**Anthony R. Cross**

## **Devangelical:**

Toward an Evangelical Public Policy Ronald J. Sider, Diane Knippers, 2005-02 Deepens thinking about biblical and other conceptual foundations for political engagement in order to unify and give consistency to evangelicals involvement in politics

The Westminster Handbook to Evangelical Theology Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms *Evangelical Christianity and Democracy in Latin America* Paul Freston, 2008-04-11 In Latin America evangelical Protestantism poses an increasing challenge to Catholicism s long established religious hegemony At the same time the region is among the most generally democratic outside the West despite often being labeled as underdeveloped Scholars disagree whether Latin American Protestantism as a fast growing and predominantly lower class phenomenon will encourage a political culture that is repressive and authoritarian or if it will have democratizing effects Drawing from a range of sources *Evangelical Christianity and Democracy in Latin America* provides case studies of five countries Brazil Peru Mexico Guatemala and Nicaragua The contributors mainly scholars based in Latin America bring first hand knowledge to their chapters The result is a groundbreaking work that explores the relationship between Latin American evangelicalism and politics its influences manifestations and prospects for the future *Evangelical Christianity and Democracy in Latin America* is one of four volumes in the series *Evangelical Christianity and Democracy in the Global South* which seeks to answer the question What happens when a revivalist religion based on scriptural orthodoxy participates in the volatile politics of the Third World At a time when the global political impact of another revivalist and scriptural religion Islam fuels vexed debate among analysts the world over these volumes offer an unusual comparative perspective on a critical issue the often combustible interaction of resurgent religion and the developing world s unstable politics **Evangelical**

**Christianity and Democracy in Africa** Terence O. Ranger, T. O. Ranger, 2008-04-17 What happens when a revivalist religion based on scriptural orthodoxy participates in the volatile politics of the Third World This volume considers the case of Africa the region with the world s fastest expanding population Christianity especially in its evangelical and Pentecostal forms has acquired many millions of new adherents in Africa in recent decades The attitudes and behavior of these believers could have vast consequences for growth development and democratization In his Introduction editor Terence Ranger

provides a historical overview The book then offers individual case studies of six countries Nigeria Zimbabwe South Africa Kenya Zambia and Mozambique The contributors mainly younger scholars based in Africa bring first hand knowledge to their chapters and employ both field and archival research to develop their data and analyses The result is a groundbreaking work that will be indispensable to everyone concerned with the future of this volatile region      **Evangelical Theories of Biblical**

**Inspiration** Kern Robert Trembath, 1987-12-03 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration In this provocative book Kern Robert Trembath reviews seven major evangelical explanations of inspiration and demonstrates that all either view the Bible itself as the actual recipient of inspiration or explain biblical authority on grounds more appropriate to the doctrine of God in effect investing the Bible with characteristics that properly belong only to God Building on the work of William Abraham Trembath constructs his own theory of inspiration one that regards inspiration as a tripartite concept involving the elements of initiator means and receiver He insists that only a human being can be the recipient of inspiration and that the Bible must therefore be understood as the means rather than the end of the process He goes on to articulate a new definition of biblical inspiration as a mediated enhancement of human experience by God through the Bible and argues that this new understanding of inspiration is most compatible with a Thomistic doctrine of God which insists that God's acts are mediated through the world rather than immediately occurring in it      **The Complete Idiot's Guide to Evangelical Christianity** David Cobia,

D.Min., 2007-04-03 The word on spreading the word The Evangelical Christian movement is the fastest growing segment of American religion with 42% of all Christians in America identifying themselves as Evangelicals Now Evangelical Pastor David Cobia shares the genesis history and culture of this religion in America with a balanced accessible tone He also touches upon the controversies it's spawned regarding such topics as school curriculum abortion gay rights and family structure Written both for those inside the movement and those wanting to know more it gives a clear factual portrait of what this growing Christian movement is all about Balanced positive yet objective tone and presentation of information Provides a complete history of the movement details about specific services and rituals and interviews with Evangelical Christians about their beliefs and lifestyles Discusses controversial topics and how Evangelical Christians feel about them      The Scandal of the

Evangelical Mind Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication The Scandal of the Evangelical Mind has turned

out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections

**Evangelical Christendom: A Monthly Chronicle of the Churches Vol. IX** Various, 1868 *Reports of the United German Evangelical Lutheran Congregations in North America, Especially in Pennsylvania ...*, 1880 [Evangelical America](#) Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of *Evangelical America* An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality

*Evangelical Ethics* David P. Gushee, Isaac B. Sharp, 2015-08-24 Just as it is impossible to understand the American religious landscape without some familiarity with evangelicalism one cannot grasp the shape of contemporary Christian ethics without knowing the contributions of evangelical Protestants This newest addition to the Library of Theological Ethics series begins by examining the core dynamic with which all evangelical ethics grapples belief in an authoritative inspired and unchanging biblical text on the one hand and engagement with a rapidly evolving and increasingly post Christian culture on the other It explores the different roles that scholars and popular figures have played in forming evangelicals understandings of Christian ethics And it draws together the contributions of both senior and emerging figures in painting a portrait of this diverse vibrant and challenging theological and ethical tradition This book represents the breadth of evangelical ethical voices demonstrating that evangelical ethics involves nuance and theological insight that far transcend any political agenda Contributors include David P Gushee Carl F H Henry Jennifer McBride Stephen Charles Mott William E Pannell John Perkins Soong Chan Rah Gabriel Salguero Francis Schaeffer Ron Sider Helene Slessarev Jamir Glen H Stassen Eldin Villafa e Allen Verhey Jim Wallis Nicholas Wolterstorff and John Howard Yoder The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts English language texts and translations that have fallen out of print new translations and collections of significant statements about problems and themes of special importance in an easily accessible form This series enables sustained dialogue on new and classic works in the field

