Unification of Art Theories

(UAT) Florentin Smarandache, 2007-01-01 Unification of Art Theories UAT proposed by the author considers that every artist should employ in producing an artwork ideas theories styles techniques and procedures of making art barrowed from various artists teachers schools of art movements throughout history but combined with new ones invented or adopted from any knowledge field science in special literature etc by the artist himself The artist can use a multi structure and multi space The distinction between Eclecticism and Unification of Art Theories UAT is that Eclecticism supposed to select among the previous schools and teachers and procedures while UAT requires not only selecting but also to invent or adopt from other non artistic fields new procedures In this way UAT pushes forward the art development Also UAT has now a larger artistic database to choose from than the 16 th century Eclecticism since new movements art schools styles ideas procedures of making art have been accumulated in the main time Like a guide UAT database should periodically be updated changed enlarged with new invented or adopted from any field ideas styles art schools movements experimentation techniques artists It is an open increasing essay to include everything that has been done throughout history This album presents a short panorama of commented art theories together with experimental digital images using adopted techniques from various fields in order to inspire the actual artists to choose from and also to invent or adopt new procedures in producing their artworks

Parody Margaret A. Rose, 1993-09-09 In this definitive work Margaret Rose presents an analysis and history of theories and uses of parody from ancient to contemporary times and offers a new approach to the analysis and classification of modern late modern and post modern theories of the subject The author s Parody Meta Fiction 1979 was influential in broadening awareness of parody as a double coded device which could be used for more than mere ridicule In the present study she both expands and revises the introductory section of her 1979 text and adds substantial new sections on modern and post modern theories and uses of parody and pastiche which also discuss the work of theorists and writers including the Russian formalists Mikhail Bakhtin Hans Robert Jauss Wolfgang Iser Julia Kristeva Roland Barthes Michel Foucault Jacques Derrida Ihab Hassan Jean Baudrillard Fredric Jameson A S Byatt Martin Amis Charles Jencks Umberto Eco David Lodge
