Leaders in China and Islam fought for power Other regions experienced chaos and frustration as they tried to establish order Europe uniquely allowed different regions within the whole to rule themselves Leaders felt this would allow their people to celebrate and balance their own interests The fall of the Roman Empire shattered the rules that Roman citizens had always lived by Romans began to focus on Christianity which was governed by the government and the church Charlemagne Roman emperor in 800 vowed to defend the church at all cost The Empire disintegrated under his rule due to several civil wars The emperor of Rome was elected by princes in unfair elections and there was a constant struggle for power between the Pope and the emperor making the concept of order seem completely out of reach Prince Charles of Habsburg became Holy Roman emperor after Charlemagne Charles focused on protecting and exalting the Roman Catholic Church He was unable to do so when Protestantism swept across the region By the fifteenth century European explorers began traveling in search of wealth and fame Soon an increased focus on the individual and reason rather than the Church spread through Europe As the Thirty Years War raged on between Catholics and Protestants France appointed Cardinal de Richelieu as the chief minister of France Richelieu wanted to use the balance of power to help structure foreign policy He believed that the divisions within Europe were important and focused on centralizing France s government to maintain a balance of power [Henry Kissinger and American Power](#) Thomas A. Schwartz, 2020-08-25 Henry Kissinger and American Power effectively separates the man from the myths The Christian Science Monitor Best Books of the Month The definitive biography of Henry Kissinger at least for those who neither revere nor revile him Over the past six decades Henry Kissinger has been one of America s most lavishly praised and most reviled public figures He was hailed as a miracle worker for his peacemaking in the Middle East

pursuit of détente with the Soviet Union negotiation of an end to the Vietnam War and secret plan to open the United States to China He was assailed from both the left and the right for his complicity in the pointless sacrifice of American and Vietnamese lives indifference to human rights and reliance on deception and intrigue Was he a brilliant master strategist the 20th century's greatest 19th century statesman Robert Kaplan *The Atlantic* or a cold blooded monster who eroded America's moral standing for the sake of self promotion In this masterfully researched biography the renowned diplomatic historian Thomas A Schwartz offers an authoritative and evenhanded answer to this question While other biographers have engaged in hagiography or demonology Schwartz takes a measured view of his subject He recognizes Kissinger's important successes and insights into the foreign policy issues of his time but also acknowledges his failures his penchant for backbiting and his reliance on ingratiating and fawning praise of the president as a source of his own power Throughout Schwartz stresses Kissinger's artful invention of himself as a celebrity diplomat and his domination of the medium of television news He also notes Kissinger's sensitivity to domestic and partisan politics complicating and undermining the image of the far seeing statesman who stood above the squabbles of popular strife Rounded and textured and rich with new insights into key dilemmas of American policy Henry Kissinger and American Power is an essential guide to a man whose legacy is as complex as the last sixty years of U S history itself

The National Security Enterprise Harvey Rishikof, Roger Z. George, 2011 Recent breakdowns in American national security have exposed the weaknesses of the nation's vast overlapping security and foreign policy bureaucracy and the often dysfunctional interagency process In the literature of national security studies however surprisingly little attention is given to the specific dynamics or underlying organizational cultures that often drive the bureaucratic politics of U S security policy *The National Security Enterprise* offers a broad overview and analysis of the many government agencies involved in national security issues the interagency process Congressional checks and balances and the influence of private sector organizations The chapters cover the National Security Council the Departments of Defense and State the Office of the Director of National Intelligence the Central Intelligence Agency the Federal Bureau of Investigation the Department of Homeland Security and the Office of Management and Budget The book also focuses on the roles of Congress the Supreme Court and outside players in the national security process like the media think tanks and lobbyists Each chapter details the organizational culture and personality of these institutions so that readers can better understand the mindsets that drive these organizations and their roles in the policy process Many of the contributors to this volume are long time practitioners who have spent most of their careers working for these organizations As such they offer unique insights into how diplomats military officers civilian analysts spies and law enforcement officials are distinct breeds of policymakers and political actors To illustrate how different agencies can behave in the face of a common challenge contributors reflect in detail on their respective agency's behavior during the Iraq War This impressive volume is suitable for academic studies at both the undergraduate and graduate level ideal for U S government military and national security

