

WHAT IS MOTIF?

MOTIF DEFINITION

- When used as a literary device, motif is any element which recurs throughout and contributes to, or creates other aspects of the narrative such as mood or theme. A motif is used consistently throughout the text and has a highly symbolic significance within it. There are a variety of ways in which a motif can be referred to, this could be through imagery, type of language or simply how the work is structured. The motif itself an item, a place or an idea, amongst other things.
- There has been confusion between a motif and a theme when it comes to written works but one easy way to tell them apart is that the motif is a tangible thing such as an item whilst the theme is not. Some people may also confuse the motif with a symbol, however a symbol is something which is used only once to make reference to something else, such as a reference to the spring for a new beginning, whereas the motif is referred to several times throughout the narrative.

EXAMPLES OF MOTIF

There are many concepts which we could use that would fall into the category of motif - let's take a look at some of these ideas now.

- To show that something non-literal is about to break, such as a heart or a life-the image of broken glass may be used as a motif.
- Continual rain throughout a piece might be a motif to suggest a cleansing of a character.
- The sound of a barking dog may be heard by the main character to refer to their grief over the loss of their pet.
- A character finding religious items throughout the story could be used as a motif of God calling to the character.
- The use of objects or ideas relating to death such as a funeral, a coffin or a graveyard to reinforce the theme of death throughout the piece.

Examples of Motif In Speech

- The famous speech by Martin Luther King, 'I have a dream' uses the motif of a dream throughout the speech in order to tie the ideas together and enforce his ideas surrounding the dream for the future of the country, and the world.
- In 2004, former US president, Barrack Obama uses the motif of the contrasting of the blue state and red state in his speech which helps to convey the idea that the only contrast between the two, is noise.

Examples of Motif In Literature

- William Shakespeare used the motif of light and dark in his play, Romeo and Juliet and he did this by referencing a variety of things such as the light from the moon and the stars which lit up the sky as well as the flash of a bolt of lightening.
- In Pride and prejudice by Jane Austen, we see the journey being used as a motif.
- Back to William Shakespeare once again, and this time with his play, Othello in which he uses the motif of a monster throughout the entire work to finally reference the monstrous nature of the title character.
- The glass menagerie written by Tennessee Williams, uses the notion of being abandoned as its motif. This is used to show the feelings of one of the characters who wishes to abandon his own life and disappear for good.

Dictionary Of Literary Themes And Motifs

Ernest L. Abel

Dictionary Of Literary Themes And Motifs:

Dictionary of Literary Themes and Motifs Jean-Charles Seigneuret, 1988 This index is a veritable who's who of the greats of Western literature The Board recommends it for every collection whose users conduct analytical studies of literature Reference Books Bulletin The powerful hold that literature exercises is based primarily on recognition the reader's ability to identify with others through shared human concerns that transcend time and cultural boundaries These universal themes and how they have been treated in literature from the classical period to the present are the subject of the critical essays comprising this volume A fascinating resource for students and general readers and an essential research tool for scholars in literature it is the first thematic reference on this scale to be published in English The dictionary consists of 143 essays contributed by 98 specialists in world literature Topics covered include themes relating to adventure family life the supernatural eroticism status humor idealism terror and many other categories of human experience Each entry begins with a definition and a sketch on the origin and historical background of the literary theme The topical essay discusses the significance and occurrence of the theme in world literature and supplies information on geographical area genre style and chronology Entries conclude with a selected bibliography of scholarship in the area A cross index to themes and motifs will enable the reader to find information on secondary or related topics Convenient to use and presented in a standardized format this major new reference will be an important acquisition for libraries with collections in English American and world literature

