again and again Bonus The book comes with more than 30 templates charts rubrics and game boards that can be photocopied from the book or downloaded as eResources from the book product page at www.routledge.com/books/details/9781138827295 You can modify and print them for classroom use The Rebirth of Territory Gail Lythgoe,2024-03-06 The concept of territory is central in international law but a detailed analysis of how the concept is used in both discourse and practice has been lacking until now Rather than reproducing the established understanding of territoriality within the international legal order this study suggests that the discipline of international law relies on an outmoded spatial paradigm Gail Lythgoe argues for a complete update and overhaul of our understanding of territory and space to engage more effectively with key processes structures and actors relevant to contemporary global governance In this new theoretical account of an essential aspect of public international law she argues that territory is a dynamic social reality created by the exercise of power Territories are constituted by the practices of a more diverse array of actors than is acknowledged As a result functions are re assembling in territories constituted by state and non state actors alike **Intimate Deception** Dr. Sheri Keffer,2018-03-20 Nothing destroys trust like sexual betrayal Beyond broken vows a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self image and self worth She must grapple with the fact that the man she thought she knew has lied and deceived her She may even bear the brunt of shame and judgment when the people around her find out Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal Dr Sheri Keffer walks women impacted by betrayal through the pain and toward recovery She explains how the trauma of betrayal affects our minds bodies spirits and sexuality She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction And she shows women how to practice self care develop healthy boundaries protect themselves from abuse or manipulation and find freedom from the burden of shame and guilt Greece Andrew Bostock,2013 The Peloponnese contains a huge diversity of landscape everything from the classic image of Greece white sand beaches and sleepy white washed villages through to the ancient sites of Olympia and Mycenae Byzantine churches and medieval fortresses towering mountains for hiking and skiing olive groves which produce the finest fruit and mountains covered in flowers In recent months Greece has undergone a well publicized economic meltdown However cheaper prices and the expense of long haul tourism has actually led to an increase in visitor numbers The government is keen to invest in tourism as a way to reinvigorate the country Specific examples of this are the new year round flights from Athens to Kalamata and a major new international spa golf resort in Messinia Greece is no longer an easy travel destination and there as been an increase in the trend towards independent travel away from package tourism The new edition reflects this with reviews of the plentiful new accommodation details of independent tours and activities as well as excellent coverage of off the beaten track sites and attractions Greek expert Andrew Bostock leads travellers to hidden villages sophisticated towns and to other

top attractions one of Europe's most spectacular train journeys and the tower houses of the famed Mani He explores the lesser known sites and attractions including details of places not covered anywhere else The guide is packed with information on agritourism spots eco conscious boutique hotels camping under the stars rustic tavernas and locally grown produce Traditionally the tourist season in Greece is the summer but this is fast changing with savvy travelers discovering the wild flowers of spring the joys of the olive harvest in late autumn and skiing opportunities during the winter Bird life and marine life are also a huge attraction for visitors to the Peloponnese The guide also focuses on the colourful life of the traditional paneyiri and those who still embrace the Greek spirit of philoxenia

Information and Technology Literacy: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2017-08-30 People currently live in a digital age in which technology is now a ubiquitous part of society It has become imperative to develop and maintain a comprehensive understanding of emerging innovations and technologies Information and Technology Literacy Concepts Methodologies Tools and Applications is an authoritative reference source for the latest scholarly research on techniques trends and opportunities within the areas of digital literacy Highlighting a wide range of topics and concepts such as social media professional development and educational applications this multi volume book is ideally designed for academics technology developers researchers students practitioners and professionals interested in the importance of understanding technological innovations

Futuristic and Linguistic Perspectives on Teaching Writing to Second Language Students Hancı-Azizoglu, Eda Başak, Kavaklı, Nurdan, 2020-12-11 The aptitude to write well is increasingly becoming a vital element that students need to succeed in college and their future careers Students must be equipped with competent writing skills as colleges and jobs base the acceptance of students and workers on the quality of their writing This situation captures the complexity of the fact that writing represents higher intellectual skills and leads to a higher rate of selection Therefore it is imperative that best strategies for teaching writing speakers of other languages is imparted to provide insights to teachers who can better prepare their students for future accomplishments Futuristic and Linguistic Perspectives on Teaching Writing to Second Language Students examines the theoretical and practical implications that should be put in place for second language writers and offers critical futuristic and linguistic perspectives on teaching writing to speakers of other languages Highlighting such topics as EFL ESL composition digital storytelling and forming identity this book is ideal for second language teachers and writing instructors as well as academicians professionals researchers and students working in the field of language and linguistics
