South spreading to an international audience Conversations with Ron Rash collects twenty two interviews with the award winning author and provides a look into Rash s writing career from his first collection of short stories The Night the New Jesus Fell to Earth in 1994 through his 2015 novel Above the Waterfall The collection includes four interviews from outside the United States two of which appear in English for the first time Spanning sixteen years these interviews demonstrate the disciplined writing process of an expert writer Rash s views of literature on a local and a global scale his profound respect for the craft of the written word and his ongoing goal to connect with his readers Summoning the Dead Randall

Wilhelm,Zackary Vernon,2018-03-13 The first book length examination of the award winning author of poetry and fiction firmly rooted in Appalachia Since his dramatic appearance on the southern literary stage with his debut novel One Foot in Eden Ron Rash has continued a prolific outpouring of award winning poetry and fiction His status as a regular on the New York Times Best Sellers list coupled with his impressive critical acclaim including two O Henry Awards and the Frank O Connor Award for Best International Short Fiction attests to both his wide readership and his brilliance as a literary craftsman In Summoning the Dead editors Randall Wilhelm and Zackary Vernon have assembled the first book length collection of scholarship on Ron Rash The volume features the work of respected scholars in southern and Appalachian studies providing a disparate but related constellation of interdisciplinary approaches to Rash s fiction nonfiction and poetry The editors contend that Rash s work is increasingly relevant and important on regional national and global levels in part because of its popular and scholarly appeal and also its invaluable social critiques and celebrations thus warranting academic attention Wilhelm and Vernon argue that studying Rash is important because he encourages readers and critics alike to understand Appalachia in all its complexity and he consistently provides portrayals of the region that reveal both the beauty of its cultures and landscapes as well as the social and environmental pathologies that it continues to face The landscapes peoples and cultures that emerge in Rash s work represent and respond to not only Appalachia or the South but also to national and global cultures Firmly rooted in the mountain South Rash s artistic vision weaves the truths of the human condition and the perils of the human heart in a poetic language that speaks deeply to us all Through these essays offering a range of critical and theoretical approaches that examine important aspects of Rash s work Wilhelm and Vernon create a foundation for the future of Rash studies Robert Morgan Kappa Alpha Professor of English at Cornell University and author of fourteen books of poetry and nine volumes of fiction including the New York Times bestselling novel Gap Creek provides a foreword **Saints at the River** Ron Rash,2007-04-01 From a major voice in Southern literature comes award winning author Ron Rash s *Saints at the River* a novel about a town divided by the aftermath of a tragic accident and the woman caught in the middle When a twelve year old girl drowns in the Tamassee River and her body is trapped in a deep eddy the people of the small South Carolina town that bears the river s name are thrown into the national spotlight The girl s parents want to attempt a rescue of the body environmentalists are convinced the rescue operation will cause permanent damage to

the river and set a dangerous precedent Torn between the two sides is Maggie Glenn a twenty eight year old newspaper photographer who grew up in the town and has been sent to document the incident Since leaving home almost ten years ago Maggie has done her best to avoid her father but now as the town s conflict opens old wounds she finds herself revisiting the past she s fought so hard to leave behind Meanwhile the reporter who s accompanied her to cover the story turns out to have a painful past of his own and one that might stand in the way of their romance Drawing on the same lyrical prose and strong sense of place that distinguished his award winning first novel One Foot in Eden Ron Rash has written a book about the deepest human themes the love of the land the hold of the dead on the living and the need to dive beneath the surface to arrive at a deeper truth Saints at the River confirms the arrival of one of today s most gifted storytellers Something in These Hills John M. Coggeshall,2022-09-07 What is the something in these hills that ties mountain families to family land in the southern Appalachians This ethnographic examination challenges contemporary theory and explores two interrelated themes the duality of the southern Appalachians as both a menacing and majestic landscape and the emotional relationship to family land characteristic of long term residents of these mountains To most outsiders the area conjures images of a beautiful yet dangerous place typified by the movie Deliverance To long term residents these mountains have a fundamental emotional hold so powerful that many mourn the sale or loss of family land as if it were a deceased relative How can the same geographical space be both Using a carefully crafted cultural lens John M Coggeshall explains how family land anthropomorphizes metaphorically becoming another member of kin groups He establishes that this emotional sense of place existed prior to recent land losses contrary to some contemporary scholars Utilizing the voices and perspectives of long term residents the book provides readers with a more fundamental understanding of the something in these hills that holds people in place **Literary Trails of the North Carolina Mountains (Volume 1 of 3) (EasyRead Super Large 24pt Edition) ,**

Cash, Keith Perry, 2016-02-12 Essays in Rough South Rural South describe and discuss the work of southern writers who began their careers in the late twentieth and early twenty-first centuries They fall into two categories Some born into the working class strove to become writers and learned without benefit of higher education such writers as Larry Brown and William Gay Others came from lower or middle

class backgrounds and became writers through practice and education Dorothy Allison Tom Franklin Tim Gautreaux Clyde Edgerton Kaye Gibbons Silas House Jill McCorkle Chris Offutt Ron Rash Lee Smith Brad Watson Daniel Woodrell and Steve Yarbrough Their twenty first century colleagues are Wiley Cash Peter Farris Skip Horack Michael Farris Smith Barb Johnson and Jesmyn Ward In his seminal article Erik Bledsoe distinguishes Rough South writers from such writers as William Faulkner and Erskine Caldwell Younger writers who followed Harry Crews were born into and write about the Rough South These writers undercut stereotypes forcing readers to see the working poor differently The next pieces begin with those on Crews and Cormac McCarthy major influences on an entire generation Later essays address members of both groups the self educated and the college educated Both groups share a clear understanding of the value of working class southerners Nearly all of the writers hold a reverence for the South s landscape and its inhabitants as well as an affinity for realistic depictions of setting and characters
