Kalellis, 2010 [Your Life](#) Bruce McArthur, 1993 Every aspect of life is governed by universal laws that were created out of love and promise the potential of a life of prosperity and joy Learn how to use these laws to connect with one's higher self improve finances attract loving relationships and create harmony *Journey Into Truth* Kent Saylor, 2010-09-20 This book chronicles the amazing spiritual journey made by the author after a series of misfortunes took him from a happy life into an abyss filled with grief and aching loss He thus began questioning everything about life faith truth and God In frustrated desperation he started a five year quest for answers to the melancholy and pain The author writes of powerful hidden knowledge discovered during his fight back to wholeness Through these secrets he ultimately attained a deep genuine sense of peace joy and purpose The book shares personal details of his significant insight filled journey as well as the hidden formula for happiness that he uncovered along the way His references to long lost ancient wisdom make it easy for readers to quickly find their own pathway to profound peace and joy They are also led to discover the means by which they can personally experience a life of true

contentment coming to understand their life's unique purpose and thereby achieving deep personal fulfillment **Warrior Love** Roger King, 2014-01-24 Author Roger King asks a question we may find truly challenging: Could humanity make a huge shift in consciousness and realize we are more naturally polyamorous than monogamous? In this narrative, a vulnerable story emerges when Roger and his partner separate. With heartfelt anger, love, and wisdom, Roger unveils his inner secret, admitting he is a polyamorous man who loves more than one woman. Roger writes with disarming honesty and offers insights that can help men and women become open and receptive to love without fear. The message is simple: not always easy. You can change your thoughts with radical honesty and change your life. Men: Are you willing to love yourself and make the world safer for us to love each other? Women: Can you trust men with your love? Can we learn to replace jealousy of all types with unconditional love? Can war and terrorism stop and all types of slavery cease? Salvation lies in all of us waking up and learning to love who we truly are. If a male version of Louise Hay exists, Roger is it. Isabelle P. Walker, Lefebvre, Heal Your Life facilitator, Roger walks his talk, and it's so easy to be real around him. Sam Hardy, business owner: Who would be fearful, critical, or jealous of you if you changed by loving yourself and then shining that love and the powerful miracle within you to create a whole new way of being and living? *The Facts on the Mind Sciences* John Ankerberg, John Weldon, 2011-04-29 Millions of people believe in the higher power of the mind, but few know the potential risks of involvement in the Mind Sciences. Unity, Religious Science, New Thought, Christian Science, est, Silva, Mind Control, to name a few. These questions are skillfully answered: Does the mind really have power in itself? How influential are the Mind Sciences? Who is promoting the Mind Sciences? Are the Mind Sciences compatible with Christianity? This book offers practical discussion of this influential movement. **You Deserve It** Marisa Bellami, 2014-03 Almost everyone loves a true story because in being able to relate to a person's personal journey of pain and triumph, we find hope and possibility. Have you ever felt like you've had to be perfect in order to attract the opposite sex? You already are imperfectly perfect. **Crucial Truths for Crucial Days** H. T. Spence, 2003      **Beware of False Religions & Pagan Traditions Part 3**

Helene Fulton, 2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces      *Angels with Attitude* Bev Lakomek, 2015-12-09 Angels with Attitude speaks of where we live on a daily basis in our thoughts and attitudes We are God's angels not only to ourselves but to the world We carry within us the message of love This loving message can be blocked by thoughts and attitudes that come from our egos and fears The inspirational writings contained in this book are meant to bring its reader to a crossroads a point of contemplation and decision Each day we make such choices that either bring us to love peace and joy or leave us in fear If we

are to be the angels of God His messengers we are meant to live in the love of God **Divine Audacity** Linda Martella-Whitsette, 2015-02-01 Experience Oneness with the Divine and Light Up the World On the publication of her first book Larry Dossey MD author of Prayer Is Good Medicine wrote Martella Whitsett is a wise guide Her new book makes the audacious claim that each of us can be the light of the world Jesus instructed his followers to be Martella Whitsett offers a path for living a deep and authentic life outside of the strictures of traditional religious categories A refreshing approach in essence on how to be spiritual without being religious We need to jettison the idea of a God who is out there and above us God is not a super human who gives and takes punishes and rewards God does not require human suffering and repentance We truly find God when we go inside to connect with divine light realize our oneness with God and others and let our light shine in the world Martella Whitsett looks at what divine light is and how it is both audacious and normal to claim it for ourselves Next she introduces us to 12 spiritual powers we can all develop and learn to use on a daily basis faith understanding will imagination zeal power love wisdom strength order release and life itself When we consciously shine our spiritual powers on ourselves not only are our lives improved but all of humanity can be enriched and transformed Let your light shine LIVING BEYOND THE VEIL Marcia Sandels, 2013-05-21 Living Beyond the Veil is an introduction to the subject of mystical experiences from the perspective of a woman who has lived with them for 40 years and researched them in order to understand what was happening to her By no means a comprehensive book Marcia had felt compelled to write a book sharing her experiences along with her search for understanding and meaning for several years earlier this year she realized that her experiences and research could be beneficial to others This book is an abbreviated version of her personal journey her search and the revelations she has received while walking through this lifetime possibly an accumulation of information gathered by her soul through more than one lifetime Enjoy the journey *How to Pray Without Talking to God* Linda Martella-Whitsette, 2011-10-01 Unity minister Linda Martella Whitsett provides a new framework for thinking about prayer that will revolutionize the lives of readers everywhere The good news here is that you can pray without believing in God that you can have a rich and fulfilling spiritual practice without adhering to a set of creeds or dogmas Martella Whitsett encourages seekers to look within rather than outside themselves for a God in the sky for the spark of the divine that is at the core of their being How to Pray Without Talking to God shows how to develop a true spiritual practice by re forming the words of traditional prayers cultivating a habit of daily prayer and meditation learning how to pray with others How To Pray Without Talking To God is filled with the author s stories of her own evolving understanding of God Each chapter includes a section called Talk to Yourself that poses questions for readers to write about or share in a study circle *Making Sense of Spiritual Warfare* Eddie Smith, 2008-08 An easy to understand and sensible guide to spiritual warfare what it is who is involved the weapons involved and how to prevail **The Miracle Before Your Eyes** Patrick K.