Hundert Jahre Forschungen zum antiken Mythos (1918/20-2018/20) Udo

Reinhardt, 2022-08-01 Eine informative Gesamtorientierung ber die internationale Forschung zum antiken Mythos in den letzten hundert Jahren war schon seit langem ein wissenschaftliches Desiderat Dieser Forschungsbericht hervorgegangen aus einer f nf Dezennien umfassenden Arbeit am Mythos bezieht sich als erster seiner Art als selektive bersicht nicht nur auf den traditionellen altertumswissenschaftlichen Kernbereich von den altorientalischen Vorlagen ber die fr hgriechischen Anf nge und die weitere Entwicklung in der griechisch r mischen Gesamtkultur bis zur christlichen Sp tantike sondern auch auf den in der Forschung zunehmend beachteten rezeptionsgeschichtlichen Zusatzbereich von Byzanz und dem westlichen Mittelalter ber Renaissance Barock und Aufkl rung bis zu Moderne und Postmoderne sowie auf die neuerdings immer st rker im Blickpunkt stehende narratologische Bedeutung des Mythos im Rahmen der europ ischen Erz hlforschung Zum Zielpublikum dieses Forschungsberichts geh ren also nicht nur Klassische Philologen und Klassische Arch ologen sowie Spezialisten der Altorientalistik sondern auch Komparatisten und Kunstgeschichtler Ethnologen und Religionswissenschaftler sowie alle Fachleute die sich entweder mit der Nachwirkung des antiken Mythos in der mittelalterlichen und neuzeitlichen Literatur Kunst und Geistesgeschichte besch ftigen oder mit seiner beachtlichen Rolle etwa im Verh ltnis zu Sagen M rchen und anderen narratologischen Kleingattungen Der Epilog stellt auch die Frage nach den M glichkeiten k nftiger Mythosforschung Die detaillierten Register garantieren eine denkbar weitgehende Erschlie ung des behandelten Gesamtmaterials

The New York Public Library Literature Companion Staff of The New York Public

Library,2001-11-06 Pick up The New York Public Library Literature Companion to check the dates of Marcel Proust's Remembrance of Things Past or to find out how James Joyce's Ulysses changed U.S. obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and The Matrix or sidetracked by the fascinating history of The New Yorker Designed to satisfy the curious browser as well as the serious researcher this exciting new resource offers the most up to date information on literature available in English from around the world from the invention of writing to the age of the computer Interwoven throughout the more than 2,500 succinct and insightful entries on Creators Works of Literature and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive Readers will discover for instance that Walt Whitman was fired from his government job after his personal copy of Leaves of Grass was discovered in his desk by the Secretary of the Interior who was scandalized by it that James Baldwin remembered listening to blues singer Bessie Smith playing her till he fell asleep when he was writing his first book and that a publisher turned down the serialization rights to Gone with the Wind saying Who needs the Civil War now who cares Looking for information about book burning or how many Nobel laureates have come from Japan You'll find it here Trying to remember the name of that movie based on a favorite book Read the Variations section you'll be amazed at the pervasive presence of great literature in today's entertainment From Aristophanes to Allende from Bergson to Bloom the biographical entries will inform readers about the men and women who have shaped and are shaping the literary world Look into Works of Literature to discover the significance of Beowulf The Fountainhead Doctor Zhivago and nearly 1,000 other titles Check the Dictionary of Literature to find out what the critics and theorists are talking about And if you wish to delve even deeper Websites for Literature and Literary Factbooks and Handbooks are just two of the bibliographies that will point readers in the right direction Unique in scope and design and easy to use The New York Public Library Literature Companion will be at home on every reader's shelf Whether you are immersed in Stephen King or King Lear this book has the insights facts and fascinating stories that will enrich your reading forever With four major research centers and 85 branch libraries The New York Public Library is internationally recognized as one of the greatest institutions of its kind Founded in 1895 the library now holds more than 50 million items including several world renowned collections of literary manuscripts and rare books Among the books published from the library in recent years are The New York Public Library Desk Reference 1998 The Hand of the Poet 1997 Letters of Transit Reflections on Exile Identity Language and Loss 1999 A Secret Location on the Lower East Side Adventures in Writing 1960 1980 1998 and Utopia The Search for the Ideal Society in the Western World 2000 **Anxiety in Modern Scandinavian Literature** Markus Floris Christensen,2024-06-17 This book explores how states and traits of anxiety are reflected in the style and structure of certain works by three key figures of modern Scandinavian literature August Strindberg Inger Christensen Karl Ove Knausgård On the basis of particular literary analyses it develops a literary phenomenology of anxiety as well as a hermeneutical theory of anxiety that considers the ways in which anxiety has been

