Johnny Morris O.b.e. - His Final Years Angela Morris, 2007-11 *OK2BG* Jack Dunsmoor, 2015 *OK2BG* is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in *OK2BG* is to read reassess before you run asunder Der Otter-Adventskalender Florian Hoffmann, 2025-09-17 Hast du dich je gefragt wie die Adventszeit aussehen würde wenn Otter sie gestalten Vermutlich gäbe es ein Gesetzbuch das Nickerchen zur Pflicht macht rührende Geschichten über verlorene

there and about the natural and human history that surrounded him it s about the people he meets and the stories they tell and about his engagement with this remote landscape including the otters that inhabit it Interspersed with Boothby s own story is a quest to better understand the mysterious Gavin Maxwell Beautifully written and frequently leavened with a dry wit Island of Dreams is a charming celebration of the particularities of place **Cruising Scotland** Mike Balmforth, Edward Mason, Clyde Cruising Club, This lavishly illustrated book has been designed as a companion to the Clyde Cruising Club s Sailing Directions and covers the Scottish west coast from the Clyde to Cape Wrath and all the outlying islands Cruising Scotland makes inspiring and informative reading for anyone considering sailing the area It provides additional information points of interest and many photographs and is a fascinating and invaluable addition to the Club s publications No yacht cruising the Scottish west coast should be without a copy It was first written by the late Journal Editor Mike Balmforth in conjunction with the Editor of the Sailing Directions Edward Mason who has now prepared this third edition with Imray

The Life in My Years Virginia McKenna, 2014-01-01 Virginia McKenna starred in some of the most popular and enduring movies of our time among them *Carve Her Name With Pride* *A Town Like Alice* and the phenomenally successful *Born Free* in which she and husband Bill Travers depicted the story of conservationists George and Joy Adamson and their reintroduction of Elsa the orphaned lion cub to the wild At the heart of this autobiography is a call to respect nature and all that it provides Despite an exceptional career in cinema and theatre Virginia McKenna pushed aside the glamour of movie stardom the West End and Broadway to focus relentlessly on her personal mission with the Born Free Foundation or the plight of orphaned children across the world Now in a paperback edition this book will inspire anyone who cares about the future of the planet and all the creatures dependent on it including human beings *The Life in My Years* is the inspirational story of an extraordinary life Modern British Nature Writing, 1789-2020 Will Abberley, Christina Alt, David Higgins, Graham Huggan, Pippa Marland, 2022-03-17 Why do we speak so much of nature today when there is so little of it left Prompted by this question this study offers the first full length exploration of modern British nature writing from the late eighteenth century to the present Focusing on non fictional prose writing the book supplies new readings of classic texts by Romantic Victorian and Contemporary authors situating these within the context of an enduringly popular genre Nature writing is still widely considered fundamentally celebratory or escapist yet it is also very much in tune with the conflicts of a natural world under threat The book s five authors connect these conflicts to the triple historical crisis of the environment of representation and of modern dissociated sensibility This book offers an informed critical approach to modern British nature writing for specialist readers as well as a valuable guide for general readers concerned by an increasingly diminished natural world

A Time of Dying Robert Holdstock, 2017-01-01 From out of the bonds of slavery there arose a warrior a warrior feared across all lands a warrior whose blade was stained with the blood of thousands man and beast who smiled as she killed with hair as gold as summer sun eyes as blue as the heavens and a body which invited only love yet dealt bloody merciless death to her enemies This was Raven Swordmistress of Chaos It started on the night of the Summer Gathering in Haral The Black One arose from the depths killing torturing dismembering its victims Panic ruled the City The Priests of Lord Vedast claimed that in fulfilling an ancient prophecy Raven and Spellbinder were responsible for the carnage And so the two found themselves powerless bait for the monster a devil who aimed to make Raven Mistress of the World and murderer of Spellbinder
