Shryock Hood, 2018-05-25 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers

The Vampire Almanac J. Gordon Melton, 2021-10-01 Grab a stake a fistful of garlic a crucifix and holy water as you enter the dark blood curdling world of the original pain in the neck in this ultimate collection of vampire facts fangs and fiction What accounts for the undying fascination people have for vampires How did encounters with death create centuries old myths and folklore in virtually every culture in the world When did the early literary vampires as pictured by Goethe Coleridge Shelly Polidori Byron and Nodier as the personifications of man's darker side transform from villains into today's cultural rebels Showing how vampire like creatures organically formed in virtually every part of the world The Vampire

Almanac The Complete History by renowned religion expert and fearless vampire authority J Gordon Melton Ph D examines the historic societal and psychological role the vampire has played and continues to play in understanding death man s deepest desires and human pathologies It analyzes humanity s lusts fears and longing for power and the forbidden Today the vampire serves as a powerful symbol for the darker parts of the human condition touching on death immortality forbidden sexuality sexual power and surrender intimacy alienation rebellion violence and a fascination with the mysterious The vampire is often portrayed as a symbolic leader advocating an outrageous alternative to the demands of conformity Vampires can also be tools for scapegoating such as when women are called vamps and bosses are described as bloodsuckers Meet all of the villains anti heroes and heroes of myths legends books films and television series across cultures and today s pop culture in **The Vampire Almanac** It assembles and analyzes hundreds of vampiric characters people and creatures including Buffy the Vampire Slayer Vlad the Impaler Edward Cullen and The Twilight Saga Bram Stoker Lestat De Lioncourt and The Vampire Chronicles Lon Chaney True Blood Bela Lugosi Dracula Dark Shadows Lilith Vampire Weekend Batman Nosferatu and so many more There is a lot to sink your teeth into with this deep exhumation of the undead Quench your thirst for facts histories biographies definitions analysis immortality and more This gruesomely thorough book of vampire facts also has a helpful bibliography an extensive index and numerous photos adding to its usefulness **Canadian Books in Print** ,2003

Irish Children's Literature and Culture Keith O'Sullivan,Valerie Coghlan,2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children s literature whatever the parameters in comparison with Ireland s contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children s literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children s literature