training programs and useful for practitioners and specialists in national security studies *The National Security Enterprise* Roger Z. George, Harvey Rishikof, 2011-01-01 Recent breakdowns in American national security have exposed the weaknesses of the nation's vast overlapping security and foreign policy bureaucracy and the often dysfunctional interagency process. In the literature of national security studies, however, surprisingly little attention is given to the specific dynamics or underlying organizational cultures that often drive the bureaucratic politics of U.S. security policy. *The National Security Enterprise* offers a broad overview and analysis of the many government agencies involved in national security issues: the interagency process, Congressional checks and balances, and the influence of private sector organizations. The chapters cover the National Security Council, the Departments of Defense and State, the Office of the Director of National Intelligence, the Central Intelligence Agency, the Federal Bureau of Investigation, the Department of Homeland Security, and the Office of Management and Budget. The book also focuses on the roles of Congress, the Supreme Court, and outside players in the national security process, like the media, think tanks, and lobbyists. Each chapter details the organizational culture and personality of these institutions so that readers can better understand the mindsets that drive these organizations and their roles in the policy process. Many of the contributors to this volume are long-time practitioners who have spent most of their careers working for these organizations. As such, they offer unique insights into how diplomats, military officers, civilian analysts, spies, and law enforcement officials are distinct breeds of policymakers and political actors. To illustrate how different agencies can behave in the face of a common challenge, contributors reflect in detail on their respective agency's behavior during the Iraq War. This impressive volume is suitable for academic studies at both the undergraduate and graduate level, ideal for U.S. government, military, and national security training programs, and useful for practitioners and specialists in national security studies.

United States Marine Corps - The Basic School - Warrant Officer Basic Course Materials, Over 2,200 total pages. WARRANT OFFICER BASIC COURSE WOBC 1-18 INFORMATION. Congratulations on your selection as a Warrant Officer of Marines. You are about to embark upon a truly remarkable journey as an officer of Marines. That journey begins with your successful completion of the Warrant Officer Basic Course WOBC at The Basic School TBS in Quantico, Virginia. Warrant Officers and Title 10 Warrant Officer WO is an appointed rank, vice a commissioned one. Chief Warrant Officers, Marine Gunners, and Recruiting Officers are commissioned. All Chief Warrant Officers and Warrant Officers must successfully complete the WOBC in order to retain their appointment or commission. Title 10 U.S.C. Section 1165 states: THE SECRETARY OF THE NAVY HAS THE AUTHORITY TO TERMINATE THE REGULAR APPOINTMENT OF ANY PERMANENT REGULAR WO AT ANY TIME WITHIN THREE YEARS AFTER THE DATE WHEN THE OFFICER ACCEPTED HIS ORIGINAL PERMANENT APPOINTMENT. A MARINE WHOSE APPOINTMENT IS TERMINATED MAY, UPON HIS REQUEST AND AT THE DISCRETION OF THE SECRETARY OF THE NAVY, BE ENLISTED IN A GRADE NOT LOWER THAN THAT HELD IMMEDIATELY PRIOR TO APPOINTMENT. THEREFORE, THE FIRST THREE YEARS AS A WO IS

A PROBATIONARY PERIOD AND THE APPOINTMENT TO WO WILL BE TERMINATED IF A MARINE DOES NOT COMPLETE THE REQUIREMENTS OF THE WOBC

WOBC MISSION STATEMENT Train and educate newly appointed warrant officers in the high standards of professional knowledge esprit de corps and leadership required to transition from enlisted Marine to officer with particular emphasis on the duties responsibilities and warfighting skills required of a provisional rifle platoon commander

The Warrant Officer Basic Course The WOBC is an eighteen week course that focuses on the transition from enlisted Marine to Marine officer

