**Catalogue of the Colonial Office Library, London** Great Britain. Colonial Office. Library, 1964      **A Diplomat's Handbook of International Law and Practice** Biswanath Sen, 2012-12-06 It gives me great pleasure to write a foreword to Mr Sen's excellent book and for two reasons in particular In the first place in producing it Mr Sen has done something which I have long felt needed to be done and which I at one time had ambitions to do myself When over thirty years ago and after some years of practice at the Bar I first entered the legal side of the British Foreign Service I had not been working for long in the Foreign Office before I conceived the idea of writing or at any rate compiling a book to which in my own mind I gave the title of A Manual of Foreign Office Law This work had I ever produced it in the form in which I visualised it could probably not have been published consistently with the requirements of official discretion But this did not worry me as I was only contemplating something for private circulation within the Service and in Government circles Mr Sen's aim has been broader and more public spirited than mine was but its basis is essentially the same      *New Serial Titles*, 1990      *Consular Affairs and Diplomacy* Jan Melissen, Ana Mar Fernández, 2011-02-07 Consular Affairs and Diplomacy analyses the multifaceted nature of diplomacy's consular dimension in international relations It contributes to our understanding of key themes in consular affairs today the consular challenges that are facing the three great powers the United States Russia and China as well as the historical origins of the consular institution in Europe Consular Affairs and Diplomacy breaks new ground in the field of diplomatic studies by illustrating how consular affairs can be understood in the broader context of diplomatic practice and vice versa As a result the much neglected study of the consular institution may improve our understanding of contemporary diplomacy      Supplement to the Report of the Minister of Foreign Affairs to the Legislature of 1856 Anonymous, 2025-08-09 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Macedonia Country Study Guide Volume 1 Strategic Information and Developments* IBP USA, 2013-08 Macedonia Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments      **Foreign Relations Library** United States. Iran's Shadow Weapons Jonathan W. Hackett,2025-06-26 Surveillance assassination and war by proxy all ingredients for an unending disaster that never seems to end for those exposed to the wrath of the Islamic Republic of Iran Despite the prevalence of these and other malign acts few observers understand why and how the regime chooses these tools of fear and disruption Even fewer can foil them In this first work of its kind the author draws upon two decades of experience to lay bare the calculus structure and execution of Iran s foreign intelligence activities covert actions and unconventional warfare operations This book reveals how the regime s shadowy work is driven by a warring mixture of rampant paranoia unshakable greed and cold rationality He meticulously reveals a policy toolkit wielded for self interest and survival supported by strategies to eliminate opposition figures stifle dissent and promote defense in depth around Iran Before any others the Iranian people are simultaneously the regime s greatest source of insecurity and its chief target in a series of policies taking hold since 1979