represented in various genres of modern Scandinavian literature from the last three centuries Whereas the former uncovers the ways in which anxiety is reflected in literary form and style the latter interprets the relationship between author text and reader as well as the effects of genre As Strindberg s works capture the tensions between existential indeterminism and naturalistic determinism and make way for negative aesthetic pleasure poetry such as Christensen s challenges scientific and psychiatric conceptions of anxiety and instigates a change in how humans conduct themselves in relation to the experience of anxiety Finally Knausg r d s autofictive work gives voice to the socially anxious self of late modernity and incites moments of self intensification and reorganizes the fragile self of contemporary society In this way it becomes clear that literature is an outstanding archive of representations and transformations in the cultural history of anxiety Literature is an aesthetic medium of expression and reflection that represents anxiety in a number of ways that may enrich our understanding of anxiety today This work thus contributes to cultural and literary scholarship that contests the subjugation of anxiety to a scientific world view and aims to expose the imaginative and creative dimensions of anxiety that are often ignored in contemporary public discourse and policy

Thematics Reconsidered ,2023-11-20 Responding to a new interest in thematic studies the volume features essays by some of the leading scholars from the United States and Europe In honor of Horst S Daemmrich the co author with Ingrid Daemmrich of the handbook Themes and Motifs in Western Literature the contributors reassess both in theory and in case studies the viability of thematics as part of contemporary literary criticism They demonstrate the broad scope of methodologies between strict systematization of themes and motifs and reader response conceptions of theming Special topics include a thematology of the Jewish people motifs in folklore a cluster on madness hysteria and mastery the story of Judith Cinderella thematics in D rrenmatt and Isaac Babel chaos as a theme A concluding chapter illuminates aspects of nineteenth century literary history

Transfiction Klaus Kaindl,Karlheinz Spitzl,2014-01-28 This volume on Transfiction understood as an aestheticized imagination of translatorial action recognizes the power of fiction as a vital and pulsating academic resource and in doing so helps expand the breadth and depth of TS The book covers a selection of peer reviewed papers from the 1st International Conference on Fictional Translators and Interpreters in Literature and Film held at the University of Vienna Austria in 2011 and links literary and cinematic works of translation fiction to state of the art translation theory and practice It presents not just a mixed bag of cutting edge views and perspectives but great care has been taken to turn it into a well rounded transficcionario with a fluid dialogue among its 22 chapters Its investigation of translatorial action in the mirror of fiction i e beyond the cognitive barrier of fact and its multiple transdisciplinary trajectories make for thought provoking readings in TS comparative literature as well as foreign language and literature courses

Heroes and States J. Douglas Canfield,2021-12-14 To understand the cultural history of England during the Restoration one need look no further than the theater which was attended by the gentry as well as by members of the middle and lower classes The theater of this period embodied the values meanings and power relations of Restoration

England In Heroes and States Douglas Canfield argues that drama not only represents but actually helps constitute the value and belief systems of an entire culture Heroes and States completes Canfield's two volume cultural history of Restoration drama begun in Tricksters and Estates On the Ideology of Restoration Comedy In this second volume Canfield shows how Restoration playwrights attempted to reinscribe late feudal aristocratic ideology after the English Civil War In the serious drama of the period conflict is between noble heroes upon whom states are built and transgressors of the established order tyrants traitors usurpers rapists and atheists Canfield considers several sub genres of tragedy He argues that most of these sub genres reaffirm the older ideology after testing it in the fires of conflict Tragical satire on the other hand the most subversive of these sub genres exposes the failure of the ruling class to live up to its own codes and in some cases the absurdity of the codes themselves Canfield also finds playwrights struggling with issues of race and colonialism He uses the work of modern theorists such as Bakhtin Girard Kristeva Derrida Althusser Williams and Eagleton to illuminate aspects of his inquiries Restoration tragedy stands on the cusp of a cultural transition from a late feudal to an early bourgeois ideology and the issues and themes addressed in the theater validate the culture and politics of seventeenth century England