TBS and the WOBC focus on five horizontal themes that define expectations of all Marine Officers

- 1 a man woman of exemplary character
- 2 devoted to leading Marines
- 3 able to decide communicate and act in the fog of war
- 4 a Warfighter who embraces the Corps warrior ethos
- 5 mentally strong and physically tough

The universal concept that Marine Officers must be able to assess situations weigh the pros and cons of various decisions make a decision develop a plan communicate that plan effectively and supervise its execution is stressed and exercised throughout the course

The course will teach the science and art required for service of Marine Officers with an emphasis on decision making throughout

Provisional infantry and planning subjects are together used as the means or vehicle to teach and evaluate this process

Since all students are evaluated on leadership as Marine Officers physical mental and emotional stress are incorporated throughout the course in order to evaluate the ability to lead in chaotic and stressful environments

Some individuals will be pushed close to their failing point but the WOBC is designed to give students an opportunity to display positive leadership qualities in the face of adversity

The WOBC is not a check in the block It is a course designed to provide students with the learning experiences necessary to effectively transition to service as a Marine Officer

Students who do not successfully complete the course face a variety of administrative actions including repetition of the course recycle to a six month lieutenant Basic Officer Course revocation of appointment or separation from the service

The WOBC curriculum is an academically rigorous provisional infantry and staff planning based program of instruction

POI which consists of approximately 935 hours of formal instruction

The POI includes classroom instruction field exercises sand table exercises and discussion groups

Classroom instruction is designed around the flipped classroom model

[Nixon's Back Channel to Moscow](#)

Richard A. Moss, 2017-01-17

An in depth study of the secret communications that led to unprecedented thaw between Cold War superpowers quite gripping and wonderfully revealing

Jeremi Suri author of Liberty's Surest Guardian

The détente between the United States and the Soviet Union was among the Nixon administration's most significant foreign policy successes

The diplomatic back channel that national security advisor Henry Kissinger established with Soviet ambassador Anatoly Dobrynin became the most important method of achieving this thaw in the Cold War

While Kissinger preferred back channels for streamlining communications and preventing leaks these methods were widely criticized by State Department officials left out of the loop and by an American public weary of executive secrecy

Richard A. Moss's penetrating study documents and analyzes US Soviet back channels from Nixon's inauguration through the May 1972

Moscow Summit He traces the evolution of confidential diplomacy and examines major flashpoints including the 1970 crisis over Cienfuegos Cuba the Strategic Arms Limitations Talks SALT US dealings with China deescalating tensions in Berlin and the Vietnam War Moss argues that while the back channels improved US Soviet relations in the short term the Nixon Kissinger methods provided a poor foundation for lasting policy Employing newly declassified documents the Nixon tapes and the complete record of the Kissinger Dobrynin channel Moss reveals the behind the scenes deliberations of Nixon his advisers and their Soviet counterparts This is the first scholarly study to comprehensively assess the central role of confidential diplomacy in shaping America s foreign policy during this critical era

Henry

Kissinger Foreign Policy E-book Boxed Set Henry Kissinger, 2013-09-24 This ebook boxed set includes the following 3 books by Henry Kissinger detailing America's approach to foreign policy

Crisis By drawing upon hitherto unpublished transcripts of his telephone conversations during the Yom Kippur War 1973 and the last days of the Vietnam War 1975 Henry Kissinger reveals what goes on behind the scenes at the highest levels in a diplomatic crisis

Does America Need A Foreign Policy With a new afterword by the author that addresses the situation in the aftermath of September 11 this thoughtful and important book written by America's most famous diplomatist explains why we urgently need a new and coherent foreign policy and what our foreign policy goals should be in this new millennium

In seven accessible chapters Kissinger provides a crystalline assessment of how the United States ascendancy as the world's dominant presence in the twentieth century may be effectively reconciled with the urgent need in the twenty-first century to achieve a bold new world order

