The Shawshank Redemption Mark Kermode, 2019-07-25 How did a low key prison movie which was considered a box office flop on its original release become one of the most popular movies of all time Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella *Rita Hayworth and Shawshank Redemption* through the icy corridors of Ohio's Mansfield Reformatory whose imposing gothic architecture dominates the film to the television and video screens on which *The Shawshank Redemption* became a phenomenon This study traces the history of *The Shawshank Redemption* and draws on interviews with writer director Frank Darabont and leading players Tim Robbins and Morgan Freeman The book also explores the near religious fervour that the film inspires in a huge number of devoted fans

The Shawshank Redemption Revealed Mark Dawidziak, 2019-08-09 A 25th anniversary history and celebration of *The Shawshank Redemption* one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story The movie not only boasts a great story it has a great backstory starting with the dollar deal that eventually led King and co stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film Although

the film received mostly positive reviews on its release in September 1994 the box office was disappointing and it failed to win many awards But as Andy tells Red in the film no good thing ever dies The movie found new life reaching an ever growing audience on cable and home video through word of mouth it became one of the top rented movies of 1995 Each year The Shawshank Redemption rises in polls asking film fans to name their favorite movies It has become nothing less than this generation s The Grapes of Wrath an inspiring story about keeping hope alive in bleak times and under the most horrendous conditions **Hollywood's Stephen King** Tony Magistrale,2003-11-22 Tony Magistrale explores many of the movie versions of Stephen King s works and provides important insights into both the films and the fiction on which they are based
