Support Work Relationships Deborah Luise Lutz,2020-03-03 Deborah Luise Lutz explores support work relationships the relationships between people with intellectual disabilities in receipt of a personal budget and their support workers Through the methodology of Institutional Ethnography she specifically investigates how personal budget policies that organize support work in Germany and Australia influence support work relationships She found that the policies of personal budgets are connected to people s views and expectations about the support work relationship and the support work context that influence the relationship The author argues that disability research policy and practice need to be cognisant of this interconnection to improve the quality of support work relationships

Disability, Happiness and the Welfare State Hisayo Katsui,Matti T. Laitinen,2024-03-26 This book looks at disability as an evolving social phenomenon Disability is created through the interaction between persons with impairments and their environment Exploring these experiences of persons with disabilities and discussing universality and particularity in our understanding of assumed development and normalcy it takes Finland which has been chosen repeatedly as the happiest country in the world as its case

study Using disability as a critical lens helps to demystify Finland that has the positive reputation of a Welfare State By identifying different kinds of discrimination against persons with disabilities as well as successful examples of disability inclusion it shows that when looking Finland from the perspective of persons with disabilities inequality and poverty have been collective experiences of too many of them It will be of interest to all scholars and students of disability studies sociology social policy social work political science health and well being studies and Nordic studies more broadly The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Intellectual Disabilities - E-Book Helen Atherton, Debbie Crickmore, 2022-03-13 This leading textbook previously known as Learning Disabilities aims to further the practice of professionals and agencies who support people with intellectual disabilities It emphasizes the strengths rather than deficits of people with intellectual disabilities highlights the crucial role of family and friends and places individuals firmly at the heart of everything that impacts them Intellectual Disabilities Toward Inclusion centres on the concepts of respecting the personhood of people with intellectual disabilities and their rights to holistic health and to live their best lives Most of the 27 chapters are co authored by respected international authors and the content has been fully updated to reflect contemporary policy legislation and service configuration This unique text will challenge and reframe typically held views and provides an international focus that recognizes we have much to learn from the experiences and perspectives of other nations around the world Comprehensive overview of the field relevant to contemporary practice Content organized around three central themes Who am I Maximizing my health Living my best life Well written and accessible Artwork and perspectives of people with intellectual disabilities bring content to life Authors from a range of

professional backgrounds representing Australia Austria Germany Iceland Ireland Malta the Netherlands Norway South Africa Spain the UK and the United States Activities case studies diagrams and useful web links Additional material in an online resource complements reader activities found throughout the text Citizenship Inclusion and Intellectual Disability Niklas Altermark, 2017-11-09 What happens when a group traditionally defined as lacking the necessary capacities of citizenship is targeted by government programs that have made citizenship inclusion their main goal Combining theoretical perspectives of political philosophy social theory and disability studies this book untangles the current state of Western intellectual disability politics following the replacement of state institutionalisation by independent and supported living individual rights and self determination Taking its cue from Foucault's conception of biopolitics denoting the government of the individuals and the totality of the population its overarching argument is that the ambiguous positioning of people with intellectual disabilities with respect to the ideals of citizenship results in a regime of government that simultaneously includes and excludes people of this group On the one hand its members are projected to become ideal citizens via the cultivation of citizenship capacities On the other the right to live independently and by their own choices is curtailed as soon as they are seen as failing with respect to the ideals of reason and rationality Therefore coercion restraints and paternalism which were all supposed to end with deinstitutionalisation are still ingrained in services targeting the group In equal parts a theoretical work advancing debates of critical disability theory social theory and post structural philosophy as well as an empirical engagement with the history of intellectual disability politics and the ways in which present day politics target the group this book will be of interest to all students and scholars of disability studies disability politics and political theory

The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
