Love's Executioner Irvin D. Yalom, 2013-04-04 Love's Executioner offers us the humane and extraordinary insight of renowned psychiatrist Irvin D Yalom into the lives of ten of his patients and through them into the minds of us all Why was Saul tormented by three unopened letters from Stockholm What made Thelma spend her whole life raking over a long past love affair How did Carlos's macho fantasies help him deal with terminal cancer In this engrossing book Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients Deep down all of them were suffering from the basic human anxieties isolation fear of death or freedom a sense of the meaninglessness of life that none of us can escape completely And yet as the case histories make touchingly clear it is only by facing such anxieties head on that we can hope to come to terms with them and develop Throughout Dr Yalom remains refreshingly frank about his own errors and prejudices his book provides a rare glimpse into the consulting room of a master therapist Dr Yalom demonstrates once again that in the right hands the stuff of therapy has the interest of the richest and most inventive fiction

Eva Hoffman New York Times These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind and the landscape is truly unforgettable Maggie Scarf Love's Executioner is one of those rare books that suggests both the mystery and the poetry of the psychotherapeutic process The best therapists are at least partly poets With this riveting and beautifully written book Irvin Yalom has joined their ranks Erica Jong Dr Yalom offers a valuable insight into the delicate process of therapy Sunday Telegraph Dr Yalom is unusually honest both with his patients and about himself Anthony Storr Yalom is a gifted storyteller and from the sound of these tales a no less gifted psychotherapist Los Angeles Times

Yalom, 2014-03-25 As the public grows disillusioned with therapeutic quick fixes people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying What really happens in therapy What promises and perils does it hold for them No one writes about therapy or indeed the dilemmas of the human condition with more acuity style and heart than Irvin Yalom Here he combines the storytelling skills so widely praised in Love's Executioner with the wisdom of the compassionate and fully engaged psychotherapist In these six compelling tales of therapy Yalom introduces us to an unforgettable cast of characters Paula who faces death and stares it down Magnolia into whose ample lap Yalom longs to pour his own sorrows Irene who learns to seek out anger and plunge into it And there's Momma old fashioned ill tempered who drifts into Yalom's dreams and tramples through his thoughts At once wildly entertaining and deeply thoughtful Momma and the Meaning of Life is a work of rare insight and imagination

Hour of the Heart Irvin D. Yalom, Benjamin Yalom, 2024-12-10 A deeply moving and revealing chronicle from one of the most prominent psychotherapists of our time of working under wholly new circumstances and the challenges and breakthroughs he's made as he takes on patients for one hour one time only Facing memory loss at age 93 as well as the fallout from a pandemic that moved much of daily life online legendary psychotherapist and bestselling author Irvin Yalom was forced to vastly reconsider the shape of his sessions with patients But rather than throw in the towel in the face of change Dr Yalom considered the limitations imposed by these new realities head on and revolutionized his practice Dr Yalom wondered if perhaps his own practice could focus deeply on the work that could be achieved in a one hour one time meeting between patient and practitioner employing an even more concerted use of his here and now approach As he began these one time sessions the beloved veteran therapist found himself freed to reach ever deeper places with new patients on a shortened timeline without the buffer of future appointments In HOUR OF THE HEART Yalom recounts some of these intense life changing consultations exploring an array of human predicaments and his own late career development as a therapist In recounting these consultations he shows how a therapist's willingness to be open themselves helps the patient let down their own guard leading to a deeper and more immediate connection one necessary to achieve profound realizations in just sixty minutes Life is precious and our time together short HOUR OF THE HEART shows us how to relate to each other better in the moment with more honesty and vulnerability That hour of connection occurring during a time of isolation and

grief for so many helped to sustain both patient and therapist and enriched Yalom's vision of what psychotherapy can do. This transformative account of a new way of connecting and sharing is for all of us looking to build relationships with greater immediacy, authenticity, and openness in every area of life.

Writing the Talking Cure Jeffrey Berman, 2019-05-01. A distinguished psychiatrist and psychotherapist, Irvin D. Yalom is also the United States' most well-known author of psychotherapy tales. His first volume of essays, *Love's Executioner*, became an immediate best-seller, and his first novel, *When Nietzsche Wept*, continues to enjoy critical and popular success. Yalom has created a subgenre of literature: the therapy story, where the therapist learns as much as if not more than the patient, where therapy never proceeds as expected, and where the therapist's apparent failure proves ultimately to be a success. *Writing the Talking Cure* is the first book to explore all of Yalom's major writings. Taking an interdisciplinary approach, Jeffrey Berman comments on Yalom's profound contributions to psychotherapy and literature and emphasizes the recurrent ideas that unify his writings: the importance of the therapeutic relationship, therapist transparency, here and now therapy, the prevalence of death anxiety, reciprocal healing, and the idea of the wounded healer. Throughout, Berman discusses what Yalom can teach therapists in particular and the common and uncommon reader in general.

Love's Executioner Irvin D. Yalom, 1991. Contains eight case studies of people the author has treated, including a woman of 67 obsessively pining with love for her 32-year-old previous therapist and a woman of 19 stone who has emotional difficulties because of her weight problem. This title includes stories that reveal the diversity of human motivation.

Staring at the Sun Irvin D. Yalom, 2010-06-10. Written in Irvin Yalom's inimitable story-telling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an awakening experience: a dream or loss, the death of a loved one, divorce, loss of a job or home, illness, trauma, or aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.

Creatures of a Day Irvin D. Yalom, 2015-03-05. What makes life worth living? What can we do to lead meaningful lives? And how do we confront our inevitable end? In his long career, eminent psychotherapist and author Irvin Yalom has pressed his patients and readers to grapple with life's two greatest challenges: that we all must die and that each of us is responsible for leading a life worth living. In *Creatures of a Day*, he and his patients face the difficulty of these challenges. Although these people have come to Yalom seeking relief, recognition, or meaning, he and they discover that such things are rarely found in the places where we think to look. Like *Love's Executioner* and Yalom's other writing, *Creatures of a Day* provides an intelligent, compassionate, yet still unflinching look at the human soul and all the pain, confusion, and hope that go with it. The power of these stories is amplified by Yalom's reflections on his own life as he reckons with its inevitable end. Suffused with humor, great artistry, and a profound humanity, *Creatures of a Day* lays bare the
