Rumspringa To Be Or Not Amish Tom Shachtman:

Rumspringa Tom Shachtman, 2007-05-29 A revelatory look at Amish youth as they have never been looked at before *Rumspringa* is a fascinating look at a little known Amish coming of age ritual the rumspringa the period of running around that begins for their youth at age sixteen Through vivid portraits of teenagers in Ohio and Indiana Tom Shachtman offers an account of Amish life as a mirror to the soul searching and questing that we recognize as a generally intrinsic part of adolescence The trappings of the Amish way of life the plain clothes and electricity free farms conceal the communities mystery how they manage to retain their young people and perpetuate themselves generation after generation The key to this is the rumspringa when Amish youth are allowed to live outside the bounds of their faith experimenting with alcohol premarital sex trendy clothes telephones drugs and wild parties By allowing them such freedom their parents hope they will learn enough to help them make the most important decision of their lives whether to be baptized as Christians join the church and forever give up worldly ways or to remain out in the world In this searching book Shachtman draws on his skills as a documentarian to capture young people on the cusp of a fateful decision and to give us an original and deeply affecting portrait of the Amish as a whole

Growing Up Amish Richard A. Stevick, 2014-06-15 Accurately reveals the challenges faced by Amish youth caught between the expectations of traditional community and the pressures and temptations of adolescence On the surface it appears that little has changed for Amish youth in the past decade children learn to work hard early in life they complete school by age fourteen or fifteen and a year or two later they begin *Rumspringa* that brief period during which they are free to date and explore the outside world before choosing whether to embrace a lifetime of Amish faith and culture But the Internet and social media may be having a profound influence on significant numbers of the Youngie according to Richard A Stevick who says that Amish teenagers are now exposed to a world that did not exist for them only a few years ago Once hidden in physical mailboxes announcements of weekend parties are now posted on Facebook Today thousands of Youngie in large Amish settlements are dedicated smartphone and Internet users forcing them to navigate carefully between technology and religion Updated photographs throughout this edition of *Growing Up Amish* include a screenshot from an Amish teenager's Facebook page In the second edition of *Growing Up Amish* Stevick draws on decades of experience working with and studying Amish adolescents across the United States to produce this well rounded definitive and realistic view of contemporary Amish youth Besides discussing the impact of smartphones and social media usage he carefully examines work and leisure rites of passage the rise of supervised youth groups courtship rituals weddings and the remarkable Amish retention rate Finally Stevick contemplates the potential of electronic media to significantly alter traditional Amish practices culture and staying power

The Amish and the Media Diane Zimmerman Umble, David L. Weaver-Zercher, 2008-04-21 Of all the religious groups in contemporary America few demonstrate as many reservations toward the media as do the Old Order Amish Yet these attention wary citizens have become a media phenomenon featured in

films novels magazines newspapers and television from Witness Amish in the City and Devil s Playground to the intense news coverage of the 2006 Nickel Mines School shooting But the Old Order Amish are more than media subjects Despite their separatist tendencies they use their own media networks to sustain Amish culture Chapters in the collection examine the influence of Amish produced newspapers and books along with the role of informal spokespeople in Old Order communities

How Evolution Explains the Human Condition Roger Bourke White Jr,2013-03-26 Ah the mysteries of life Why is mankind a boom species Why should we worry it if is Why is the Bibles Curse of Eve real and necessary for human progress How does Panic and Blunder Thinking get us into deep deep trouble And if its so bad why do we still use it These are questions of the human condition and using evolution to answer these questions is what this book is all about **Just, Reasonable Multiculturalism** Raphael Cohen-Almagor,2021-07-29 This book explores the main challenges against multiculturalism It aims to examine whether liberalism and multiculturalism are reconcilable and what are the limits of liberal democratic interventions in illiberal affairs of minority cultures within democracy In the process this book addresses three questions whether multiculturalism is bad for democracy whether multiculturalism is bad for women and whether multiculturalism contributes to terrorism Just Reasonable Multiculturalism argues that liberalism and multiculturalism are reconcilable if a fair balance is struck between individual rights and group rights Raphael Cohen Almagor contends that reasonable multiculturalism can be achieved via mechanisms of deliberate democracy compromise and when necessary coercion Placing necessary checks on groups that discriminate against vulnerable third parties the approach insists on the protection of basic human rights as well as on exit rights for individuals if and when they wish to leave their cultural groups

