Ron Hubbard,1973 **Dianetics, the Evolution of a Science** La Fayette Ron Hubbard,2007 Originally written and published in national magazines to coincide with the release of *Dianetics The Modern Science of Mental Health* here is L Ron Hubbard's own story of his developmental trail and two decade journey to the discovery of the Reactive Mind *Evolution of a Science* contains the only account of How the optimum computing machine the mind works How Mr Hubbard discovered Basic Personality How the Dynamic Principle of Existence SURVIVE was first isolated How wrong answers enter into the mind and are held down giving further wrong answers How there seem to be Demons of the mind How the engram was discovered How Dianetics techniques were developed That's why *Evolution of a Science* is the story of the greatest adventure of all the exploration that discovered the Reactive Mind and the technology to conquer it He wrote it so you would know **Dianetics** La Fayette Ron Hubbard,1987

Dianetics L. Ron Hubbard,2020-02-21 Dianetics started the most controversial science of our modern times The first printing sold out in a month And within two months 500 grassroots Dianetics groups sprang up across the US Since then it's sold over 83 million copies in over 50 languages But this book also drew intense opposition from the medical establishment and from at least half a dozen Federal agencies The reason for its controversy Dianetics showed a person how to become aware of and to deal with past traumatic experiences so he was no longer bothered by them It was so effective it could uncover deeply repressed experiences including ones that happened when a person was unconscious such as car accidents and operations Nobody at the time imagined that some people as they looked into their past would discover they had been

unknowingly subjected to experiments while they were unconscious in hospitals They had been subjects of cold war brainwashing and mind control research conducted by the CIA on unsuspecting patients It was a secret the government was desperate to keep hidden In your hands you now hold the science of the mind that uncovered it all Dianetics gives you a clear explanation of how the mind works with easy to use self help techniques you can use to unlock your dormant abilities This edition is a re release of the original book exactly as Hubbard originally published it in 1950 It contains six important chapters that were part of the original 1950 edition but have been removed from versions on sale by the Church of Scientology Bridge Publications That s 11% of the original content reclaimed for a complete understanding and application of Dianetics techniques You ll also find an additional chapter by the editor called Warning of Black Dianetics revealing how the Church of Scientology has altered Dianetics to forward its religious dogma and to withhold the work ability of Dianetics from its own members The appendix contains free sources of information that can be found online for additional help and further study

Dianetik : Die moderne Wiss. d. geistigen Gesundheit LaFayette Ronald Hubbard,1980 **Dianetics, the Original Thesis** La Fayette Ron Hubbard,2007 Dianetics The Original Thesis is L Ron Hubbard s first description of Dianetics Originally circulated in manuscript form to a few friends it was soon copied and passed hand to hand until it literally circled the globe But the resultant word of mouth only fueled the fire With thousands of letters requesting more information Ron concluded the only way to answer all inquiries was with a book That book was Dianetics The Modern Science of Mental Health now the all time bestseller on the mind Find out what started it all For here are the bedrock discoveries and equations of Dianetics including The Primary Axioms of Dianetics axioms upon which the entire subject is built The discovery of the Dynamic Principle of Existence that drives all life forms SURVIVE The Four Dynamics by which life is compartmented and which determine one s survival The discovery and anatomy of the Reactive Mind Engrams the single source of all irrational behavior The powerful command in every engram which prevented their discovery and handling before Dianetics The Analytical Mind its function and operation The first description of the state of Clear its attributes and potentials And most important the Laws of Returning containing the explanation of both how and why auditing works Here then are the fundamental breakthroughs Ron used to make the first Clears breakthroughs which made possible the development of technology for use by every individual to begin the clearing of a planet breakthroughs only contained in Dianetics The Original Thesis
