Many people think it's better to be overweight than to starve. I'm no exception. I really like to eat so there's no way I would be constantly hungry for the sake of being thin. What kind of life is it if you're always feeling hungry? Eating regular meals and keeping yourself full is what will actually help you stick to your healthy eating plan and reach your goals. Keeping your hunger in check will help you avoid overeating. It will also prevent you from feeling miserable, frustrated, and out of control.
