Ghana International Monetary Fund. African Dept.,2016-10-03 Program implementation remains broadly satisfactory but the economic outlook remains difficult and fiscal challenges are mounting The growth outlook for 2016 and 2017 has weakened mainly due to disruptions in oil production while non oil economic activity is expected to remain subdued due to continued fiscal consolidation and tight monetary policy There was broad agreement with the authorities on the need to sustain a tight monetary stance given the still high inflation and to strengthen the fiscal adjustment under the program to cover key state owned enterprises Discussions addressed the following issues in particular *Basic Facts of General Knowledge* Sura College of Competition,2004-08 **China Urban and Rural Public Education Service Equalization** Luo Zhe,2021-11-03 Centering on issues of disparity and equality in basic public education services in China this book proposes a performance measurement system that assesses and guides equality of basic public education in urban and rural areas The author moves beyond traditional research approaches by drawing on methods of public management and mathematics

Pivoted on an improved balanced scorecard model a complete set of indicators and measuring tools are constructed whereby the process of education equality can be more effectively measured managed and steered Grounded in empirical studies on public education in the country s Sichuan Province the book advances suggestions on better policies and optimizing implementation for the purpose of attaining equitable public education services in urban and rural areas Finally the study envisages further research directions and possible applications of the performance appraisal model The title will be of value to scholars and students of education studies especially those interested in public education educational equity and Chinese public education services