**Evangelical Catholicism** George Weigel, 2014-04-22 The

Catholic Church is on the threshold of a bold new era in its two thousand year history As the curtain comes down on the Church defined by the 16th century Counter Reformation the curtain is rising on the Evangelical Catholicism of the third millennium a way of being Catholic that comes from over a century of Catholic reform a mission centered renewal honed by the Second Vatican Council and given compelling expression by Blessed John Paul II and Pope Benedict XVI The Gospel centered Evangelical Catholicism of the future will send all the people of the Church into mission territory every day a territory increasingly defined in the West by spiritual boredom and aggressive secularism Confronting both these cultural challenges and the shadows cast by recent Catholic history Evangelical Catholicism unapologetically proclaims the Gospel of Jesus Christ as the truth of the world It also molds disciples who witness to faith hope and love by the quality of their lives and the nobility of their aspirations Thus the Catholicism of the 21st century and beyond will be a culture forming counterculture offering all men and women of good will a deeply humane alternative to the soul stifling self absorption of postmodernity Drawing on thirty years of experience throughout the Catholic world from its humblest parishes to its highest levels of authority George Weigel proposes a deepening of faith based and mission driven Catholic reform that touches every facet of Catholic life from the episcopate and the papacy to the priesthood and the consecrated life from the renewal of the lay vocation in the world to the redefinition of the Church s engagement with public life from the liturgy to the Church s intellectual life Lay Catholics and clergy alike should welcome the challenge of this unique moment in the Church s history Weigel urges Mediocrity is not an option and all Catholics no matter what their station in life are called to live the evangelical vocation into which they were baptized without compromise but with the joy courage and confidence that comes from living this side of the Resurrection

*Evangelical Feminism* Pamela Cochran,2005 For most people the terms evangelical and feminism are contradictory Evangelical invokes images of conservative Christians known for their strict interpretation of the Bible as well as their support of social conservatism and traditional gender roles So how could an evangelical support feminism a movement that seeks at its most basic level to redress the inequalities injustice and discrimination that women face because of their sex Evangelical Feminism offers the first history of the evangelical feminist movement It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s how an internal split among members of the movement came about over the question of lesbianism and what these developments reveal about conservative Protestantism and religion generally in contemporary America Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values

*Evangelical Christendom* ,1880 *Memorial Volume of the Sesqui-centennial Services in St. Matthew's Evangelical Lutheran Church, Hanover, Penn'a, November 19th to 26th, 1893* St. Matthew's Evangelical Lutheran Church (Hanover, York County, Pa.),1893

**Recovering the Evangelical Sacrament** Anthony R. Cross,2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears

within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4 5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting

**Introducing Evangelical Theology** Daniel J. Treier, 2019-07-16 2020 Christian Book Award Winner Bible Reference Works This textbook offers students a biblically rich creedally structured ecumenically evangelical and ethically engaged introduction to Christian theology Daniel Treier coeditor of the popular Evangelical Dictionary of Theology discusses key Scripture passages explains Christian theology within the structure of the Nicene Creed explores the range of evangelical approaches to contested doctrines acquaints evangelicals with other views including Orthodox and Catholic and integrates theological ethics with chapters on the Ten Commandments and the Lord's Prayer The result is a meaty but manageable introduction to the convictions and arguments shaping contemporary evangelical theology

Evangelical Purity Culture and Its Discontents Kathryn House, Sara Moslener, 2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture It is a critical starting point for anyone seeking to understand this movement or begin their own research The book brings together the work of the Purity Culture Research Collective an independent and unaffiliated organization of scholars mental health professionals artists and advocates dedicated to studying the origins and impact of evangelical purity culture The study of purity culture is an interdisciplinary project using a variety of theories and methods including those from psychology religious studies sociology ethics biblical theological studies queer studies feminist studies historical studies and critical race studies Chapters in this volume employ various methods of inquiry with some framing their work in traditional academic prose and others making use of self reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches This book was originally published as a special issue of Theology Sexuality

**Evangelical and African Pentecostal Unity** Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways

of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle     *Evangelical Christendom* World's Evangelical Alliance, 1850

## Devangelical Introduction

In the digital age, access to information has become easier than ever before. The ability to download Devangelical has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Devangelical has opened up a world of possibilities. Downloading Devangelical provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Devangelical has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Devangelical. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Devangelical. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Devangelical, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Devangelical has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Devangelical Books

**What is a Devangelical PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Devangelical PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Devangelical PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Devangelical PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Devangelical PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
