leaders and football coaches In this uncertain and dynamic environment there are a few constants In this book you will find a clear and concise set of principles and fundamentals that will assist leaders in maintaining mission focus and focusing on the team Why will it help Today there is no shortage of leadership books consultants and experts We hear terms like servant authentic transformational adaptive etc These concepts are valid and important but they are focused on the conceptual not on the actionable A Philosophy of Muddy Boots Leadership provides a set of biblically based actionable principles for leaders The goal of the book is to provide overwhelmed understaffed leaders or mid level managers a set of techniques and processes that in times of stress and uncertainty will act as a blueprint for success This is not a checklist but a thought provoking set of guiding biblical principles that can be used every day **Spiritual Formation Is...** Rod Dempsey,Dave Earley,2018-08-01 Spiritual Formation Is challenges believers to grow upward inward and outward in their spiritual formation by loving God loving one another and loving our neighbors *The Cost of Cheap Grace* Bill Hull,Brandon Cook,2020-01-07 What is a Christian At the most basic level a Christian is a disciple of Jesus Christ And yet many Christians today couldn t tell you what a disciple of Jesus Christ is or would even think of themselves as disciples And yet in the Great Commission Jesus specifically called us to make disciples Everything else is secondary The Cost of Cheap Grace is an extended sweeping bold and bracing call to repentance for where we ve let secondary things subvert our commitment to discipleship and a compelling vision for discipleship as the basis of the gospel in all its world changing subversive power *Awake and Arise the Dying of the American Church* Dr. Stan Mars,2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey **The Generative Church** Cory Seibel,2019-10-10 Virtually all churches aim to invest meaningfully in the faith development of the younger generations who have been entrusted into their care Some churches have a longstanding track record of faithfulness in living out this commitment Some lose sight of this priority over time and allow their intentionality to fade This book makes a distinctive contribution to our understanding of children s youth and young adult ministries by appropriating Erik Erikson s concept of generativity the interest in establishing and guiding the next generation as a way of exploring congregational life Eleven accomplished authors representing five different countries provide diverse theological and cultural perspectives on key aspects of what it means for churches to invest intentionally in the faith development of the members of emerging

generations Their chapters challenge us to think about the intergenerational dynamics of our churches the crucial partnership between church and parents and what it means to involve young people meaningfully in the life of the church The intriguing topics explored by this group of authors and the diverse contexts from which they write promise to broaden and enrich our thinking about caring for children youth and young adults as a vital responsibility shared by the entire congregation

for Jesus      **Living Dangerously** Shawn D. Anderson, 2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus      **Magnificent Surrender** Roger Helland, 2012-01-25 God s kingdom is our true home but we ve picked up a habit of resisting it And when finally we do fall in most of us find we ve survived so long outside his kingdom that we ve lost all instinct for thriving in it That s where Roger Helland meets us Roger has thought long and studied hard on these matters He has pondered deeply what it means to be fully alive in Christ and for Christ and he s tested his insights in classrooms in churches with denominations but mostly in his own life In Magnificent Surrender he s distilled what he s learned into a field guide for kingdom living But Roger draws from an even deeper source His book derives its force and depth from Paul s letter to the Colossians Indeed Magnificent Surrender is an extended pastoral reflection on and application of that letter Colossians in four brief chapters presents the glory of Jesus Christ and the glory of a life wholly submitted to him It is a manifesto of the rich life Magnificent Surrender heralds that brilliantly It s a wise loving and sometimes stern invitation to read Colossians again with fresh eyes and fierce resolve It s also a challenge to take to heart its promise and its exhortation that we can and must live in through with and for Christ who is all and in all supreme and sufficient Mark Buchanan from the Foreword      **The Disciple-Making Pastor** Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church      **Fulfilling the Great Commission** Nathan A.
