### **Chapter1:P5**

Q:Jem threw open the gate and sped to the side of the house, slapped it with his palm and ran back past us, not waiting to see if his foray was successful. Dill and I followed on his heels. Safely on our porch, panting and out of breath, we looked back.

(E)By depicting Jem and the other two kids' actions, such as "sped", "slapped", "out of breath" the author highlight the common characteristic of these 3 kids—curious and audacious. Also, the author want to show us the naughty nature of little kids.

### **Chapter2:P21**

Q:Miss Caroline apparently thought I was lying. "Let's not let our imaginations run away with us, dear," she said. "Now you tell your father not to teach you any more. It's best to begin reading with a fresh mind. You tell him I'll take over from here and try to undo the damage."

"Your father does not know how to teach. You can have a seat now."

(R)I think the author is trying to tell us that at that time, teacher is a special and 'superior' career. Most of the teachers think that they are superior than other people, because there are only few people that can read in old times. Thus those teachers think no one has the aptitude to teach.

### **Chapter3:P29**

Q:"First of all," he said, "if you can learn a simple trick, Scout, you'll get along a lot better with all kinds of folks. You never really understand a person until you consider things from his point of view—" "Sir?" "—until you climb into his skin and walk around in it."

(C)The advice that Atticus gave Scout is very valuable because it can help you get on well with others. When I was in middle school, I always think that I could understood people's thought, but actually I couldn't. Thus I made a lot of misunderstood among my classmates. Now I realize that it is actually impossible for you to understand a person completely.

### **Chapter4:P41**

Q:Indeed, they were an endless Project that slowly evolved into a Unit, in which miles of construction paper and wax crayon were expended by the State of Alabama in its well-meaning but fruitless efforts to teach me Group Dynamics.

(E)The government didn't know how to teach the kids in country side. They applied the teaching method that is used in big city mechanically to the country side, causing this awkward situation.
