Essential Concepts in Sociology Anthony Giddens, Philip W. Sutton, 2014-03-03 Social life is in a constant process of change and sociology cannot afford to stand still Sociology today is theoretically diverse covers a huge range of subjects and draws on a broad array of research methods Central to this endeavour is the use of core concepts and ideas which allow sociologists to make sense of societies though our understanding of these concepts is constantly evolving and changing This clear and jargon free book introduces a careful selection of essential concepts that have helped to shape sociology and others that continue to do so Going beyond brief dictionary style definitions Anthony Giddens and Philip W Sutton provide an extended discussion of each concept which sets it into historical and theoretical context explores its main meanings in use introduces some relevant criticisms and points readers to its ongoing development in contemporary research and theorizing Organized in ten thematic sections the book offers a portrait of sociology through its essential concepts ranging from capitalism identity and deviance to citizenship the environment and intersectionality It will be essential reading for all those new to sociology as well as those seeking a reliable route map for a rapidly changing world *The Sociology of Anthony Giddens* Steven Loyal, 2003-05-20 Anthony Giddens is one of the most famous and influential sociologists of recent decades Largely credited with the concept of the Third Way he continues to be a key advisor to Tony Blair and is generally presented as an exponent of liberalism and socialism This book provides a controversial introduction to Giddens work covering the wide range of his writing from theory to self reflexivity modernity and politics placing them all within the illuminating framework of a historical context Giddens writing has always embodied a political and ethical position one that has changed considerably over the years and is best understood through the social context in which it was written His work in the 1970s

attempted to marry liberalism and socialism but following the collapse of Communism in the 1990 East European revolutions his world view became liberal rather than socialist and his later work on reflexivity and the Third Way embodies this Loyal explores how this world view accounts for many tensions and failures in Giddens theory and that overall his work is fundamentally flawed

Talcott Parsons Peter Hamilton,1992 Talcott Parsons 1904 79 is widely regarded as one of the most important sociologists of the twentieth century These four volumes provide an essential guide to the thought and work of this major sociologist

Essentials of Human Behavior Elizabeth D. Hutchison,Leanne Wood,2020-12-17 Essentials of Human Behavior combines Elizabeth D Hutchison s two best selling Dimensions of Human Behavior volumes into a single streamlined volume for understanding human behavior The text presents a multidimensional framework integrating person environment and time to show students the dynamic changing nature of person in environment In this Third Edition Hutchison is joined by new co author Leanne Wood Charlesworth who uses her practice and teaching experience to help organize the book s cutting edge research and bring it into the classroom The text will thoroughly support students understanding of human behavior theories and research and their applications to social work engagement assessment intervention and evaluation across all levels of practice This title is accompanied by a complete teaching and learning package

Soziologische Theorien Markus Schroer,2022-04-04 Markus Schroer bietet einen Überblick über die theoretischen Entwicklungen der Soziologie von der Gründungsphase bis zur Gegenwart von Emile Durkheim über Erving Goffman bis Bruno Latour Dabei gelingt es ihm die Theorien anschaulich zu vermitteln ohne ihren differenzierten Gehalt zu entstellen Alle Kapitel können auch einzeln gelesen werden Hinweise auf Primärtexte und weiterführende Literatur laden zum Weiterlesen ein

The SAGE Handbook of Sociology Craig Calhoun,Chris Rojek,Bryan S Turner,2005 Providing an authoritative guide to theory and method the key sub disciplines and the primary debates in contemporary sociology this work brings together the leading authors to reflect on the condition of the discipline

Anthony Giddens and Modern Social Theory Kenneth Tucker,1998-09-28 Anthony Giddens is widely recognized as one of the most important sociologists of the post war period This is the first full length work to examine Giddens social theory It guides the reader through Giddens early attempt to overcome the duality of structure and agency He saw this duality as a major failing of social theories of modernity His attempt to resolve the problem can be regarded as the key to the development of his landmark structuration theory The book is the most complete and thorough assessment of Giddens work currently available It incorporates insights from many different perspectives into his theory of structuration his work on the formation of cultural identities and the fate of the nation state This fa

The Sociological Quest Haydn

Aarons, Evan Willis, 2022-10-10 Starting Sociology can be daunting This user friendly introduction takes the reader on a quest towards a sociological understanding of the world we live in Using contemporary examples The Sociological Quest asks what is distinctive about the way Sociologists view society Haydn Aarons and Evan Willis show that they are concerned with the relationships between the individual and society and that a sociological analysis involves an approach which is historical cultural structural and critical This sixth edition has been thoroughly revised and updated and includes new material on identities social change social movements populism climate change the COVID 19 pandemic digital interaction and social media Also included in the sixth edition is an expanded chapter on empirical research in Sociology and the research process as well as a new chapter on careers in Sociology [A Modern Guide to Citizen's Basic Income](#) Malcolm Torry, 2020-06-26 Debate on the desirability feasibility and implementation of a Citizen s Basic Income an unconditional nonwithdrawable and regular income for every individual is increasingly widespread among academics policymakers and the general public There are now numerous introductory books on the subject and others on particular aspects of it This book provides something new It studies the Citizen s Basic Income proposal from a variety of different disciplinary perspectives the economics of Citizen s Basic Income the sociology of Citizen s Basic Income the politics of Citizen s Basic Income and so on Each chapter discusses the academic discipline and relevant aspects of the debate and asks how the discipline enhances our understanding and how the Citizen s Basic Income debate might contribute to the academic discipline [Essentials of Intellectual Property Rights](#) Handong Wu, 2025-04-21 While undertaking economic social and judicial transformations unprecedented both in speed and scope China is finding its ways to establish an IPRs regime with its own characteristics Could China maintain its distinctive IPRs regime while honoring the international IPRs conventions Have rights of IP holders been duly protected in China How would China further enhance its IPRs legislation and enforcement in the near future Handong Wu China s leading IPRs scholar offers his insights from a nongovernmental perspective in hopes of providing readers both general and academic a vivid reflection of the IPRs system in China **Thinking about Society: Theory and Practice** Ian Jarvie, 2012-12-06 I C Jarvie was trained as a social anthropologist in the center of British social anthropology the London School of Economics where Bronislaw Malinowski was the object of ancestor worship Jarvie s doctorate was in philosophy however under the guidance of Karl Popper and John Watkins He changed his department not as a defector but as a rebel attempting to exorcize the ancestral spirit He criticized the method of participant observation not as useless but as not comprehensive it is neither necessary nor sufficient for the making of certain contributions to anthropology rather it all depends on the problem situation And so Jarvie remained an anthro pologist at heart who in addition to some studies in rather conventional anthropological or sociological molds also studied the tribe of social scien tists but also critically examining their problems especially their overall rather philosophical problems but not always so a few of the studies in cluded in this volume exemplify his work on specific issues whether of technology or architecture or nationalism in the academy or moviemaking or even movies

exhibiting excessive sex and violence These studies attract his attention both on account of their own merit and on account of their need for new and powerful research tools such as those which he has forged in his own intellectual workshop over the last two decades
