Hindu Nationalism in South India Nissim Mannathukkaren,2024-07-31 Hindu Nationalism in South India engages with a range of factors that shapes the trajectory of Hindu nationalism in Kerala the southern state of India Until recently Kerala was considered a socio political exception which

had no room for Hindu nationalism This book questions such Panglossian prognosis and shows the need to map the ideological and political growth of Hindu nationalism which has been downplayed in the academic discourse as temporary aberrations The introduction to the book places Kerala in the context of South India Arguing that Hindutva is a real force which needs to be contended within theoretical and empirical terms the chapters in this book examine Hindu nationalism in Kerala in relation to themes such as history caste culture post truth ideology gender politics and the Indian national space Considering the rise of Hindu nationalism in the recent years this pioneering book will be of interest to a students and academics studying Politics in particular Nationalism Asian Politics and Religion and Politics and South Asian Studies An Agnostic Version of Indian History Abraham Joseph,2023-11-18 Where are the wheels of History now driving us History is an essay on the survival of man Does the present civilisation represent an end of History In this groundbreaking reinterpretation of Indian history the author explores the evolutionary journey of the Indian people tracing their origins from Africa to the present day Through a unique lens the book challenges traditional narratives offering profound insights into the complex tapestry of Indian civilization Examining the historical impact of migration and cultural exchange the book delves into the ancient Manusmriti revealing its role in shaping India s social fabric Against the backdrop of contemporary challenges the author emphasizes the urgency of preserving India s unity amidst regional differences and external influences A compelling exploration of India s past and present this book offers fresh perspectives on the nation s rich heritage and its potential future *Legacy of Kerala* A. Sreedhara Menon,2010-07-12 This work attempts to give a broad idea of the diverse aspects of the socio cultural life of the people of Kerala in a historical perspective Old traditions and new values in every sphere of human thought and activity have synthesized assimilated and fused to form the history of Kerala Social Mobility in Kerala Filippo Osella,Caroline Osella,2000-12-20 The Izhavas are an ex untouchable community in the southern Indian state of Kerala Politically and economically weak stigmatised as toddy tappers and devil dancers and considered unapproachable by clean caste Hindus a century ago Izhavas were associated with other manual labouring untouchable castes In recent decades they have sought to improve their position by accumulating economic symbolic and cultural capital through employment religion politics migration marriage education and have tried to assert their right to mobility often in the face of opposition from their high status Christian and Nayar neighbours This study examines how Izhavas through repudiation of their nineteenth century identity and search for mobility have come into complex relationships with modernity colonialism and globalisation Filippo Osella and Caroline Osella highlight the complexities and contradictions of modern identity both locally and globally The authors approach builds upon and goes beyond a south Asian focus showing how the Izhavas represent the rise of formerly stigmatised groups who remain at the same time trapped by stereotype and material disadvantage Absolute mobility they argue has not led to relative mobility within a society which remains stratified and prone to new forms of social exclusion **Fairs and Festivals of India: Andaman and Nicobar Islands, Kerala, Lakshadweep, Pondicherry, Tamil**
