Oversubscribed Daniel Priestley, 2020-02-24 Learn how to get your business oversubscribed in a crowded marketplace to make your business stand out and get people lining up to do business with you Are you constantly chasing customers Why does it seem like some businesses have their customers begging to purchase their goods or services Think about it for a moment When a new iPhone is released why do customers camp overnight to be the first through the door In cities with thousands of great restaurants why do some restaurants require reservations months in advance Why is it that some consultants accountants lawyers and healthcare professionals can charge exponentially more than others In the modern marketplace consumer options are virtually endless intense competition is rife and so much is given away for free online Often businesses are left scrambling to attract enough customers to make a small profit Yet the opposite is true for a small number of businesses that do things differently customers chase them They have buyers who gladly queue up pay more and eagerly wait for the chance to hand over their money for the next thing How do these businesses do it More importantly how can you become one of them *Oversubscribed* is the guide to transforming your business into one which customers fight over Author Daniel Priestley a successful entrepreneur who has built and sold businesses around the world shares proven real world methods that will not only grab customers attention but will also have them lining up to buy from you This invaluable guide will teach you how to drive demand for your products or services far beyond supply and will dramatically increase the success of your business Now in its second edition this updated version offers new insights and motivating examples that are right for the 2020s This book will show you The principles and philosophies *Oversubscribed* businesses live

by that are often the opposite of what most businesses do Specific steps for getting into the mind of your customer so they only want to buy from your business How to structure campaigns and product launches that systematically get your business Oversubscribed How to implement a process of signalling to market and collect signals back from market to build up desire and demand for your products and services The new edition of Oversubscribed How to get people lining up to do business with you is a must read for entrepreneurs marketers business leaders and owners team managers and business students

Reframing Marketing Simon Batchelar, 2023-03-12 What does your marketing say about you More than you think Before someone gets to know you as a client they see you through your marketing High pressure sales relentless ads and complicated funnels rely on fear and manipulation Is this how you want to start a client relationship Marketing advice for big brands or ecommerce doesn't work for coaches consultants or freelancers Tactics pressure and persuasion rarely attract good clients When you're marketing yourself and your work your marketing is a reflection of you There is another way Marketing can be both ethical and effective It's time to reframe your marketing This book is a practical guide for people who run their own businesses The 3 step plan will give you clarity about who you want to work with what value you can offer them and why they can trust you to deliver it Reframing Marketing is an alternative to ego driven bulldozer marketing no more slick tactics get rich quick schemes or high pressure sales pitches This book is about ethical marketing that is manageable and connects you with clients who are ready to say yes I don't believe in tick box lists or quick fixes that work for everyone every time marketing is more personal than that This book takes you step by step through creating your own effective and ethical personal marketing plan
