Nurturing Science-based Ventures Ralf W. Seifert, Benoît F. Leleux, Christopher L. Tucci, 2008-01-25 Few would deny that small entrepreneurial firms play an important economic and social role Not only do they generate a significant number of jobs but they also contribute a large proportion of gross national product GNP Not all small firms qualify as entrepreneurial entities however While small refers mostly to size entrepreneurial refers to growth and a value creation orientation The vast majority of small firms have no growth aspirations nor do they have the means and skills to grow As such they may still provide employment and local value but would not embrace the high potential aspirations of entrepreneurial ventures This book clearly addresses those entrepreneurs who are interested in leading high growth potential companies

Table 1	Table 1	Growth Typology of Small Firms	1	Type of venture	Desired sales range	Future employees	Lifestyle
0 to 1 million	0 to 4	Smaller high potential	1 million to 20 million	5 to 50	High potential over 20 million	Over 50	High

innovation technology based startups assume a very special role in high growth entrepreneurship Although these startups constitute a comparatively low number of small businesses they produce proportionately far more jobs than their low and medium innovation counterparts The aim of achieving rapid growth is typically referred to as high expectation entrepreneurship An area of major concern to us is a fact revealed in the latest GEM report The rate of European high expectation entrepreneurial activity is among the lowest in the world

What's Stopping You? Bruce R. Barringer, R. Duane Ireland, 2008-05-16 This book dispels the myths surrounding the process of starting a business and gives hope and encouragement to people who would like to give it a try Tim Berry Founder and CEO Palo Alto Software Creators of the World's Most Popular Bruce Barringer and Duane Ireland's new book What's Stopping You is an insightful and thought provoking examination of nine common myths that discourage individuals from starting new businesses This book is much needed and long overdue The value of What's Stopping You is that it effectively debunks the false premises that too often preclude acts of business start up What's Stopping You is an encouraging instructive and eloquently written book that would be a valuable addition to any aspiring entrepreneur's bookshelf Jeffrey G. Covin Samuel and Pauline Glaubinger Professor of Entrepreneurship Kelley School of Business Indiana University Bloomington Indiana Over the years I have observed many seemingly great business opportunities never get off the ground Quite often what holds these aspiring entrepreneurs back are common misconceptions about the difficulties and risks of starting a new business In What's Stopping You Professors Barringer and Ireland systematically break down the myths that hold many entrepreneurs back from pursuing their dreams

Jeffrey R Cornwall The Jack C Massey Chair in Entrepreneurship Belmont University Nashville Tennessee Barringer and Ireland simultaneously demystify start up misconceptions and empower readers to explore their own opportunity with renewed passion Many prospective entrepreneurs feel trapped by myths the authors carefully detail the myths fallacies and encourage the reader to see beyond start up stereotypes Future and experienced entrepreneurs have much to learn from What's Stopping You Sarah Schupp Founder CEO University Parent Media Boulder Colorado Creating your own business from scratch can be a mental emotional and financial roller coaster ride Bruce Barringer and Duane Ireland's book provides a voice of reason and helps give you the confidence to realize you can do it They recognize that starting a business is hard work but that it is attainable and that you should celebrate your accomplishments every step of the way Jan Stephenson Kelly Cofounder CEO Spark Craft Studios Cambridge MA Business Plan Software Follow Your Dream Start Your Own Winning Business Now Get past the myths that keep you from making the leap Gain the practical skills and confidence you need to succeed Quickly evaluate business ideas and pick a winner Launch your company and watch it grow and profit Build the business you've always dreamed of Take control of your future and achieve the breakthrough success that's only possible when you're working for yourself You can do it and this book will show you how Forget the myths that have been standing in your way You don't need to be rich You don't need extensive business experience You don't need to be a genius You don't need a revolutionary product or service You can handle the risk the competition and the challenges The proof's on every page of this book case studies of ordinary people building great businesses and practical techniques you can use too every step of the way