Harry Potter and the Classical World Richard A. Spencer, 2015-07-20 J K Rowling has drawn deeply from classical sources to inform and color her Harry Potter novels with allusions ranging from the obvious to the obscure Fluffy the vicious three headed dog in Harry Potter and the Sorcerer's Stone is clearly a repackaging of Cerberus the hellhound of Greek and Roman mythology But the significance of Rowling's quotation from Aeschylus at the front of Harry Potter and the Deathly Hallows is a matter of speculation Her use of classical material is often presented with irony and humor This extensive analysis of the Harry Potter series examines Rowling's wide range of allusion to classical characters and themes and her varied use of classical languages Chapters discuss Harry and Narcissus Dumbledore's many classical predecessors Lord Voldemort's likeness to mythical figures and magic in Harry Potter and classical antiquity among many topics Medieval Russian Culture, Volume II Michael Flier, Daniel Rowland, 2023-11-10 A stimulating and provocative collection these essays challenge received notions about the culture and history of medieval Russia and offer fresh approaches to problems of textual interpretation the theory of the medieval text and the analysis of alternative nonverbal texts The contributors international specialists from many disciplines investigate issues ranging over history cultural anthropology art history and ritual They have produced a worthy companion to the first volume of Medieval Russian Culture published in 1984 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 *Death Gods* Ernest L. Abel, 2009-03-20 In cultures throughout human history people have believed that some part of themselves continued to exist after they died Part of that belief is that living can influence what happens to the dead in the

afterlife and the dead can return from the afterlife to affect the living Death Gods An Encyclopedia of the Rulers Evil Spirits and Geographies of the Dead describes the many ways the afterlife especially that part of the afterlife commonly known as Hell has been characterized in myths from around the world The hundreds of entries provide readers with a guide to the afterlife as portrayed in these myths its geography its rulers its inhabitants how they got there and what happens after their arrival While the Devil is a prominent resident and ruler of the afterworld in many religions especially Christianity this book examines many other versions of Hell whether presided over by the Devil Hades or one of the many other rulers of the dead Death Gods provides concise encyclopedic entries on all aspects of the mythology of the afterlife The underworlds form the myths of cultures from across the globe for example Xibalba the underworld of the Quiche Maya Di Yu the underground realm of the dead in Chinese mythology the gods and demons of the afterlife the Hindu god of death and justice Yama Ahriman the evil twin of the benevolent god Ahura Mazda in Zoroastrian mythology Buso the invisible ghouls who haunt graveyards and feed on human corpses in Philippine mythology The volume includes an extensive bibliography of the most useful resources for understanding the mythology of death and the afterlife An Introduction to Iconography Roelof van Straten,1994 Available for the first time in English An Introduction to Iconography explains the ways that artists use references and allusions to create meaning The book presents the historical theoretical and practical aspects of iconography and ICONCLASS the comprehensive iconographical indexing system developed by Henri van de Waal It gives particular emphasis to the history of iconography personification allegory and symbols and the literary sources that inform iconographic readings and includes annotated bibliographies of books and journal articles from around the world that are associated with iconographic research The author of numerous articles and a four volume reference work on Italian prints Roelof van Straten is currently working on an iconographic index covering the prints of Goltzius and his school

Einführung in die Anglistik Barbara Korte,Klaus Peter Müller,Josef Schmied,2004-01-01 Frischer Wind weht in die Anglistik Neben den traditionellen Disziplinen Sprach und Literaturwissenschaft stehen gleichberechtigt Kulturwissenschaften Fachdidaktik und Sprachpraxis Sprengt das die einheitliche Darstellung des Faches Nein denn viele Querverweise vernetzen das Wissen Sprache Literatur und Kultur der Britischen Inseln oder der New Englishes werden gro zig gew rdigt Pr zise und praxisnah **The True Identity of the People of the Way** Ross Daniel Harmon,2024-10-24 The True Identity of the People of the Way demonstrates that Luke alludes to the book of Proverbs when Luke in Acts 9 and following calls the Church the Way Consequently this study shows that Luke identifies the people of the Way as followers of the one and true God depicted in Proverbs Within Acts Luke s claim was likely shocking to the Jewish people which relates directly to the function of the Way This fresh perspective on the way metaphor in Acts provides a more natural and fitting referent than previous proposals and finds its function as a polemic between Jesus followers and others This research identified allusions and motifs in literature to determine that Luke uses the way metaphor to describe Christ s followers The

study first shows the need for research concerning Luke's motive or referent for calling the Church the Way. Second, the study examines the probability of Proverbs influence on Luke. Third, the study provides an in-depth analysis of the way metaphor in Acts concludes that Proverbs is the referent of the Way when referring to the Church.

Dictionary Of Literary Themes And Motifs Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dictionary Of Literary Themes And Motifs free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dictionary Of Literary Themes And Motifs free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dictionary Of Literary Themes And Motifs free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Dictionary Of Literary

Themes And Motifs. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Dictionary Of Literary Themes And Motifs any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Dictionary Of Literary Themes And Motifs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
