In *How I Discovered My Mother Was A Goddess*, Beverly Charles tells the poignant story of aging and dementia from the point of view of both the parent and child. At some times troubling and other times darkly comic, it provides a vision of a spiritual journey, one that is healing, authentic, and satisfying. In addition to offering us the story of a mother and daughter as they struggle with old age and death, Beverly moves more deeply into the psyche to understand the goddesses at work in herself and her mother during the various phases of life. This story enhances our understanding of the divine feminine. This book is for all those who have loved ones experiencing any form of dementia, as our intellectual connection diminishes, may we become more connected in our hearts. This book is also for women.
