Engaging Adolescent Learners ReLeah Cossett Lent,2006 Steeped in research and chock full of learning ideas with titles to support instruction *Engaging Adolescent Learners* is a must have for principals teachers and staff developers Cris Tovani Author of *I Read It But I Don t Get It* Engagement is the missing link to all student learning and Releah Lent has nailed it A compelling moral practical exciting book whose ideas are immediately ready for use Devour this book put the ideas into effect and reap the benefits Michale Fullan Author of *Leading in a Culture of Change* In an educational environment fraught with federal and state mandates high stakes testing overcrowded classrooms and dense curriculum taking the time to engage every student in learning might seem impossible Yet not only is it possible it s doable and in every discipline with the right learning conditions in place In this groundbreaking new book Releah Lent describes these conditions and what they look like in practice *Engaging Adolescent Learners* is both a practical resource and an ideal tool for professional development Using Brian Cambourne s *Conditions of Learning* as her framework Lent invites you to assess your learning your practice and your beliefs about key aspects of student motivation Does the amount of responsibility you extend to students match your expectations for them Do you offer adolescents supportive feedback Do you give students sufficient opportunities to use their newfound knowledge and skills Then Lent offers specific suggestions for tailoring your classroom practices to the motivational needs of each and every learner She provides resources such as example activities for your classroom study group questions for ongoing professional reflection and ideas for action research and coaching to improve your understanding of engagement Examine what it means to engage young adults in their learning and find out what classrooms with engaged students look sound and feel like Let Releah Lent help you transform your classrooms into places where students have the freedom to satisfy their natural inclination to explore With *Engaging Adolescent Learners* at your side you ll have everything you need to help even the most reluctant students find a way to learn that works for them

Time Briton Hadden, Henry Robinson Luce,1956 Teaching the Struggling Reader Barbara R. Schirmer,2010 An innovative resource for literacy teachers *Teaching the Struggling Reader* takes a novel approach to instruction the reading program is based on the needs of the struggling reader rather than the other way around Most teachers plan their reading lesson and then work in the needs of a struggling reader This book is for teachers looking for a more contemporary and inclusive way to teach reading Starting with assessment the author shows you how to group readers by ability and need rather than by risk factors Finally you will save planning time by learning how to incorporate strategies that you already

know into developing your lesson rather than changing your style to accommodate the requirements of a particular reading program
