India's Finance Ministers A.K. Bhattacharya, 2023-05-22 Independent India has so far witnessed twenty eight finance ministers But only a handful of them could leave their mark on the exchequer or North Block the headquarters of the Indian finance ministry From Independence to Emergency India s Finance Ministers 1947 1977 is the story of India s unforgettable finance ministers who shaped India s economy in the first thirty years after Independence The book highlights the significant difference that these finance ministers made to the management of the Indian economy and to the policy evolution of the government and who thus left an indelible mark on the psyche of Indian citizens It attempts to measure the impact these decisions left not only on India s economic system but also on its political system and looks at to what extent the decisions were influenced by the socio economic backgrounds of the finance ministers Full of interesting anecdotes the book is the first in depth account of the crucial role these finance ministers have played in the functioning of India s economy **Forged in Crisis** Rudra Chaudhuri, 2014-03-30 Rudra Chaudhuri s book examines a series of crises that led to far reaching changes in India s approach to the United States defining the contours of what is arguably the imperative relationship between America and the global South Forged in Crisis provides a fresh interpretation of India s advance in foreign affairs under the stewardship of Prime Ministers Jawaharlal Nehru Indira Gandhi Atal Bihari Vajpayee and finally Manmohan Singh It reveals the complex and distinctive manner in which India sought to pursue at once material interests and ideas while meticulously challenging the shakier and largely untested reading of non alignment palpable in most works on Indian foreign policy and international relations From the Korean War in 1950 to the considered debate within India on sending troops to Iraq in 2003 and from the loss of territory to China and the subsequent talks on Kashmir with Pakistan in 1962 63 to the signing of a civil nuclear agreement with Washington in 2008 Chaudhuri maps Indian negotiating styles and behaviour and how these shaped and informed decisions vital to its strategic interest in turn redefining its relationship with the United States **Why the Constitution Matters** Justice D.Y. Chandrachud, 2025-08-31 In Why the Constitution Matters Justice D Y Chandrachud delves into the profound significance of the Constitution in shaping the nation s identity and governance This insightful book offers readers a nuanced understanding of the Constitution s role in protecting fundamental rights ensuring justice and maintaining the rule of law The author brings to the forefront his experience of nearly twenty five years as a judge making complex constitutional principles accessible to both legal professionals and common citizens Through engaging narratives and real life examples he illustrates how the Constitution impacts everyday life and why it remains a cornerstone of democracy The book covers themes such as democracy free speech pluralism gender environmental governance dissent and landmark judgments that have shaped modern India Why the Constitution Matters is not just a book for legal scholars it is a must read for anyone who values democracy justice and the rule of law Discover why the Constitution is more than just a document it is the foundation of a just and equitable society *Tatas, Freddie Mercury and Other Bawas Coomi*

Kapoor,2023-04-24 The Parsis are fast disappearing There are now only around 50 000 members of the community in all of India But since their arrival here from Central Asia somewhere between the eighth and tenth centuries the Parsis contribution to their adopted home has been extraordinary The history of India over the last century or so is filigreed with such contributions in every field from nuclear physics to rock and roll by names such as Dadabhai Naoroji Dinshaw Petit Homi Bhabha Sam Manekshaw Jamsetji Tata Ardeshir Godrej Cyrus Poonawalla Zubin Mehta and Farrokh Bulsara aka Freddie Mercury This is a revised and updated new edition engaging and accessible making it as the most intimate history of the Parsis by senior journalist and columnist Coomi Kapoor herself a Parsi The book pores through the names stories achievements and the continuing success of this tiny but extraordinary minority She delves deep into both the question of what it means to be Parsi in India as well as how the community s contributions from tanchoi silk to chikoos became integral to what it meant to be Indian In Kapoor s hands the story of the Parsis becomes a rip roaring incident filled adventure from dominating the trade with China to being synonymous with Bombay once arguably a city defined by its Parsis from the business success of the Tatas the Mistrys the Godrejs and the Wadias to such current contributions as the manufacturing of COVID 19 vaccines by the Parsi founded Serum Institute of India
