fan and the many awards and honors he has received Motivating quotes from King from interviews over the decades My childhood was pretty ordinary except from a very early age I wanted to be scared there was a radio program at the time called Dimension X and my mother didn't want me to listen to that because she felt it was too scary for me so I would creep out of bed and go to the bedroom door and crack it open And she loved it so apparently I got it from her but I would listen at the door and then when the program was over I'd go back to bed and quake Stephen King Young adults will covet this comprehensive yet accessible reference to their favorite horror author **The Many Facets of Stephen King** Michael R. Collings, 2008-08-01 A study of King's fiction including a chapter on criticism and a chronology of King's works **Stephen King from A to Z** George Beahm, Beahm, 1998-09 Contains hundreds of alphabetically arranged entries that provide information about various aspects of the life and work of popular novelist Stephen King *Dissecting Stephen King* Heidi Strengell, 2005 In a thoughtful well informed study exploring fiction from throughout Stephen King's immense oeuvre Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage Tapping into the wellsprings of the gothic to reveal contemporary phobias King invokes the abnormal and repressed sexuality of the vampire the hubris of Frankenstein the split identity of the werewolf the domestic melodrama of the ghost tale Drawing on myths and fairy tales he creates characters who like the heroic Roland the Gunslinger and the villainous Randall Flagg may either reinforce or subvert the reader's childlike faith in society And in the manner of the naturalist tradition he reinforces a tension between the free will of the individual and the daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men

write at a level of originality few authors could ever hope to match Despite his dark and disturbing work Stephen King has become revered by critics and his countless fans as an all American voice more akin to Mark Twain than H P Lovecraft Haunted Heart chronicles his story revealing the character of a man who has created some of the most memorable and frightening stories found in literature today Rogak looks at what scares King enough that he s been able to keep readers entertained for thirty years Bangor Daily News Rogak has pieced together King s sometimes erratic life scrupulously into a clean swift read Times Online U K **Gothic Writers** Douglass H.
