Entrepreneurship By Robert D Hisrich 9th Edition :

Entrepreneurship Robert Hisrich, Dean Shepherd, Michael Peters, 2016-01-12 Entrepreneurship by Robert Hisrich Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating planning and implementing a new venture. Students are exposed to detailed descriptions of how to embark on a new venture in a logical manner. Comprehensive cases at the end of the text have been hand-picked by the authors to go hand in hand with chapter concepts. The superb author team of Hisrich, Peters and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today's entrepreneurial challenges. From Bob Hisrich's expertise in global entrepreneurship to Mike Peter's background as both a real-life entrepreneur and academic to Dean Shepherd's current research on cognition and entrepreneurial mindset, this book balances the crucial line between modern theory and practice. **Entrepreneurship**

& Management Manjunath V.S., 2010-09 **International Entrepreneurship** Robert D. Hisrich, 2015-07-06 Combining comprehensive coverage with a wide variety of real-life cases, *International Entrepreneurship: Starting, Developing and Managing a Global Venture* gives entrepreneurs the tools they need to successfully launch international ventures in today's hypercompetitive world. Bestselling author Dr. Robert D. Hisrich helps students and entrepreneurs develop global business plans, select international opportunities, and determine the best entry strategy. The text also covers practical considerations such as legal concerns, the global monetary system, global marketing, and global human resource management for entrepreneurs. The fully updated Third Edition provides increased attention to culture and reflects recent changes in our increasingly globalized world. Readers will also be exposed to new cases featuring international activities of entrepreneurs and ventures throughout the world. **Entrepreneurial Finance** Gary Gibbons, Robert D. Hisrich, Carlos M.

DaSilva, 2014-10-29 A practical approach for entrepreneurs and investors, *Entrepreneurial Finance* provides readers with the fundamental knowledge to finance, start, grow, and value new ventures without the complex finance terms and calculations. This comprehensive yet practical approach incorporates a global perspective that appeals to entrepreneurs, investors, and students with diverse backgrounds, knowledge, and experience. From Facebook to Camera, Gary Gibbons, Robert D. Hisrich, and Carlos M. DaSilva use real-world examples and their professional experiences to bring concepts to life. This text is one of the most readable books in the market without compromising high-quality content and resources. **Technology**

Entrepreneurship Thomas N. Duening, Robert A. Hisrich, Michael A. Lechter, 2014-08-12 The focus of this book is on technology ventures: how they start, operate, and sometimes exit profitably. Negotiation for Entrepreneurship Vimal Babu, Robert Hisrich, 2023-01-10 Everyone has desires Spiritual leaders too give up the mundane life However they carry the deeply rooted desire to attain insights and enlightenment eventually Irrespective of what life one leads one core but common desire is to enjoy the autonomy to make decisions However life introduces one to several ups and downs resulting in both successes and failures Nonetheless one desires to be happy throughout and enjoy whatever is in possession Also one aspires to achieve all that one feels capable of achieving thus driving oneself to take risks against the opportunities identified In the backdrop the present book is for every individual who is either an aspiring entrepreneur or serial entrepreneur irrespective of the domain expertise or industry one represents The book attempts to focus and address a pressing pain point of entrepreneurs quite often entrepreneurs fail to strike great deals on account of poor negotiation skills The stated pain point not only becomes a hindrance in the initial stage of start ups but it also becomes a major challenge for the entrepreneur as the start up scales up expands diversifies or exits from the market The book is an attempt to eliminate the pain point of poor negotiation skills one of the major factors responsible for the success and failure of start up ventures in modern times

Effective Entrepreneurial Management Robert D. Hisrich, Veland Ramadani, 2016-12-23 This textbook provides a comprehensive overview of the essential issues in effective entrepreneurial management It first introduces readers to the fundamentals of entrepreneurial management the nature of entrepreneurial managers and business planning before exploring the specific topics of creativity and innovation risk management entrepreneurial marketing and organization as well as financing The authors then move to contemporary topics such as entrepreneurial growth strategies e commerce challenges ethical and socially responsible entrepreneurial management franchising and managing entrepreneurial family ventures Each chapter

provides a case study and several practice based examples to help explain the concepts By providing a truly international approach this text offers ample theoretical and empirical insights into entrepreneurship and small business management It is a valuable and up to date resource for teachers and students of entrepreneurship *Proceedings of the 9th European Conference on Innovation and Entrepreneurship* Brendan Galbraith,2014 *Gender and Family Entrepreneurship* Vanessa Ratten,Veland Ramadani,Leo-Paul Dana,Robert D. Hisrich,Joao Ferreira,2017-07-20 This book focuses on gender and family entrepreneurship as they are interrelated concepts particularly important in today s global society The book highlights the significance of the role of gender in the development and growth of family businesses It helps readers understand the role of family dynamics in business particularly in terms of succession planning strategic development and internationalization Often both gender and family entrepreneurship are studied independently but this book aims to marry both perspectives with a novel approach This creates a synergy between gender and family entrepreneurship that increases the potential value to entrepreneurship scholarship policy and business practice This edited book is a useful and insightful addition to the entrepreneurship field

Better Practices of Project Management Based on IPMA competences - 4th revised edition John Hermarij,2016-07-18 This is the revised edition of the first text book in English specially developed for training for IPMA D and IPMA C exams now based on Version 4 of the ICB In this 4th edition the text has been restructured and extended to align with the structure and scope of the competence elements in the ICB version 4 divided into Practice competences People competences and Perspective competences Therefore this book will be essential guidance and study book for everyone studying for the IPMA D IPMA C and IPMA B exams Besides that it is an extremely rich source book for those project managers that have committed themselves to a lifelong professional development In addition the book had to be applicable to groups of project managers originating from diverse cultures For this reason this is not a book that tells how a Westerner must behave in an Arab or an Asian country but one that looks at the different subjects covered in the ICB as seen from diverse cultural standpoints Each chapter is based on the same structure Key concepts Introduction Actions that lead to competence development Self assessment Special topics Assignments Text boxes additional to the main text give additional explanation to the main text An elaborate Index of terms allows that this book can be used as a highly up to date information source to all aspects of project management Next to that all a web site is available with videos discussion fora on specific topics and the opportunity to discuss with the author