Breakaway Amish Johnny Mast,2016-08-01 I am the grandson of Bishop Sam Mullet who was arrested for the Amish beard cutting attacks This is my story Beard cutting attacks on Amish people in the middle of the night Five incidents Nine victims How could members of a Christian tradition known for peace and forgiveness enact such violence What could make members of one Amish group turn against other Amish In Breakaway Amish Johnny Mast tells in riveting detail how his Amish community became increasingly isolated from other Amish people and how the wishes and edicts of his grandfather Bishop Sam Mullet overtook daily life in the group Over time members became convinced that cutting their own hair was a sign of repentance and remorse When that conviction led them to cut off the beards of those outside their community however it was more than a strange religious ritual It was a crime Here is an eyewitness account of the disturbing events at Bergholz an Amish community gone awry Yet redemption dwells even here in the bravery and conviction of one who chose to break free *Bigotry and Intolerance* Kathlyn Gay,2013-03-14 While many people appreciate cultural social political and religious diversity there are others who feel compelled to express their intolerance for others through cruel words and actions Their behavior often stems from ignorance and insecurity and they demonstrate their prejudices by belittling others who are different from them These narrow minded individuals attack others based on any number of reasons including

religious beliefs sexual orientation cultural background social standing or physical appearance In *Bigotry and Intolerance The Ultimate Teen Guide* Kathlyn Gay looks at the various reasons why people of all age levels and backgrounds feel the need to disparage others This book also offers help to teens who are the object of fear and hatred by showing them how to combat such behavior Topics covered in this book include the meaning of bigotry and intolerance types of bigotry from religious bigotry to homophobia the difference between bigotry and racism what it feels like to be the target of bigotry how to cope with discrimination individuals and groups that advocate tolerance and appreciation of cultural diversity Aimed at young adults who are interested in fighting bigotry and intolerance this book will help teens who suffer from the small mindedness of others It might also help those who are less tolerant find some common ground with those who are different from them and lead to a better understanding of how diversity makes for a richer more interesting world Featuring commentary from several young adults *Bigotry and Intolerance The Ultimate Teen Guide* will be welcomed by those who want to turn the tide of prejudice and fear in their schools and in their communities

Deneen, 2019-02-26 One of the most important political books of 2018 Rod Dreher American Conservative Of the three dominant ideologies of the twentieth century fascism communism and liberalism only the last remains This has created a peculiar situation in which liberalism s proponents tend to forget that it is an ideology and not the natural end state of human political evolution As Patrick Deneen argues in this provocative book liberalism is built on a foundation of contradictions it trumpets equal rights while fostering incomparable material inequality its legitimacy rests on consent yet it discourages civic commitments in favor of privatism and in its pursuit of individual autonomy it has given rise to the most far reaching comprehensive state system in human history Here Deneen offers an astringent warning that the centripetal forces now at work on our political culture are not superficial flaws but inherent features of a system whose success is generating its own failure *Success, Your Way* G. appeal of traditional mostly agrarian and artisanal lifestyles as practiced in residential communities where liminal rituals of
membership serve to validate pacts to live and work together in cooperative social and economic relations Manzella focuses
on the ways in which today's most innovative and controversial ecovillages diverge from the hippie communes of yesteryear's
counterculture and from older communal forms such as kibbutzim and arts and crafts colonies and how today's nonsectarian
spiritual and volunteer service communities differ from traditional religious communes and ashrams He reports his field

The Ritual Effect Michael Norton, 2025-05-20 In the bestselling tradition of Charles Duhigg's *The Power of Habit* and Angela Duckworth's *Grit* a renowned social psychologist demonstrates how a subtle turning of habits into rituals can clear a little space for everyday magic *The Guardian* in our lives Our lives are filled with repetitive tasks meant to keep us on track what we come to know as habits Over time these routines like brushing your teeth or putting on your right sock first tend to be performed automatically But when we're more mindful about these actions when we focus on the precise way they are performed they can instead become rituals Shifting from a habitual mindset to a ritual mindset can convert ordinary acts from black and white to technicolor Think about the way you savor a certain beverage the care you take with a particular outfit that gets worn only on special occasions the unique way that your family gathers around the table during holidays or the secret language you enjoy with your significant other To some these behaviors may seem quirky but because rituals matter so deeply to us on a personal level they give our lives purpose and meaning Drawing on a decade of original research Norton shows that rituals play a role in healing communities experiencing a great loss marking life's major transitions driving a stadium of sports fans to ecstasy and helping us rise to
