Bibliotheca theologica, 1889 **Atonement and the Logic of Resurrection in Hebrews 9:27-28** William W. Henry, 2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God's promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God's speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment *The "Exodus" in Jerusalem (Luke 9:31)* W. Gil Shin, 2022-09-12 This book addresses the dearth of study in Lukan scholarship on the transfiguration account and provides a model of new exodus based on the Song of the Sea Exod 15 beyond the two major Deuteronomistic and Isaianic models The proposed Exodus 15 pattern explicates the enigmatic phrase his exodus in Jerusalem in the transfiguration account It also elucidates how the seemingly discordant motifs of Moses and David are conjoined within a larger drama of the new exodus and the subsequent establishment of Israel's eschatological worship space This shows how Luke deals with the issues of temple Acts 7 circumcision Acts 15 and the ambivalent nature of Jerusalem **Otra Voz** Eleazar Barajas, 2020-01-17 Este corto libro Volumen Cuatro est compuesto de doce mensajes Siete de ellos est n basados en la expresi n Los Siete Juntamente con Cristo Con motivo del D a de Acci n de

Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest *Zeitschrift für Assyriologie und verwandte Gebiete* ,1888 *Zeitschrift für Assyriologie und vorderasiatische Archäologie* ,1888 **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich, 1993 **Matthew's Theological Grammar** Joshua E. Leim, 2015-10-19 Are the identity of God and Jesus Christ inseparably related in Matthew's Gospel Joshua E Leim argues for this relationship in Matthew's narrative by attending to two linguistic patterns woven deeply into the entire narrative's presentation of Jesus Matthew's christological use of worship language and his paternal filial idiom Back cover **Theologische Literaturzeitung** ,1883 *Catalogue of the Library Belonging to the Theological Institution in Andover* Andover Theological Seminary, 1819 *Luzac's Oriental List and Book*

Review ,1897 *The Miracles of Jesus According to John* Stephen S. Kim,2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life
