Discerning The Spirit Of Absalom In The Local Church

Dr. Richard Lee Smith

Discerning The Spirit Of Absalom In The Local Church:

Training Spirit-Filled Local Church Leaders for the Twenty-First Century Ray Miller, 2021-08-23 Who decides what your church local or denominational will look like twenty five or thirty years from now How can you ensure that your church will continue to fulfill its God given purpose in the next generation What can be done now to reverse negative trends in ministry such as pastoral burnout Much of the answer to these questions about pastors and other local church leaders is tied to the training they receive Training Spirit Filled Local Church Leaders for the Twenty First Century encourages all stakeholders in ministry training educators pastors and other local church leaders church members and those who sense God is calling them to ministry to prayerfully consider the foundational issues that determine the effectiveness and relevance of a ministry training program These foundational issues are What is the local church really What is spiritual leadership What is ministry training What is the role of the Holy Spirit in all this What did effective training look like in the past and what might it look like in the twenty first century Fruit of the Spirit Dr. Richard Lee Smith, 2016-09-19 Fruit of the Spirit Discerning Gods Expectation in the Local Church is based on the following scriptural text But the fruit of the Spirit is love joy peace patience kindness goodness faithfulness gentleness and self control Gal 5 22-23 NIV Originally this was my PhD dissertation To provide resource materials for pastors and laypersons in sermon and Bible study preparations My intent is to give a thorough theologically based discussion and understanding of the fruit of the spirit as defined in Galatians 5 22-23 I will weave together scripture with lively illustrations from personal experiences selected quotes and stories My hope for the reader is to better discern Gods expectation of these fruit in your life and in the local church *Blood and Fire* Margaret M. Poloma, Ralph W. Hood, Jr., 2008-11-01 What does it mean to live out the theology presented in the Great Commandment to love God above all and to love your neighbor as yourself In *Blood and Fire* Poloma and Hood explore how understandings of godly love function to empower believers Though godly love may begin as a perceived relationship between God and a person it is made manifest as social behavior among people *Blood and Fire* offers a deep ethnographic portrait of a charismatic church and its faith based ministry illuminating how religiously motivated social service makes use of beliefs about the nature of God s love It traces the triumphs and travails associated with living a set of rigorous religious ideals providing a richly textured analysis of a faith community affiliated with the emerging church movement in Pentecostalism one of the fastest growing and most dynamic religious movements of our day Based on more than four years of interviews and surveys with people from all levels of the organization from the leader to core and marginal members to the poor and addicts they are seeking to serve *Blood and Fire* sheds light on the differing worldviews and religious perceptions between those who served in as well as those who were served by this ministry *Blood and Fire* argues that godly love the relationship between perceived divine love and human response is at the heart of the vision of emerging churches and that it is essential to understand this dynamic if one is to understand the ongoing reinvention of American Protestantism in the twenty first century The Current , 1885

Breaking the Spirit of Absalom David Copeland, 2009-05 There have been a multitude of books and sermons preached about the different spirits affecting people in this day Jezebel Python Athaliah and Delilah are just some of the spirits Scripture reveals are at work in our midst in the 21st century church A multitude of ministers and churches are feeling the pressure to buy into programs and ideas the Holy Spirit never told them to be a part of And when that happens an Absalom is born in their lives and ministries In this book David reveals the characteristics of an Absalom how it gains a hold in our lives and the reason we must break it s authority over us so we can walk in the individual anointing God has called us all to carry

Discerning of spirits REV. VICTOR

D'MONTE, 2019-12-09 We live in a day where people are searching for supernatural experiences This has led to a lot of deception both in the World as well as within the Church Not only did Jesus warn His disciples concerning false prophets but the first century Apostles also warned the Church of these prophets and teachers who went about deceiving sincere Christians The need of the hour is to be spiritually alert so that we don t fall victim to deception Discerning of spirits and false prophets is written for this very reason to equip the Body of Christ to discern the disruptive ways of the enemy We trust that this book will help you to understand how the gift of discerning of spirits operates concerning false prophets prophecies angelic visitations and the spirit of Jezebel
