Da heutzutage Organisationen jedweder Art und Größe unternehmerisch handeln und innovativ sein müssen, um erfolgreich zu sein, eben diese Vielfalt der Querschnittsdisziplin Entrepreneurship versucht der vorliegende Sammelband abzudecken. Er geht dabei auf Stand und zukünftige Perspektiven und auf der Themengebiete wissensbasierte Unternehmensgründungen, Internationalisierung von KMU, Beziehungen zu Stakeholdern, Unternehmmergeist, Unternehmensnachfolge, Nachhaltigkeit sowie auf genderspezifische Aspekte des Entrepreneurship ein und das nicht nur aus forschersich wissenschaftlicher Perspektive, sondern durchgängig bemht einen Brckenschlag in die Praxis von KMU bzw. Unternehmensgründungen herzustellen. **ECIE 2021 16th**

One Day I'll Work for Myself: The Dream and Delusion That Conquered America Benjamin C. Waterhouse, 2024-01-16 From side hustlers to start ups freelancers to small business owners Americans have a special affinity for people who make it on their own But the dream has a dark side One day I ll work for myself Perhaps you ve heard some version of that phrase from friends colleagues family members perhaps you ve said it yourself If so you re not alone The spirit of entrepreneurship runs deep in American culture and history in the films we watch and the books we read in our political rhetoric and in the music piping through our speakers What makes the dream of self employment so alluring so pervasive in today s world Benjamin C Waterhouse offers a provocative argument the modern cult of the hustle is a direct consequence of economic failures bad jobs stagnant wages and inequality since the 1970s With original research Waterhouse traces a new narrative history of business in America populated with vivid

characters from the activists academics and work from home gurus who hailed business ownership as our economic salvation to the upstarts who took the plunge We meet among others a consultant who quits his job and launches a wildly popular beer company a department store saleswoman who founds a plus size bra business on the Internet and an Indian immigrant in Texas who flees the corporate world to open a motel Some flourish some squeak by Some fail As Waterhouse shows the go it alone movement that began in the 1970s laid the political and cultural groundwork for today s gig economy and its ethos everyone should be their own boss While some people find success in that world countless others are left bouncing from gig to gig exploited underpaid or conned by get rich quick scams And our politics doesn t know how to respond Accessible fast paced and eye opening One Day I ll Work for Myself offers a fresh insightful cultural history of the U S economy from the perspective of the people within it asking urgent questions about why we re clinging to old strategies for progress and at what cost
