Index to the History of St. Peter's Catholic Church St. Peter's Catholic Church (Upper Sandusky, Ohio), 197? *Historic Churches in Texas*, William, 2020-09-18 Before independence from Mexico in 1836 the Catholic faith was the only religion settlers in Texas known as Texians could legally practice To acquire land in Texas then a part of Mexico known as Coahuila y Tejas one had to be a member of the Roman Catholic Church or agree to convert to Catholicism Although a few Protestant church buildings were erected before Texas's independence in 1836 most were erected after 1836 because of Mexico's strict laws prohibiting and often severe punishment for practicing any faith other than Catholicism The few Protestant church buildings that were erected prior to Texas independence were usually erected along the margins of Texas in the more remote regions of North and East Texas distancing themselves from Mexico's center of government in San Antonio The first Protestant church established in Texas that has been in continuous service was organized by the Reverend Milton Estill in 1833 as the Cumberland Presbyterian Church in Old Shiloh a small community located about four miles north of Clarksville In 1848 the Shiloh Cumberland Presbyterian Congregation joined with the Presbyterian congregation in Clarksville to become the First Presbyterian Church Clarksville The First Presbyterian Congregation in Clarksville is recognized as the oldest Protestant church in continuous service in the state of Texas After Texians won their independence in 1836 religious congregations began to meet openly and to build houses of worship Most of these early church buildings were poorly built and did not survive the ravages of time Eventually stronger buildings were erected But even then with open fireplaces and wood burning stoves providing heat and candles or kerosene lanterns providing the primary source of light church buildings were often destroyed by accidental fires In addition with time congregations often outgrew their vintage church buildings or could no longer afford the high cost of maintaining the older outdated buildings As a result congregations abandoned them to erect larger and often more elaborate edifices Once abandoned the old church buildings were razed or if left standing rapidly deteriorated Over the past twelve years my wife and I have visited and photographed almost one thousand historic churches in Texas Photographing these historic church buildings and learning about the pioneers that often at great risk founded and maintained them has been a project of love Visiting these historic churches and meeting the people that maintain them today has been inspirational

**Gotham** Edwin G. Burrows, Mike Wallace, 1998-11-19 To European explorers it was Eden a paradise of waist high grasses towering stands of walnut maple chestnut and oak and forests that teemed with bears wolves raccoons beavers otters and foxes Today it is the site of Broadway and Wall Street the Empire State Building and the Statue of Liberty and the home of millions of people who have come from every corner of the nation and the globe In Gotham Edwin G Burrows and Mike Wallace have produced a monumental work of history one that ranges from the Indian tribes that settled in and around the island of Manna hata to the consolidation of the five boroughs into Greater New York in 1898 It is an epic narrative a story as vast and as varied as the city it chronicles and it underscores that the history of New York is the story of

our nation Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company Peter Stuyvesant's despotic regime Indian wars slave resistance and revolt the Revolutionary War and the defeat of Washington's army on Brooklyn Heights the destructive seven years of British occupation New York as the nation's first capital the duel between Aaron Burr and Alexander Hamilton the Erie Canal and the coming of the railroads the growth of the city as a port and financial center the infamous draft riots of the Civil War the great flood of immigrants the rise of mass entertainment such as vaudeville and Coney Island the building of the Brooklyn Bridge and the birth of the skyscraper Here too is a cast of thousands the rebel Jacob Leisler and the reformer Joanna Bethune Clement Moore who saved Greenwich Village from the city's street grid plan Herman Melville who painted disillusioned portraits of city life and Walt Whitman who happily celebrated that same life We meet the rebel Jacob Leisler and the reformer Joanna Bethune Boss Tweed and his nemesis cartoonist Thomas Nast Emma Goldman and Nellie Bly Jacob Riis and Horace Greeley police commissioner Theodore Roosevelt Colonel Waring and his white angels who revolutionized the sanitation department millionaires John Jacob Astor Cornelius Vanderbilt August Belmont and William Randolph Hearst and hundreds more who left their mark on this great city The events and people who crowd these pages guarantee that this is no mere local history It is in fact a portrait of the heart and soul of America and a book that will mesmerize everyone interested in the peaks and valleys of American life as found in the greatest city on earth Gotham is a dazzling read a fast paced brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book

**Bending Toward Justice** Christine Schenk, 2024-12-17 Bending Toward Justice tells the story of the rampant closings of Catholic parishes across the United States and documents the courageous advocacy of Sr Kate Kuentler and hundreds indeed thousands of ordinary Catholics whose persistence charted a new course in canon law Sr Kuentler's expertise eventually gave increased leverage to the laity and their parishes in the struggle to preserve their parish homes especially in ethnically diverse and poor neighborhoods In 2012 after what Catholic pundit Rocco Palmo described as the most ferocious and bitter parish planning face off the Stateside church has seen in the last quarter century Rome ordered Cleveland's Bishop Richard Lennon to re-establish 12 parishes he had wrongly closed and reopen their churches It was an unprecedented victory For the first time Rome ordered a bishop to restore a large number of suppressed parishes as well as reopen their churches The Vatican powerfully upheld the rights of Catholics in those parishes to have an appropriate voice in determining the future This book offers an inside view into the wholesale closing of too many vibrant Catholic parishes in too many neighborhoods

**Historic Richmond Churches & Synagogues** Walter S. Griggs Jr., 2017-09-04 Richmond's historic houses of worship

cannot be separated from the city's storied past. A young Patrick Henry sparked a revolution with his 'Give Me Liberty or Give Me Death' speech inside St. John's Episcopal Church on Church Hill. Congregation Beth Ahabah with its awe-inspiring windows and adjoining museum is one of the oldest and most revered synagogues in the country. An interstate highway was moved to save the Sixth Mount Zion Baptist Church where John Jasper asserted 'De Sun do move' in the most famous sermon ever preached in the city. Beloved local author Walter Griggs Jr. tells the compelling history of Richmond's most holy places.