Diplomacy Moving from a sweeping overview of history to blow-by-blow accounts of his negotiations with world leaders Henry Kissinger describes how the art of diplomacy has created the world in which we live and how America's approach to foreign affairs has always differed vastly from that of other nations

This is vital reading for anyone concerned with the forces that have shaped our world today and will impact upon it tomorrow

China and Its Small Neighbors Sung Chull Kim, 2023-03-01 In *China and Its Small Neighbors* Sung Chull Kim examines the political implications of the economic asymmetry between China and its small neighbors part of wider changes in international relations brought about by the rise of China

While being critical of the current trend that focuses on the China-U.S. rivalry alone Kim argues that a microanalysis of China's advances toward its neighbors is a guide to understanding the trajectory of China's expanding influence and transitions in world politics

more broadly Economic asymmetry as seen in trade concentration non transparency and reliance on bilateral aid has made China's small neighbors vulnerable on the political front thus generating potential threats to their sovereignty and independence

Because China has the upper hand in the bilateral relationships these weak states practice dual core hedging as a strategy for survival They hedge on China for expected economic benefits and at the same time hedge against their powerful neighbor to mitigate the risks involved in that hedging on Each small state's mode of hedging depends on its degree of vulnerability and its availability of policy instruments such as multilateral institutions and bilateral partnerships with extra regional powers

Eighteen Days in October Uri Kaufman, 2023-08-29 One of Financial Times Best History Books of 2023

Pacy and enthralling Financial Times Impressive an excellent work of history

Commentary Tells the story brilliantly

Senator Joseph I. Lieberman Stimulating and insightful will no doubt find a permanent place on the Arab-Israeli bookshelf

Michael Oren New York Times bestselling author of *Six Days of War*

October 2023 marks the 50th anniversary of the Yom Kippur War a conflict that shaped the modern Middle East

The War was a trauma for Israel a dangerous superpower showdown and following the oil embargo a pivotal reordering of the global economic order

The Jewish State came shockingly close to defeat

A panicky cabinet meeting debated the use of nuclear weapons

After the war Prime Minister Golda Meir resigned in disgrace

and a 9 11 style commission investigated the debacle But argues Uri Kaufman from the perspective of a half century the War can be seen as a pivotal victory for Israel After nearly being routed the Israeli Defense Force clawed its way back to threaten Cairo and Damascus In the war s aftermath both sides had to accept unwelcome truths Israel could no longer take military superiority for granted but the Arabs could no longer hope to wipe Israel off the map A straight line leads from the battlefields of 1973 to the Camp David Accords of 1978 and all the treaties since Like Michael Oren s Six Days of War this is the definitive account of a critical moment in history Psychology of a Superpower Christopher Fettweis,2018-05-15 With the collapse of the Soviet Union the United States was left as the world s sole superpower which was the dawn of an international order known as unipolarity The ramifications of imbalanced power extend around the globe including the country at the center What has the sudden realization that it stands alone atop the international hierarchy done to the United States In Psychology of a Superpower Christopher J Fettweis examines how unipolarity affects the way U S leaders conceive of their role make strategy and perceive America s place in the world Combining security strategy and psychology Fettweis investigates how the idea of being number one affects the decision making of America s foreign policy elite He examines the role the United States plays in providing global common goods such as peace and security the effect of the Cold War s end on nuclear weapon strategy and policy the psychological consequences of unbalanced power and the grand strategies that have emerged in unipolarity Drawing on psychology s insights into the psychological and behavioral consequences of unchecked power Fettweis brings new insight to political science s policy analysis toolkit He also considers the prospect of the end of unipolarity offering a challenge to widely held perceptions of American indispensability and asking whether the unipolar moment is worth trying to save Psychology of a Superpower is a provocative rethinking of the risks and opportunities of the global position of the United States with significant consequences for U S strategy character and identity **Kissinger's Shadow** Greg Grandin,2015-08-25 A new account of America s most controversial diplomat that moves beyond praise or condemnation to reveal Kissinger as the architect of America s current imperial stance In his fascinating new book Kissinger s Shadow acclaimed historian Greg Grandin argues that to understand the crisis of contemporary America its never ending wars abroad and political polarization at home we have to understand Henry Kissinger Examining Kissinger s own writings as well as a wealth of newly declassified documents Grandin reveals how Richard Nixon s top foreign policy advisor even as he was presiding over defeat in Vietnam and a disastrous secret and illegal war in Cambodia was helping to revive a militarized version of American exceptionalism centered on an imperial presidency Believing that reality could be bent to his will insisting that intuition is more important in determining policy than hard facts and vowing that past mistakes should never hinder future bold action Kissinger anticipated even enabled the ascendance of the neoconservative idealists who took America into crippling wars in Afghanistan and Iraq Going beyond accounts focusing either on Kissinger s crimes or accomplishments Grandin offers a compelling new interpretation of the diplomat s continuing influence on how the United

