Planetary Modernisms Susan Stanford Friedman, 2015-08-18 Drawing on a vast archive of world history anthropology geography cultural theory postcolonial studies gender studies literature and art Susan Stanford Friedman recasts modernity as a networked circulating and recurrent phenomenon producing multiple aesthetic innovations across millennia Considering cosmopolitan as well as nomadic and oceanic worlds she radically revises the scope of modernist critique and opens the practice to more integrated study Friedman moves from large scale instances of pre 1500 modernities such as Tang Dynasty China and the Mongol Empire to small scale instances of modernisms including the poetry of Du Fu and Kabir and Abbasid ceramic art She maps the interconnected modernisms of the long twentieth century pairing Joseph Conrad with Tayeb Salih E M Forster with Arundhati Roy Virginia Woolf with the Tagores and Aim C saire with Theresa Hak Kyung Cha She reads postcolonial works from Sudan and India and engages with the idea of N gritude Rejecting the modernist concepts of marginality othering and major minor Friedman instead favors rupture mobility speed networks and divergence elevating the agencies and creative capacities of all cultures not only in the past and present but also in the century to come

What Is Asian American Biblical Hermeneutics? Reading the New Testament Tat-siong Benny Liew, 2007-12-31 Liew is one of the most articulate creative and sophisticated biblical scholars in North America What Is Asian American Biblical Hermeneutics has not caused me to question that judgment A set of provocative questions arguments issues and problems the book opens a window onto what it means for human beings to try to negotiate a rather complex contemporary world with evidence of increasingly blurred but also thick ideological and social cultural boundaries and overlapping but also recognizable and isolable identity formations That Liew does this by using and bringing together the category Asian American and the phenomenon of the reading of the Bible as sharp analytical wedge is all the more fascinating This impressive book represents the collapse of the center and a major shift in orientation to the

peripheries It is a major achievement and a major challenge Vincent L Wimbush Claremont Graduate University A groundbreaking achievement Dr Liew uses his amazing breadth of scholarship to challenge Eurocentrism in biblical studies and secularism in Asian American studies at once Like Gender Trouble The Future of an Illusion and other original work this book will become a classic in Asian American biblical hermeneutics setting the terms of debate for years to come After Liew reading the New Testament will never be the same again Kwok Pui lan Episcopal Divinity School Cambridge Massachusetts This is the first single authored book on Asian American biblical interpretation It covers all of the major genres within the New Testament and broadens biblical hermeneutics to cover not only the biblical texts but also Asian American literature and current films and events like genome research and September 11 Despite its range the book is organized around three foci methodology the distinguishing characteristics or sensibilities of Asian American biblical hermeneutics community the politics of inclusion and exclusion and agency The work intentionally affirms Asian America as a panethnic coalition while acknowledging the differences within it In other words it attempts to balance Asian American panethnicity and heterogeneity or coalition building and identity politics

Transnationalism and Resistance: Experience and Experiment in Women's Writing Adele Parker, Stephenie Young, 2013 This study presents a unique collection of essays which focus on the relationships among form aesthetics and transnational women's writing produced in recent years The essays in this volume treat literary works from diverse cultures and geographies concentrating on the intersections of theory and literature This results in a wide spectrum of identities and texts including the work of Swedish poet Aase Berg the Indian translation market the Chicana novel creative non fiction by Croatian writer Dubravka Ugrešić and multilingual hybrid texts by Theresa Hak Kyung Cha in order to provide a framework for an overarching theory of transnationalism as it interacts with newer paradigms of gendered identity and the new forms of literature to which they contribute Transnationalism and Resistance offers a multifaceted approach to transnational studies and constitutes a cogent analysis of the ways in which women's writing informs contemporary global literary Production This volume is of interest for scholars in women's studies literature the social sciences cultural studies and all other fields that take an interest in writing that addresses contemporary global issues

Speaking Face to Face Pedro J. DiPietro, 2019-06-01 The first in depth analysis of the radical feminist theory and coalitional praxis of scholar activist Mar a Lugones Speaking Face to Face provides an

unprecedented in depth look at the feminist philosophy and practice of the renowned Argentinian born scholar activist Mar a Lugones Informed by her identification as nondiasporic Latina and US Woman of Color as well as her long term commitment to grassroots organizing in Chicana o communities Lugones s work dovetails with while remaining distinct from that of other prominent transnational decolonial and women of color feminists Her visionary philosophy motivates transformative modes of engaging cultural others inviting us to create political intimacies rooted in a shared yearning for interdependence Bringing together scholars and activists across fields this volume charts her profound impact in and beyond the academy for the past thirty years In so doing it exemplifies a new method of coalitional theorizing traversing racial ethnic sexual national gendered political and disciplinary borders in order to cultivate learning embrace heterogeneity and provide a unique framework for engaging contemporary debates about identity oppression and activism Across thirteen original contributions authors address issues of intersectionality colonial and decolonial subjectivities the multiplicity and the coloniality of gender indigenous spiritualities and cosmologies pluralist and women of color feminisms radical multiculturalism popular education and resistance to multiple oppressions The book also includes a rare interview with Lugones and an afterword by Paula Moya ultimately offering both new critical resources for longstanding admirers of Lugones and a welcome introduction for newcomers to her groundbreaking work This is an important contribution to Latinx studies Latina feminist philosophy queer studies and the burgeoning field of decolonial feminism a field that Lugones almost single handedly launched It is interdisciplinary but also a wonderful pedagogical resource It provides readers who are both familiar and unfamiliar with her work a thorough and judicious point of entry Eduardo Mendieta author of Global Fragments Globalizations Latinamericanisms and Critical Theory Democratic Anarchy Matthew Scully,2024-07-02 A dramatic and necessary rethinking of the meaning of Democracy Democratic Anarchy grapples with an uncomfortable but obvious truth inimical to democracy both aesthetics and politics depend on the structuring antagonism of inclusion and exclusion Yet in Democratic Anarchy Matthew Scully asks how can the people be represented in a way that acknowledges what remains unrepresentable What would it mean to face up to the constitutive exclusions that haunt U S democracy and its anxious fantasies of equality Synthesizing a broad range of theoretical traditions and interlocutors including Lacan Ranci re Edelman and Hartman Democratic Anarchy polemically declares that there has never been nor can there ever be a realized democracy in the U S because democracy always depends on the hierarchical institution of a formal order by one part of the population over another Engaging with an expansive corpus of American literature and art Harriet Jacobs Nathaniel Hawthorne Louis Zukofsky Thomas Pynchon Toni Morrison Theresa Hak Kyung Cha Nari Ward Ocean Vuong and Safiya Sinclair Democratic Anarchy argues that many liberal concepts and institutions are in fact structurally opposed to democratic equality because they depend on regulating what can appear and in what form By focusing on works that disrupt this regulatory impulse Scully shows how rhetorical strategies of interruption excess and disorder figure the anarchic equality that inegalitarian

fantasies of democracy disavow Democratic Anarchy develops a rigorous theory of equality that refuses to repeat the inequalities against which it positions itself and it does so by turning to moments of resistance both aesthetic and political inaugurated by the equality that inheres in and antagonizes the order of things
