Hisrich, Carlos M. DaSilva, 2014-10-29 A practical approach for entrepreneurs and investors Entrepreneurial Finance provides readers with the fundamental knowledge to finance start grow and value new ventures without the complex finance terms and calculations This comprehensive yet practical approach incorporates a global perspective that appeals to entrepreneurs investors and students with diverse backgrounds knowledge and experience From Facebook to Camera Gary Gibbons Robert D Hisrich and Carlos M DaSilva use real world examples and their professional experiences to bring concepts to life This text is one of the most readable books in the market without compromising high quality content and resources   **Entrepreneurial Finance** Janet Kiholm Smith, Richard L. Smith, Richard T. Bliss, 2011-03-22 Entrepreneurial Finance Strategy Valuation and Deal Structure applies the theory and methods of finance and economics to

the rapidly evolving field of entrepreneurial finance. This approach reveals how entrepreneurs venture capitalists and outside investors can rely on academic foundations as a framework to guide decision making. Unlike other texts this book prepares readers for a wide variety of situations and problems that stakeholders might confront in an entrepreneurial venture. Readers will find a unique and direct focus on value creation as the objective of each strategic and financial choice that an entrepreneur or investor makes. The authors specifically address the influences of risk and uncertainty on new venture success devoting substantial attention to methods of financial modeling and contract design. Finally the authors provide a comprehensive survey of approaches to new venture valuation with an emphasis on applications. The book appeals to a wide range of teaching and learning preferences. To help bring the book to life simulation exercises appear throughout the text. For those who favor the case method the authors provide a series of interactive cases that correspond with the book chapters as well as suggestions for published cases. Finally the book is organized to complement the development of a business plan for those who wish to create one as they read along. *Entrepreneurial Finance* is most effectively used in conjunction with a companion website <http://www.sup.org/entrepreneurialfinance>. On this site Venture Sim simulation software spreadsheets templates simulation applications interactive cases and tutorials are available for download. For those teaching from the book the authors also provide an invaluable suite of instructor's resources.

**Entrepreneurial Finance for MSMEs** Joshua Yindenaba Abor, 2016-11-02

This book provides a framework for understanding micro small and medium sized enterprises (MSMEs) as important contributors to economic growth. By examining the economic and investment decisions behind these businesses the author shows how managers of MSMEs can add value to the firm by applying managerial finance tools. Early chapters establish the basic tenets of new venture development and financing and explore the economic environment that business owners inhabit focusing on venture capital, microfinance intervention and public sector interventions. Later chapters guide the reader through the process of financial planning and forecasting and valuation finishing with insights into how to harvest investments and make sound financial decisions. The book has interdisciplinary appeal and offers a timely consideration of MSMEs in developing economies. It will be valuable reading for all interested in the management and development of small businesses the finance of entrepreneurship and policy affecting small and medium sized enterprises.

*Fundamentals of Entrepreneurial Finance* Marco Da Rin, Thomas Hellmann, 2020-01-21 Fundamentals of Entrepreneurial Finance provides a comprehensive introduction to entrepreneurial finance showing how entrepreneurs and investors jointly turn ideas into valuable high growth start-ups. Marco Da Rin and Thomas Hellmann examine the challenges entrepreneurs face in obtaining funding and the challenges investors face in attracting promising ventures. They follow the joint journey of entrepreneurs and investors from initial match to the eventual success or failure of the venture. Written with the goal of making entrepreneurial finance accessible, this book starts with the basics, develops advanced topics, and derives practical insights. Da Rin and Hellmann build on academic foundations from several disciplines and enrich the text with data, mini cases, examples, and exercises.

**Contemporary Developments in Entrepreneurial Finance** Alexandra Moritz, Joern H. Block, Stephan Golla, Arndt Werner, 2019-08-22 More extensive regulations, new technologies and new means of communication have significantly changed the financing landscape for startups and small to medium sized companies (SMEs). This volume provides a contemporary research based overview of the latest trends in entrepreneurial finance and outlines expected future developments. Starting with the status quo in market regulations and the financing structure of SMEs it addresses a broad range of new financing alternatives for innovative startups e.g. business angel financing, venture capital and corporate venture capital as well as recent social phenomena e.g. crowdfunding and initial coin offerings (ICOs). Incorporating qualitative, quantitative and mixed analytical methods the book contributes to a better understanding of the financing world by reflecting both the researcher's and the practitioner's perspective.