States views its role in the world *Foreign Policy: Thinking Outside the Box* Amitai Etzioni, 2016-07-01 This collection of essays by renowned scholar Amitai Etzioni aims to provoke reconsiderations of basic assumptions of foreign policy by students academics and practitioners With chapters focusing on the Middle East China and the EU as well as articles with a more global focus the book offers thought provoking and insightful perspectives on international foreign policy which challenge existing academic debate in the field It will be of great interest to students scholars and practitioners of foreign policy and international relations

Justice and World Order George Andreopoulos, Henry F Carey, 2022-04-28 This book critically assesses the impact of Richard A Falk s scholarship which has spanned nearly six decades and addressed key issues at the intersections of international law and relations Falk has offered powerful insights on the nature and reach of international law international relations and the structure of their respective processes in order to assess the main challenges to the creation of a just world order the path breaking concept which he has helped to develop Continuing in the critical spirit that has informed Richard s work as a scholar and a public intellectual this book reflects a multiplicity of perspectives and approaches in the analysis and assessment of these selected themes This volume looks at four key themes of Falk s work International Law and International Relations Theories and Concepts War Peace and Human Security Social and Political Justice and The Scholar as Citizen and Activist This will be a useful book for scholars and students of international law global governance political theory and international relations theory and for those studying human security international organizations and transnational activism

De aftocht van een wereldmacht Vali Nasr, 2013-11-08 Ten tijde van de eerste regering Obama werkte Vali Nasr als diplomaat op het ministerie van Buitenlandse Zaken In een genadeloos portret laat hij zien hoe die regering de unieke kans om de relaties in het Midden Oosten te verbeteren verspeelde Diplomatieke reuzen als Richard Holbrooke en Hillary Clinton dolven het onderspit tegen de lobby s van de inlichtingendiensten en het Pentagon terwijl China en Rusland hun invloed in het Midden Oosten gestaag uitbreidden Nasr neemt ons mee achter de schermen van het ministerie naar de onderhandelingstafel en maakt pijnlijk duidelijk dat Amerika alle adviezen van de leiders in het Midden Oosten in de wind sloeg Nauwgezet toont hij aan dat binnenlandse politiek voor Obama belangrijker was dan internationale veiligheid

L'entrepreneur et le politique en Russie post-soviétique Guillem Achermann, 2021-05-24 T02:00:00+02:00 Partant du postulat que l émergence d entrepreneur est troitement li e un milieu en particulier il s agit ici de s interroger sur la gen se des entrepreneurs des conomies postsovi tiques Entre 1991 et 1999 le nombre d entreprises enregistr es a t multipli par 10 en Russie la t te de ces entreprises il y a des personnes issues de la nomenclatura comme du reste de la soci t sovi tique Ils se distinguent par leurs comportements de r volutionnaires d innovateurs de calculateurs d opportunistes de pr dateurs ou de marginaux Ces entrepreneurs sont ils vraiment n s dans la transition conomique La p riode de transition institutionnelle a t elle t un catalyseur du processus entrepreneurial ou juste un processus d institutionnalisation d une pratique commun ment connue et mobilis e par les agents conomiques pour s adapter
